# DARKEN HAIR APPLY SAGE TEA

ook Young! Bring Backs Its Natural Color, Gloss and Attractiveness

Common garden sage brewed nto a heavy tea, with sulphur added, will turn gray, streaked or faded hair beautifully dark and uxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is is the old-time recipe improved by

the addition of other ingredients. While wispy, gray or faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Salphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two your hair becomes beautifully dark, glossy, soft and lux-
