

RANKIN WINS \$5000 PURSE

Filly Owned by George Dudley of Youngston Takes Leading Event

GALLI-CURCI IS SLOW

Bettors Receive Jolt When Brookworthy Loses 2:10 Trot Event

NORTH RANDALL, CLEVELAND, O., July 7.—Making her initial start on the Grand Circuit, Jeanette Rankin won the \$5000 Taverne "steak" for 2:14 trotters, today's feature of the harness horse racing at North Randall. The filly, which is owned by George E. Dudley of Youngstown, O., captured the even in two straight heats.

Galli-Curci, the mare for which Fred Cline of Indianapolis is reputed to have paid \$25,000 was never prominent.

Two Favorites Win

Only two favorites, Jeanette Rankin and Johnny Quirk, won.

In the first heat of the Taverne, Trumpeter and Saint Patrick the Great further delayed the start when they collided during the scoring. A sulky was broken.

Saint Patrick the Great took the lead at the start and held it to the stretch, when Jeanette Rankin took command and never relinquished it.

Princess Etawah dislodged Hilda Fletcher from second place, Jeanette set pace.

Jeanette Rankin set the pace throughout the second mile and won easily. Princess Etawah and Hilda Fletcher again finished second and third respectively.

Princess Etawah had no trouble winning the final heat. Main Lick fell from exhaustion at the conclusion of the second heat, but soon revived. He was withdrawn from the third heat.

The 2:06 pace went to Johnny Quirk. After finishing third in the first heat he captured the next two.

Bettors received a jolt when Brookworthy, Tom Murphy's horse, was defeated in the 2:01 trot, which went to The Toddler, in straight heats. Brookworthy

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous, acid stomach or rheumatism in legs, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful after-dinner drink and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

Fagan and Girl Formerly Employed at El Centro

EL CENTRO, Cal., July 7.—Miss Louise Watkins and Luther Fagan, the two principal actors in a series of events in Oregon that led to Fagan's death at the hands of a posse, were both employed at the Imperial County hospital here in 1919. Miss Watkins was nurse. Fagan an ambulance driver. His conduct toward the girl here resulted in his being jailed.

Superintendent Adams of the hospital said today Fagan first met Miss Watkins at the hospital. The man asked Miss Watkins to accompany him to social events and the second time she did so is said to have complained on her return of his actions. The superintendent investigated and discharged Fagan.

After the discharge Fagan remained in El Centro and annoyed Miss Watkins until he was finally sentenced to the Imperial County jail on a misdemeanor charge. Jail records indicate that he served a term of about three months and then disappeared. Miss Watkins left here about the time Fagan was released.

SALEM TO GET PHONE HEARING

Service Commission Announces That Case Will Be Conducted Here

CONVENIENCE IS REASON

Future Policy May Be To Have More Big Conferences at Capital

The rehearing of the Pacific Telephone & Telegraph company's rate case at 10:30 a. m. July 18, will be held in the house of representatives in Salem, it was announced by the public service commission yesterday. The date of the hearing was set about two weeks ago.

"The commission has had a number of requests to hold the rehearing at the state capital, and after deliberation believes that it is reasonable that the Willamette valley farming and business interests, of which Salem is the territorial center, be accorded the same privilege and courtesy that Portland has received in the past," said W. P. Ellis, secretary

of the commission in commenting on the commission's decision.

Farmer Lines Here
There are more farmer lines connected with Salem, Eugene, Corvallis and Albany exchange than in any other locality in the state and full opportunity will therefore be accorded these interests to be present, Mr. Ellis pointed out.

"The voluminous records of the commission pertaining to this case are at its principal office at the state house," Mr. Ellis explained, "and the matter can be handled at Salem, not only efficiently and expeditiously, but with far less expense to the state than elsewhere."

More Hearings in Salem

While the commission has not definitely determined to hold major hearings in Salem hereafter, unquestionably a greater number of them will be set at the capital than heretofore, especially those affecting the state as a whole, principally for the reason that the volume of work now before the commission requires a greater conservation of time by both the commissioners and their experts than ever before.

Good Start Made by New Realtors' Office

Members of the Marion County Realtors' association held their monthly luncheon and business meeting at the Marion hotel yesterday at noon. In the absence of scheduled speakers the members launched a general discussion of local real estate problems. That the newly organized central office of the association is making a good start was shown by the report of Mrs. Ora McIn-

tyre, secretary of the association, who reported listings from members of the association although the office a few days ago.

The realtors decided to postpone until the next meeting, action in regard to the appointment of a representative whose mission will be to meet tourist parties of various Oregon scenic resorts for the purpose of creating interest in the Willamette valley.
