

PORTLAND WINS FRUIT MEETING

Three-Day Conference First of Western Marketing Conferences

NOTABLES WILL SPEAK

C. I. Lewis of Salem Slated For Address on Subject Of Advertising

The first meeting of the Western Fruit Marketing conference will be held in Portland, July 1, 12, and 13 at the rooms of the Chamber of Commerce. There was keen competition for the convention among cities of the north-west and it is felt that Oregon is fortunate in securing the first meeting of the conference, which is being sponsored by the State Farm Bureau of Oregon, Washington, Idaho, Montana, Utah and California.

Better Markets Aim
The purpose of the meeting is to secure better marketing methods and facilities and all phases of storage, transportation and distribution will be discussed by speakers from all parts of the west, many of whom are of national reputation in their lines.

It is hoped that there will be a large attendance of growers and others interested in fruit marketing and all who can do so are being urged to be present at the conference.

The program will be as follows:
Monday, July 11.

10:00 a. m.—Address of welcome, mayor of Portland.

10:15 a. m.—Response to welcome and statement of purpose of the conference. W. B. Armstrong, president Washington Farm Bureau federation, Yakima, Wash.

Election of permanent chairman and secretary.

11:00 a. m.—"Fundamental Principles of Fruit Marketing"—Dr. Hector McPherson, director office of farm market, Corvallis, Ore.

1:30 p. m.—"National Problems of Fruit Marketing." Dwight L. Woodruff, manager Wenatchee District Co-operative association, Wenatchee, Wash.

1:30 p. m.—"Developing and Maintaining a Stable Market," by (a) study of markets and market reports; (b) elimination of congestion; (c) control of car diversions.—Dr. W. H. Walker, president California Farm Bureau Federation, Wilkes, Cal.

2:30 p. m.—"Is it Timely and Practical for Western Fruit Growers to Pool Their Purchases?"—Dr. W. H. Walker.

Tuesday, July 12
10:00 a. m.—"History and Evils of the Present Fruit Market-

ing Systems"—Charles E. Baggett, field manager North American Fruit Exchange.
1:30 p. m.—"Methods of disseminating information among the growers."—Information of the Principles of Proper Marketing Systems"—W. A. Swager, president Idaho Farm Bureau Federation, Lewiston, Ida.
2:00 p. m.—"Increasing Efficiency of Distributing Agencies"—C. H. Swigart, manager Yakima Fruit Growers' association, Yakima, Wash.
3:00 p. m.—"Amalgamation of Existing Co-operative Marketing Associations and Organization of Additional Units"—George A. Mansfield, president Oregon Farm Bureau Federation, Medford, Ore.

4:00 u. m.—"Financing the Grower, and Acceptance of Fruit Paper by Local and Federal Reserve Banks"—F. A. Duncan, president Yakima National bank, Yakima, Wash.

Wednesday, July 13
10:00 a. m.—"Advertising"—Prof. C. I. Lewis, assistant general manager Oregon Growers' Co-operative association, Salem, Ore.

11:00 a. m.—"Elimination of Wastes in Assembling and Warehousing Fruit at Shipping Point"—Ed. Pierce, manager Spokane Valley Growers' union, Opportunity, Wash.

1:30 p. m.—"Refrigeration"—R. R. Pailthrop, United States Specialist in fruit storage and railway, Spokane, Wash.

2:30 p. m.—"Storage at Points of Origin and Destination"—F. W. Graham, assistant general agricultural development agent, Great Northern railroad, Seattle, Wash.

3:00 p. m.—"Water Transportation"—C. Devere Fairchild, secretary deciduous bureau Pacific Coast Producers' association, Yakima, Wash.

Lakeview Wants Water For Domestic Supply

The town of Lakeview, over in Lake county, needs water for its domestic use. In its application for permit to appropriate it, filed with Percy A. Copper, state engineer, it asks that it be allowed to take water from three springs and from Burnt creek.

Other applications filed were: By the Portland Railway, Light & Power company, of Portland, covering the appropriation of 100,000 acre feet from the main fork of Clackamas river, for the development of 58,600 horsepower in Clackamas county, at a cost of approximately \$2,000,000.

By R. Gardiner of Echo, covering the appropriation of water from Gardiner spring and pond, for irrigation of 60 acres in Umatilla county.

By J. T. Folker of Union, covering the appropriation of water from Catherine creek for irrigation of a small tract in Union county.

By M. A. Zellar of Hood River, covering the appropriation of water from unnamed springs for irrigation of a 10-acre tract in Hood River county.

By Joseph Mosthaf-of Riddle, covering the appropriation of water from Mitchel creek, for irrigation of a five-acre tract, and to domestic water supply in Douglas county.

By Harry Sordy of Galice, covering the appropriation of water from Friday springs, for irrigation and domestic water supply in Josephine county.

By R. L. Owen of Takilma, covering the appropriation of water from Long Gulch creek for irrigation of 20 acres in Josephine county.

By W. H. Condit of Grants Pass, covering the appropriation of water from Soldier creek, for irrigation of 20 acres in Josephine county.

By T. C. Dearinger and Daisy E. Dearinger, of Hereford, covering the appropriation of water from seepage from the Big Flat ditch and north fork of Burnt river, for supplemental supply for irrigating 40 acres in Baker county.

Waseda Defeated Again By Washington's Team

SEATTLE, July 8.—It was an off-day in the field for Waseda university of Japan and the University of Washington's nine, hitting two Japanese pitchers hard, won today the fourth game of the series, 10 to 2. The visitors got 10 hits, but Leonard kept them scattered, and Washington made two errors against Waseda's five. Washington stands in the series 3 to 1.

SINGLE G IS EASY WINNER

Pacer Makes Fastest Time Of Year in Grand Circuit Races Yesterday

STRAIGHT HEATS TAKEN

Black Burns Captures Second Division in 2:20 Class Pacing Event

NORTH RANDALL, CLEVELAND, Ohio, July 8.—Pacing the fastest time of the year, Single G, owned by W. B. Barefitt, Cambridge City, Ind., defeated one of the most formidable fields of pacers in training today in the free-for-all pace sweepstakes, the feature of the Getaway Grand Circuit card at North Randall. His victory came in straight heats.

Ed Allen took the veteran out in front early in each mile and he never was headed. He paced the first mile in 2:01 1/2, and the second in 2:02, winning easily. The last quarter of the final heat was paced in 29 seconds.

Annals Not Pushed.
Had Single G been pushed there is little doubt but that his time would have been faster. The time for the two miles not only is the fastest paced, but also

beats that of the trotters for the season.

Hal Malone furnished the only competition, but he was not good enough to worry Single G, an odds-on favorite. Whenever Hal Malone got close to Single G, Allen let out a wrap and Single G was equal to the emergency.

Single G sold for \$200 in a \$250 auction pool. Peter Beller was the only other favorite to win.

Black Burns took the second division of the 2:20 class pace in straight heats. Donzo captured second money by virtue of his victory in the third, after Black Burns had been ruled out. Governor Burbin, Jr., was raced under protest pending establishment of his identity. He finished third in the first mile, second in the next, and seventh in the final, after setting the pace to the stretch.

Only three of the original field of eight which started in the 2:20 trot raced in the third heat. The event went to Peter Beller, who changed hands several days ago for \$2,000, because of withdrawal and others being distanced earlier. Wiggins, Worthy, Just Tramp and Sadie Silver were the only starters in the final heat.

For the first time since Union Trotting association rules governed harness horse racing in this circuit, all of today's winners came in straight heats.

Lord Bushby, winner of the 2:14 class race, which brought the meeting to a close, was the fourth of the day to capture his event in straight heats.

Practically all of the stables leave tonight or tomorrow for Toledo.

Best time: 2:20 pacing, second division, 2:06 1/2; 2:20 trotting, 2:07 1/2; free-for-all, pacing, 2:01 1/2; 2:14 pacing, 2:03 1/2.

JAPANESE ARE NOT TRUSTED

Chinese Regard With Suspicion Suggestions on Shantung Question

PART LOSSES RECALLED

Internationalization of Port Of Tsingtau Would Have Approval

PEKING, July 8.—The Chinese people regard with suspicion Japanese suggestion that China and Japan enter into negotiations regarding the Shantung question, realizing that in the past China always has lost either territory or prestige as the result of negotiations over international controversies, and they further believe that in this instance there is no occasion for negotiations, according to Dr. W. W. Yen, China's minister of foreign relations, in a statement made to The Associated Press.

Frank Statement Demanded.
"If Japan intends to restore the German leased territory in Shantung and the inalienable rights and privileges formerly enjoyed by Germany, without conditions, Japan should announce that fact to the world in unequivocal terms,"

he said. "If she proposes to make conditions for such restitution she should likewise frankly announce those terms for all nations to pronounce judgment upon them."

Furthermore China does not wish to jeopardize her right to carry the Shantung question to the League of Nations by entering into direct negotiations. China does not propose to permit Japan to cite such negotiations in support of possible opposition to submission of the question to that body.

America Considered.
"China also would be lacking in proper consideration for the nations which have interested themselves in the Shantung settlement should she undertake to negotiate directly. This is particularly true with reference to the senate and people of the United States who have evinced a friendly desire to see China's interests safeguarded."

Internationalization of the port of Tsingtau would meet with approval of China. It is in line with China's declared policy and action in favoring open various ports to international trade, and it is realized that it would be greatly to China's interest; but the initiative in this direction lies with China and not with Japan."

Future Held Hopeful.
Dr. Yen sees a hopeful future for China regardless of present financial difficulties.

"The welfare of the country," he said, "rests upon the thrift and stability of the people, and the people are making perceptible advancement economically. They are better educated, live better, think more correctly and are more thrifty than ever before."

"The reasons for this advancement of Tsingtau would meet with more advanced nations, the press and the railways, and the influence of thousands of students and

others, not omitting the coolies who went to France, who have returned with new and more progressive ideas."

Three Fatal Accidents Reported to Commission

Three fatalities were among the 277 accidents reported to the state industrial accident commission during the week ending July 7, according to the commission's report made public yesterday.

The three men who lost their lives were E. D. Ose, a logger of Dallas; William Hauser, a laborer of Klamath Falls, and Eugene Peterson of Manistique, Mich., occupation unknown.

Of the total number reported, 236 were subject to the provisions of the compensation act, 40 were from firms and corporations that have rejected the provisions of the compensation act, and 31 were from public utility corporations not subject to the compensation act. One of the men, Eugene Peterson, was killed when struck by a train.

Benton County Ordered To Maintain Crossing
Benton county is granted authority to construct, install and maintain a crossing over the Southern Pacific railroad tracks at railroad mile post No. 692.6, in an order made public by the public service commission yesterday.

Fred A. Williams represented the commission at the hearing, and County Judge J. O. Wilson and Commissioners Scott W. Richard and R. C. von Lehi appeared for Benton county.
