has not taken steps to endorse the resolution and it is not thought it will do so until further investigation. However, in the opinion of Judge W. M. Bushy, property values in other lines have not been decreased by taxation but in many cases increased...

Whereas it appears from the records of the assessment of Columbia county, Oregon, for the year 1920, that the property within the said county, exclusive of that owned and held by the public service corporations...

Telephone Case Cited "And whereas, it appears from the foregoing quotations from state statement issued by said state tax commission that the assessment of the property of the public service corporations of said county is not greater than 25 per cent of the actual cash value of such property..."

Reduction Continuous "And whereas, there has been a gradual reduction in the assessment of the property of said public service corporations for the past three years..."

And be it further resolved, that a copy of these resolutions be mailed to the state tax commission and to each county court within the state of Oregon"

SALEM ENTERS PORTLAND RACE

Local Side-Car Pilots Will Participate in Events of May 29 and 30

GYPSY TOUR IS COMING

Eugene Gets Coveted Event, and After That, Best of All in Salem

Salem is going to make a strenuous bid for the championship in the motorcycle races at Portland May 29 and 30. Salem riders will have not enough competition, too, for Otto Walker and Jim Davis, who hold enough world medals to drown a man in a foot of water...

Salem Side Cars Enter Salem, however, is going to put two entries into the side-car races, that have a good chance to land the long end of the purses. One is a Harley-Davidson machine piloted by Hiram T. Smith, with Clarence Hinshaw as passenger...

Scott Offers Prediction Harry Scott, who makes the entries, expects the side-car races to produce records better than 60 miles an hour.

Two other big motorcycle events are coming up in the near future, which will interest every rider in this part of the state. The first will be the annual Gypsy tour, which meets at Eugene June 18 and 19.

The second event is the great Salem hill climb, on the Oregon road south of Salem, July 4. This is one of the steepest hills that anybody ever traveled, anywhere, and no motorcycle really is expected to run up over its frowning top...

Salem Gets Big Event The second event is the great Salem hill climb, on the Oregon road south of Salem, July 4. This is one of the steepest hills that anybody ever traveled, anywhere...

The litigation between the company and the district is with a view to a transfer of the present constructed system from the company to the settlers for operation and maintenance by them.

STATE BOARD IS MADE DEFENDANT

Further Step in Pending Central Oregon Irrigation Case is Made

A further step in litigation that has been pending for some time in the controversy between the Central Oregon Irrigation company and the Central Oregon Irrigation district is the granting of a temporary injunction signed by Judge McCourt of Portland on petition of H. H. Dietrich, against the Central Oregon company and the state desert land board.

Two Fatal Accidents Reported to Department Two fatal accidents out of a total of 411 industrial casualties were reported to the state industrial accident commission for the week ending May 26. The fatal cases were: Vick Wilson, Clifton, Ore., logger, and John Cogan, Portland, dockman.

Of the total number of accidents reported, 271 were subject to the provisions of the workmen's compensation act, 19 were from firms and corporations that have rejected the act and 21 were from public utility corporations not subject to the act.
