Spaulding-Miami Logging company is of interest from the fact that shopments of logs will be made to the Spaulding mills at Newberg and Salem. The company owns its own railroad of nine miles to connect with the Southern Pacific at Willamina.

The large holding also assures for years to come a supply of logs for the Oregon Puly & Paper company's mill at Salem, when the local supply shall have become exhausted.

Private Holdings Heavy In addition to the 30,000 acres of heavy timber purchased by the Spaulding-Miami Lumber comamount of private holdings in the country in shipping.

BRENNAN WINNER

ATLANTA, Ga., Sept. 5 .- Bill Brennan of Chicago, knocked out "Digger" Brown of Australia in the first round of a scheduled 19round heavyweight hout tonight. The men sparred about a minute smash to the jaw.

Gratitude is the virtue of beau-

ry Olmstead of Starting

ganization Is Lambasted By Operator

WASHINGTON, Sept. 5 .- United Mine Workers officials are charged with responsibility "for the invasion of Logan county and proposed invasion of Mingo counment issued tonight by Harry Oimstead, chairman of the operators' association of the William-

Mine guards and private detectives are not employed by operators in the Williamson field, Mr. Oimstead said, adding that Gompers had 'deliberately misrepresented conditions." The charge of Mr. Gompers that the uprising had been caused by the fallure of the operators to put into effect the award of the gov-BOOMING, SAYS HOLT ernment wage board was characterized as "another falsehood." No Objection, Claim

The mine operators were under no obligation to do so," the statement said, "they having no connection with the coal fields covered by that award.

"Nevertheless, the increases al lowed by the United States government were adopted in this field promptly after the amount of increase had been fixed. It never before been alleged that the strike was due to wage adjustments or any causes other than to compel recognition of the United Mine Workers' organization.

"Coal is measured rather than weighed in this field. The men have never asked to have the system changed. Outlaws Blamed

"Mr. Gompers makes himself ridiculous to West Virginians McMinnville Club Calls when he makes his plea about the ness, insofar, at least as he refers to the United Mine Workers. The miners are generally law abiding. Every disorder that has occurred in the mining fields of West Virginia has been occasioned by the hugs and outlaws of the United Mine Workers' organization who came to compel unionization of these fields."

"The invasion of Logan county and the threatened invasion of Mingo county was threatened by the United Mine Workers' organization in the Williamson field as early as April and May, 1920.

Officers Not Needed "In the counties of Logan and Mingo, West Virginia, and Pike county, Kentucky, having an aggregate area of 1,633 square miles, there were not employed as many of 100 peace officers prior to the invasion by the organization of the United Mine

"They were not needed. "Not any of these peace officers were Baldwin-Felts employes but included only regularly chosen deputy sheriffs and constables and other officials.

Coercive Methods Hit. "When the United Mine Workers of America was formed in 1890, it was recognized as a lawful organization and continued as such until 1898, when they entered into a conspiracy with the central competitive field to control the bituminous coal market of the United States.

"Since 1912, it has been policy of the United Mine Workers to compel, by the use of force in every conceivable way, all persons engaged in the mining industry, to join the union and it has likewise been its policy to destroy all business of nonunion operators, the end of which would mean subjection of the coal industry of he United States to such unjust poked one of "Kewpie" Clow's and unlawful demands as it might desire to put into force."

BALLIET HELD FOR SHERIFF STARMER

Man Who Claims To Be Motion Picture Star In Custody of Officers

Balliet, self-styled Lasky motion picture performer and acquaintance of Douglas Fairbanks, came to grief yesterday when his collection of bank checks and his "protectograph" came into the possession of Deputy Sheriff Lee Morelock. It might be added that Balliet himself, accompanied his bad paper producing outfit, and is being held in the county jall awaiting the arrival of Sheriff White Robin Appears At Starmer of Roseburg.

Balliet who claims that he had passed only one bad check in Roseburg, had told Salem friends hat he was expecting to receive \$400 which he claimed was in a Portland bank. Despite this ffnancial security Balliet had bor-

arrested by Deputy Sheriff More-lock, the prisoner expressed sur-prise at being apprehended, Sheriff Bower's office is making efforts to ascertain whether Balliet had circulated any forged checks upon Salem merchants.

The check protective device found in Balliet's possession is one of the most reliable makes. chine was purchased by him several weeks ago.

Reissbeck Makes Another Get-away From Officers

hold good throughout the state.

Where does Oliver Reissbeck go when he makes his escape from Salem officers? This is the question local residents are asking in connection with Reissbeck's second get-away from Salem cops within a period of two weeks time.

Saturday night the police received information that Oliver, whose name several times during

the past years has graced the local blotter, was creating a disturbance at a local confectionery. Officer White responded to the call and took Reissbeck into custody. While on the way to the police station, the prisoner man-

aged to wrench away from the pa-

trolman and quickly disappeared. Two weeks ago, Reissbeck. while intoxicated, according to complaints filed at the police station, made a hurried get-away from Officer Troy Branson. At that time Reissbeck and a companion left a half-quart bottle of lemon extract in their hurry to escape the hand of the law.

Chief of Police Moffitt has announced that he will prefer charges of disorderly conduct against Reissbeck.

SHERWOOD TEAM BEATS SHERIDAN

Visitors Draw First Blood In Sunday Clash By Shutout Score 4-0

SHERIDAN, Or., Sept. 5.— (Special to The Statesman.)— The Sherwood Tigers drew first blood in their two-game series with the Sheridan nine, by taking yesterday's clash on the local grounds by a 4-to-0 score. Mayers, hurling for the visitors, pitched a three-hit game, and this coupled with good support, earn-

ed a shut-out. Young of Sherwood scored the first and winning run, when he siants over the fence for a homer in the second inning. The Tigers pushed two more runs the scoring in the eighth with an added counter. The locals threatened in several frames, but could not connect with Young's offerings in the pinches.

"Chick" Baker, brother of Del Baker of the Portland Beavers, and also a catcher with the Salem Senators, was knocked unconscious for about 10 minutes in the first inning, when struck by a pitched ball. The game was stopped for half an hour, but Baker recovered in time to catch the last inning for Sherwood.

Sheridan, holder of the Yamhill county title for this year, J. Richard Balliet, or Jacques will make a desperate effort to retrieve the loss of yesterday. when they tangle again this afternoon with the Tigers. The score-

Importer Barely Afloat As She Approaches Port

SAN FRANCISCO, Sept. 5. The waterlogged steamer Canadian Importer, which is being towed to this port by the tug Sea Lion, has a 33 degree list, is drawing more than 40 feet of water and is in danger of capsizing, according to radio messages received by the naval wireless here

tonight. A second tug, the Sea Monarch will reach her tomorrow and is expected to place a second hawsen aboard, which it is believed will steady the disabled craft.

First information as to the cause of the mishap to the Canadian Importer became known here today. The steamer sprung aleak shortly after leaving Vancouver on August 13. Her engine room was quickly flooded, putting her radio out of commission. The ves-From Raging Forest Fires sel settled until her decks were awash, when the lumber cargo

GOMPERS BLAMES

Labor Leader Contrasts Conditions Today With Those of Years Ago

BALTIMORE, Mr., Sept. When the American people elected the present national administration they got exactly what they decided they wanted, Samuel Compers told a large crowd at a Labor day celebration here.

B"efore that election," he said, I issued a statement in which I stated the issues that were involved, so far as labor was concerned, and I said that the people would get what they voted for. They made their choice between the candidates and parties and they have got what they decided

"A year ago today there was sarcely a handful of men in this country out of employment. Now there are more than five million out of work. Who will you blame? Will you blame the shadowy in definite thing of which you know nothing, or will you hold responsible those who are in commercial, industrial and political con-

trol of our country Mr. Gompers declared that no Mr. Gompers declared that not a single bill, so far as he knew, had been introduced in the pres-ent congress for the benefit of the working people; that not a single thing had been done to protect the workers in their constitutional

Mr. Gompers charged that the commercial and industrial interests are trying to set up an industrial autocracy and in this con-nection, arraigned the United States Chamber of Commerce. He assailed the open shop move ment and the general reduction

North East West South

Supposing that, beginning tomorrow, all the newspapers are discontinued. What a furore the public would make. "News! News! We must have news or we will be no better off than the ancients." "All right, suppose we give them news but cut out the ad-

Then we would discover that politics, the doings of society, notices of fires, accidents,

deaths, scandals, sports, the activities of the police and criminals add little or nothing to the real comfort and happiness of this greatest age in the world's history. What genii are they that have crowded the last fifty years with so much of advan-

tage to humans? They are legion in num-

ber, but not least among them is Adver-

vertisements."

YAGOT WORL WITH Our day is the greatest time the world has seen because we have more to be happy with better things, greater variety, greater comforts gathered together from the North, East, West and South for our choosing and selection. Look about you. This is the day of better food, better homes, better clothing, better babies, better health, better business. And advertising is the instrument that

makes these better things possible.

Advertising is the NEWS of all the looms, of all the furnaces, of all the laboratories, of all the shops, of all the stores, of all the world and all working for you.

Because of advertising, luxuries and necessities that once cost a king's ransom are yours at little prices. Advertising pits merchant against merchant, artisan against artisan, producer against producer, for your benefit, forcing out the best there is in everything and telling the world about it.

Read advertising. Keep abreast of today. Advertising furnishes you with facts and opportunities that you would otherwise never
