LIVE WIRES TO GO ON OUTING

Aggressive Organization of Leslie Church Will Tie To Tail Woods. The Live Wires will touch off the fireworks May 27 to 29 in their annual outing. The Live Wires are the young people's class of Leslie Methodist church, a class organized and engineered and brought to amazing activity by A. C. Bohrnstedt. There are 150 of them, and the way they take to the clean activities of the church is like the affinity of a tramp and a shade tree. The church has grown to a commanding place in the social life of the city, more through the Live Wires than through any theological or religious propaganda.

STUDENTS HEAR WALTER TOOZE

Walter L. Tooze, Sr., is to address the students of Willamette university at 8 o'clock this forenoon on the World War veteran soldiers aid amendment that is to be voted upon at the special election June 7. Mr. Tooze has been especially designated for this address, as part of a regular campaign of education being carried on all over the state by the American Legion and by all the affiliated patriotic organizations and sympathizers.

Students' Aid Fund Campaign Will Be Carried to University Today

Robin Day, chairman of the speakers' bureau for the campaign in Marion county, plans to have addresses made in every community between now and the date of the election. Fair Play Is Issue. It is felt that it is really a matter of education, and not of favor or gratuity. In the period of unprecedented prosperity all over America, when almost everybody who stayed at home became, or at least had a chance to become rich, it is felt that the soldier who served our country and wages and took all the chances to boot, wasn't getting quite a fair deal. The new constitutional amendment aims to provide a partial equalization between the soldier and the civilian of the war period and the legion and its backers feel no hesitancy in presenting their case to the public on its merits.

classes in Oregon and his work has been highly commended all over the west where Sunday school classes usually run a poor second to many other attractions. There was but one chance for the poor man. He was standing upon a manhole cover. Quietly seizing it, he lifted the lid and jumped into the hole just in time to be run over by an underground train.
