I caught the glint of an amused

smile in Mr. Drake's eyes and was

immediately on my guard, realizing that even while he was evi-

dently carrying out some serioupurpose in questioning me he was

getting a good deal of quiet amusement out of my resentment which I had not been able to con-

ceal, and which I believed he was deliberately trying to arouse. "Is he going back to the Cat

My lips shut tightly over the enswer that had almost left them at his question. Lillian had told me but a few hours ago that the artist would soon be able to go

back to his beloved mountains with his devoted sister. Mrs. Cosgrove. And Mr. Drake's manner held so imperative a touch that I had almost given him the information. But I stopped myself "I am afraid you will have to; go to Mrs. Therewood for that information," I said coldly. "I am not familiar with Mr. Savarin's

General Banking Business

Office Hours from 10 a. m. to 3 p. m.

# Automatic

Think of the Convenience

# A Necessity In Every Home

During The Hot Sweltering Days, when the butter turns to grease and the milk hardly retains its sweetness for a few hours, the health of yourself and those dear to you demands that all foods affected by heat be kept in a cool and sanitary place; and what better place can be found than the interior of one of our porcelain lined refrigerators. You will find these refrigerators on special display at our store this week. Don't miss it. Your health demands it.

After 72 Hours

The Refrigerator which was sealed this morning by two newspaper men will be opened on Friday. Sealed in this Refrigerator are the following articles: milk, butter, chocolates, sliced oranges, Limburger cheese, sliced onions, green onions, lettuce, salt herring, steak, cigars, cigarettes and matches.

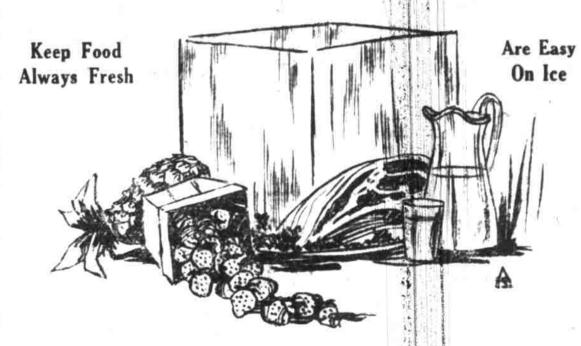

Be on hand on Monday at the opening and taste the milk, which will be as sweet and free from taint as when received from the creamery.

Lifetime of Service

We say this without any reservation whatever, the AUTOMATIC RE-FRIGERATOR will last a lifetime. To be sure there is nothing to get out of order, nothing to decay or rust, neither do you have to administer

It works splendidly for you all the time, indeed circulation of air never stops. Replenish it with ice every two or three days, that's all you are called upon to do-the AUTOMATIC does the rest.

## Automatic Refrigerators

We have made arrangements with the Salem Ice Company to supply every AUTOMATIC Refrigerator sold during this special showing with ice absolutely free of charge, for one week. As it is not likely this generous offer will the repeated we would advise getting your refrigerator during this week.
