WASHINGTON, Aug. 4 .- Another farmers' relief measure, the administration plan for government aid in supplying credit for exportation of agricultural prod-ucts, was passed by the senate today and sent to the house.

The bill was a substitute for the original Norris bill and provides for the war finance corporation to furnish export credits. The bill was in charge of Senator Mc-Nary. Republican, Oregon, for the agriculture committee and was passed without roll call. Bill Passed Intact

The substitute was drafted by Secretary Hoover and Director Meyer of the war finance corpor It was adopted virtually ation. intact, the bill authorizing the war finance corporation to make loans to agriculturalists' associations, banks and trust companies. The bill makes no change in the corporation's cash capital \$500,000 but reduces from three to two billion dolla's the author-

Western Riders Rejected

Through loans to banks on agricultural collateral, it is expected that the bill's influence will be mostly felt by expansion of credit available to farmers.

The senate rejected riders o western senators to extend privileges of the federal farm load system to entrymen on government reclargation projects. Assurances for future action in a separate bill, however, were giv-
