> Further Successes Come The following year promised to be even more successful. In one of the earliest bouts he knocked out in one round Wetnick, who had nearly held him even in one of the 1907 contests. Four victories by knockouts and nintriumphs over Charlie Dedoux and Paul Til. both famous bantams comprised the record for the year until Carpentier ran into Gloria. a veteran, who stopped him in six rounds.

This was the first time that the Lens youth had taken the count. Defeat at the hands of a more experienced boxer did not discourage either Carpentier or Descamps, for, on the whole, Carpentier's development had been phenomenal and none recognized that fact better than the shrewd little man who has piloted the boxer to his present pitch of prominence.

Aircraft Owners Receive Blanks from Mr. Kozer

Sam A. Kozer, secretary of state, yesterday forwarded to all persons and corporations in Oregon known to be possessors of aircraft, blanks for the registration of the machines. While the law requiring an annual registration and licensing of aircraft becam rective May 25, no applications have yet been received.

Persons applying for licenses are required to furnish descriptions of the machines sufficient for identification purposes. A fe of \$10 must accompany the appli ation. Persons purchasing plane that already have been registered are required to pay a transfer for of \$1, and within five days after the purchase notify the secretary of rtate, giving name and business address, license or registration number, and name of vendor

For violation of any of the proisions of the aircraft registration aw the penalty is a line ranging from \$10 to \$100.
