SWAMP TRACTS THOUGHT SAFE

State Claim to 3000 Acres Rejected, 29,000 Acres Not Yet Attacked

APPEAL IS CONSIDERED

Attorney General Receives Information from Federal Commission

The state legal department will go ahead with proceedings to establish state title to at least 29,000 acres of the 32,000-acre swamp land in Warner valley, Lake county, selected in 1920 through action of the governor and the attorney general.

Information has been received that the commissioner of the general land office has rejected the state's claim to 3000 acres in the poorest part of the area, and whether the state will endeavor to acquire this amount by appeal to the department of the interior has not been decided.

Sixty days for appeal. The state has 60 days in which to file its appeal. The portions to which the state's claim has been rejected are in the beds of Pelican lake, Muswump lake and Anderson lake, and the commissioner claims that the state has failed to furnish sufficient proof of the swampy character of the lands.

Relative to the lands which have not been rejected, the state is informed that if it furnishes certificates of complete claim and evidence that it has notified the riparian owners, an examination must be made by a special agent from Portland and it is possible a hearing may be necessary to determine the character of the lands.

Rights Believed Safe. The state is complying with the requirements, and it is believed the state's right to the lands will be fully protected and that they will be patented to the state in due time.

WILDCATS LOSE TO TIGER TEAM

Trojans Forfeit and Washington-High Flier Game Is Postponed

Only one of the three games scheduled for Saturday in the Junior Twilight league, was played—that between the Wildcats and the Richmond Tigers—in which the Tigers made it 7 to 5. A Tiger is so much bigger than a wildcat, anyhow, but according to the rules they had just as many players as their feline brethren, whom they clawed and mauled to a finish.

Of the other two games, the one between the Wildcats and the Trojans was forfeited by the Trojans, who couldn't see the use of taking another licking. They had already made a clean record, and they might have spoiled it with an unlucky home run—so they "jumped the yob" while the yumping was good.

The Washington 7A—High Flier game was postponed by agreement, until Monday at 5:30. It will close the series, if the High Fliers win, making them a clean score. If they should lose, they will be tied with the Wildcats, and another game would be necessary to decide the championship.

The standings of the teams are as follows:

Team	W.	L.	Pct.
High Fliers	4	0	1.000
Wildcats	4	1	.800
Washington 7A	2	2	.500
Cardinals	2	3	.400
Richmond Tigers	2	3	.400
Trojans	0	5	.000

*This game will be played Monday.

*Forfeited by the Trojans.

RECORD CLASS IS GRADUATED

Nineteen Turner Pupils Of Eighth Grade Make Average of 96 Percent

AWARDS ARE ANNOUNCED

Christian Church Elaborately Decorated for Impressive Exercises

TURNER, Or., June 11.—Graduation exercises of the Turner eighth grade were held Friday evening June 11, at the Christian church, for the largest class in the school history, as it consisted of 19 pupils. The youngest, Ethel Given, is but 12 years old.

There were 11 exemptions given the class and an average of 96 percent was made by the pupils who took the examination.

Credit Accorded Teacher. A great deal of credit is due Blanch Cox, eighth grade teacher, for the splendid work done by this class, especially in the awards given for writing.

Hazel Miller and Alma Fulton received a Palmer students' certificate, which is the highest award given to students by the A. S. Palmer company for proficiency in the Palmer method of business writing.

The church was beautifully decorated for the occasion. The stage was draped in the class colors of purple and gold and the class flowers, pink and white roses, were banded across the front of the platform. The American flag and the class pennant with the class motto, "Progress," held a prominent place in the decorations.

Class Song Played. The class formed in two lines in the church parlors and marched up the aisle while Miss Reba Powers of the high school played the class song on the piano. At the altar the lines gave the salute to the flag and sang "The Star Spangled Banner." Helen Peetz, a graduate of the high school, gave a piano solo after which John E. Coleman, principal of the high school, gave the history of the class.

The principal address was given by Mary L. Fulkerson, school superintendent of Marion county. Mrs. Theessan and Blanch Cox sang a duet and the diplomas were presented by Chairman Webb of the school board. Rev. Mr. Pointer of the Christian church, gave the invocation and the flowers were presented by Phoebe Kiser and Leta Wilkening of the seventh grade. The class sang the class song and gave its yell, after which

the school board, Mr. Webb, Mr. Dalzell and Mr. Wewett, decided to have the class picture taken and placed in the eighth grade room in the grammar school.
