Information to Contestants

When you are soliciting subscriptions, don't ring the bell and ask the lady if she wants to take the paper. The better way is to first ask her if she wants to help you "Get a Bicycle Free." Have a copy of the paper with you and show her a picture of THE HARLEY SPECIAL. Tell her that it is a \$65 Bicycle and one of the best manufactured in the world. This will interest her and if she is not already a subscriber she will probably sign up for a subscription.

Don't wait until your entire book is filled. Send in your subscriptions as fast as you secure them so that we can verify them promptly and start delivering the paper. Bear in mind that you only have to get (30) subscriptions and we will deliver the bicycle to you at once.

Cash Option Schedule

A contestant who does not secure enough subscriptions to win a bicycle will be paid for the subscriptions secured on the following commission basis:

Number	Commission
1 to 5 subscriptions.....	25 cents for each subscription
5 to 10 subscriptions.....	50 cents for each subscription
10 to 15 subscriptions.....	65 cents for each subscription
15 to 25 subscriptions.....	75 cents for each subscription
25 to 29 subscriptions.....	\$1.00 for each subscription

If a contestant secures a total of 30 subscriptions and prefers the cash to the bicycle, we will award that contestant \$40.00 cash in instead of the bicycle.
