yesterday. Dean Robbins is an eloquent speaker and members of the graduating class have expressed extreme satisfaction with their success in obtaining him for that night.

Rev. Ward Willis Long, pastor of the Presbyterian church of this city, is to deliver the baccalaureate address at the Presbyterian church Friday night.

Elaborate decorations are being planned by the committee of the junior class for the decoration of the armory. Harold Socolofsky, president of the junior class, is chairman of the committee on arrangements.

Those who will receive diplomas are:

- Burton Reno Adams.
- Georgia Ruth Albee.
- John Anthony Albright.
- Joseph Edward Albrich.
- Norman Campbell Alexander.
- Frank Clarence Akfred.
- Elva May Amaler.
- Ruth Lucille Anderson.
- Carl Armstrong.
- Numa Joseph Arnold.
- William Hovey Ashby.

### Salem Man to Represent Oregon Disabled Veterans

La Noel B. Davis of Salem is one of the two representatives of the Oregon Agricultural college chapter of Disabled American Veterans who will attend the national convention which is to be held in Detroit, Mich., June 27, 28 and 29.

Mr. Davis is a member of the graduating class at the college this year, finishing in engineering. He was graduated from Salem high school in 1915. During the war he served with the Fourth engineers and was wounded August 10, 1918, while in action.

The Corvallis chapter of this organization of veterans of the world war has 38 members. Mr. Davis has been president of the chapter this year.

"National attention and interest to the need of helping the wounded and disabled veterans," is given as the chief object of the organization. The Corvallis Commercial club with the men of the local group will finance the trip of the delegates.

### HIGH SCHOOL FUNDS FOOTED

More Than \$2000 Required To Finance Activities of Present Year

### NEWSPAPER PAYS OUT

Plan of Consolidated Management to Be Tried Out Next School Year

Over \$2000 was required to finance the student activities of the high school during the past year, according to the final report of the financial committee of the student council. Of that amount \$1275 was spent for football supplies and for transportation of the football team.

The other major activities which required student body funds were: Basketball, \$525; baseball, \$125; debate, \$100.

From a general fund \$215 was appropriated.

**Clarion on Own Feet.**  
The Clarion, the school paper, was the only activity which operated on a paying basis. Alfred Montgomery, its manager, for the first time in over five years being able to finance the paper without drawing on the school funds.

Predictions for next year call for even a larger amount for the school budget. Tennis and track, two new activities, required but little money this year, but will demand heavy appropriations for next year. In addition, the management of the Clarion may attempt to put out a weekly newspaper, in which event it would be necessary again to rely upon support from the student body treasury.

**Consolidation Tried.**  
Student officials hope that it will be possible to save several hundred dollars when the new consolidation of management becomes effective next fall. The student body recently moved by constitutional amendment to consolidate all of the managerships under two heads, athletic and forensics. Harold Socolofsky was chosen to manage all athletics next year, while Kenneth Perry will direct all forensics contests.

About 250 students took some active part in the activities of the high school this year, practically all of whom were boys, as there are no school teams composed of girls, although girls have won honors in the county forensics contest and in the state essay contest.

**Activities Listed.**  
The complete list of student activities supported by funds from the student treasury follows:  
Football, baseball, basketball, tennis, track, debate, county forensics contest, state oratorical contest, student body play and the state essay contest. In addition to the student body activities the classes appropriate money for the following interclass contests: Football, baseball, track, basketball, tennis, debate, senior class play, and the interclass forensics contests which include extemporaneous, impromptu and humorous speaking, and oratorical and dramatic interpretation.

**School Has Record.**  
The Salem high school carries on more activities than any other school in the state, and many of its contests, especially in class public speaking, are carried on nowhere else. Its clean, competitive rivalry between classes has caused much favorable comment from educational workers who have visited the school.

### English and French Wine Is Boycotted in Hamburg

HAMBURG, June 7.—Proprietors of hotels and restaurants in Hamburg have declared a boycott against the English and French wines against a protest against the restrictions of the allied penalties on the Rhine.

French wines and liquors and English preserves are no longer in any restaurant or winery. An effort is being made to extend the boycott to other cities.

### MISS GODSEY TO LANE POSITION

Former Marion County Health Nurse Will Take Up Eugene Work

Recognizing her exceptional ability as a public health nurse, Lane county has elected Miss Lillian Godsey, R. N., as its permanent county nurse, following the resignation of Miss Mary Brownell who has been conducting the work. Miss Godsey had been the demonstration nurse in Marion county for the Oregon Tuberculosis association up to the May hearing of the county court, when Judge Bushey decided against placing the nursing service under county funds for the remainder of the year.

Miss Godsey's progressive work in Marion county has won the praise of the highest cooperation there. Miss Godsey arrived in the city yesterday, to wind up her affairs, and will leave for Eugene today.

### GROWERS SHOW GREAT GROWTH

Membership and Acreage of Association Increases Without Campaign

Without putting on any campaign for new members, or making any effort whatever to secure additional acreage, the membership of the Oregon Growers' Co-operative association has grown so rapidly during the past few weeks until now it is 1804.

And with the rapid growth in membership, the acreage controlled by the association has increased until now it is 39,723.

At the annual meeting of the association held April 26, it was reported that the membership was 157, with control of 2,000 acres.

### Swiss Physician Travels 35,000 Miles on Foot

MILAN, June 7.—Dr. Massimo Armando Leuret, aged 34, a Swiss physician, has arrived here after walking 35,000 miles in both old and new worlds. He asserts that his tour took him around the globe commencing in January 1, 1914 and cost him \$40,000.

He says he left Switzerland going north to Germany, Poland and Russia. He was in the last named country when war began and continued the journey across Russia to Siberia. He then visited China and Japan and

later crossed the Pacific to America. He claims to have traversed both north and South America on foot. His trip from the Pacific Coast to New York, was made alternately in Canada and the United States.

When he got to Switzerland he decided that he had not yet seen Italy nor Africa and he commenced now his journey through them.

### MONEY CHANGERS ARE POWERLESS

Y.M.C.A. Easily Maintains Place at Top of Percentage Column

The Y kept its place as leaders of the Twilight League by handling the Bankers a 16 to 0 knock-out in last night's game on Wilmot. The currency contestants were unable to make connections with the offering of Johnnie Humphreys on the mound for the Y in the absence of Lauderdale, and made an even worse showing in their attempts to back up their own twirler, Cernick, who was forced to try to win his own game.

Standing of the Teams.

### High School Seniors Give Annual Play Tonight

A fitting close to a most successful year in high school dramatics will be staged tonight when the senior class offers as the annual senior class play "The Man From Home," a four-act comedy-drama written under the sponsorship of Booth Tarkington and Harry Leon Wilson. The play carries with it a distinctly different atmosphere from previous high school plays this year, the action taking place in Italy.

The play being given under the direction of Miss Mabel Dav-
