# CITY NEWS IN BRIEF

James Cody Evans, who was partment and transportation, arrested Thursday night pending investigation of charges against him at Deer Island and here, was released yesterday when it was found that the warrant for his arrest for the charge in Deer Island had been canceled and that the charges here would not be urged. Evans was originally wanted here to answer charge of taking a motorcycle belonging to Harry Scott outside of the county. The motorcycle was returned to Schott, however. and the dealer said that he had no wish to prosecute, the return of the motorcycle being all that he asked.

A C Barber, State Marshall Compiles Report For Towns of State

Four hundred forty-two thousand, two hurdred dollars was the total loss by fire in the state, exclusive of Portland, during the menth of June, according to a report compile a today by A. C. Barber, state fire marshal.

The \$175,000 box plant blaze at Astoria proved the greatest loss among the 28 conflagrations ment'oned in the report, and the fire which lapped up the grain and t warehouse at Myrick sta-Umatilla county costing wheat warehouse at Myrick sta-\$150,000, came second. The \$30. 000 fire which broke out in a Klamath county lumber mill, is nist ed third.

The largest number of fires re ported originated from unknown ources. There were 14 of these two started from burning brush. one from an overheated bearing. one from matches, one from a grass fire, one from spontaneous combustion, one from sparks and one had an incendiary origin.

Thirteen of the fires occurred in dwellings, according to the report. Five of the blazes were in lumber mills or in lumber, one was in a warehouse, one was in a chicken house, one was in an an automobile, two were in barns,

Letter is Written by Chairman Williams to Inspectof J. W. Church

Tracks No. 23 and 24, in the new Albina railroad yards, in tracks" of the Oregon Washington Railroad & Navigation comchief inspector of the grain inspection department of the public service commission, made public by Fred A. Williams of the publie service commission yesterday

The first conference, relating to "hold tracks", the letter point ed out, was held by the commission in the party part of 1920 but, coving to the unsettled status of the Portland union termin d situation, the "held track" program has be a delayed send ing formulation of plans for the interrelation and completion of a fixed location for the union was senger and freight terminal in Pportland

"The Portland market with increased facilities for the handling of grain, both as to export and manufacture, has, with its natural shipping advantages, so expanded that very careful investigation was necessary before fixing upon the several 'hold

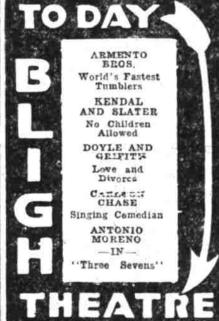

tracks'." Mr. Williams stated. mind the convenience of the hipper, the buyer, the exporter. as well as the grain inspection livered by Walter H. Nugent, pas- department, so as not to retard the movement of the grain. We feel certain that the tracks named will answer the composite purpos-William Moll Case of Eugene, and es of all interests." As soon as some of the minor details are completed the commission will E. Kirkpatrick will lead the open issue its final order, Mr. Williams

Although the grain inspection department of the commission has doubled in the past two years. Mr. Williams says he expects a far greater percentage of increase n volumes when the grain, especially wheat, begins to move under the Columbia rate case schedule.
