While more than 1500 cars of tourists have stopped at the Salem auto park so far this spring, cars coming directly from the east have not as yet begun to arrive, according to Superintendent Albert. Those going through now are returning from California where they have spent the winter or are going from Washington southward or from California northward.

Thirty-seven cars had stopped in the park yesterday up to 7:30 last night, the record for the season in one day being 42. Committees of the Cherrians began their "greeting trips" last night which they will continue throughout the season. A new store building is being erected near the entrance to the park which is considered tourists who are no sooner unloaded than they begin to seek a place to buy fresh supplies.

John A. Sebastian who is making his second trip across the continent is traveling on a motorcycle and is handicapped by having lost his legs in a railroad accident some years ago. He sets up his own tent and "gets along" as well as though he had four legs according to Superintendent Albert. Sebastian is just now going from San Francisco to New York.

Among those registering yesterday were Mr. and Mrs. E. D. Francisco, Springfield, O.; Mr. and Mrs. J. Yogan, St. Louis, Mo.; Mrs. T. Fahay and family of Vancouver; Mr. and Mrs. C. E. Falls of Hood River who are returning from the south; Mr. and Mrs. George Hemler of Chicago and Mrs. C. H. Jessup and Mr. F. C. Flood of Miami, Ariz.; C. D. Taber and E. S. Johnson of Glenwood, Minn., who are returning from a winter in California; F. B. Dodd of Seattle, Wash.; H. C. Lewis of Pasadena; Mr. and Mrs. F. DeWine of Grants Pass; Mr. and Mrs. A. L. Curtin and Mr. and Mrs. B. Bowers of Vancouver, Wash., who are on their way to California; Mr. and Mrs. Gough and Elliott who are on their way from Seattle to Los Angeles; Mr. and Mrs. E. A. Two cars camped yesterday near Las Vegas, Nevada. The party included the families of C. Eddy and J. Dod Mr. and Mrs. G. Sellick of Boston who have been wintering in the west were the ones registering from farthest away last night.

TREATY PACT PRESENTED TO MEXICAN HEAD

State Department Proposes Agreement of Commerce And Amity With Protection of Rights.

REPLY FROM OREGON IS NOT MADE PUBLIC

Obstacles Impossible Unless Mexico Insists on Confiscatory Policy

WASHINGTON, June 7. The American government has proposed a treaty of amity and commerce with Mexico. It was announced today at the state department, in which Mexico will agree to safeguard the rights of property in that country held by American citizens which attached before the constitution of 1917 was promulgated.

Announcement of the administration's policy toward the southern republic was made after the subject had been discussed at the cabinet meeting. President Harding and his advisers had before them a communication from President Obregon relating to the proposed treaty, which was presented to the Mexican president by George T. Summerlin, American charge at Mexico City on May 27.

Secretary Hughes' announcement contained no reference to the attitude assumed by President Obregon but it did say that if Mexico did not contemplate a satisfactory policy with regard to the property the American government could "conceive of no possible objection to the treaty."
