THEO. KARLE
Celebrated Brunswick Artist who appears in concert at the Grand theatre next Wednesday evening, September 21st

WHY Theo Karle Has Succeeded!
First—He considers singing a business and that his business is to please the public who pay him.
Second—He is an optimist toward everyone and everything.
Third—He has made it his gospel never to utter a disparaging remark of any fellow artist, local manager or local condition.
Fourth—He sings the songs the public wants.
Fifth—He is a consistent advertiser for the purpose of helping the local club or manager who engages him.
Sixth—He has a Big Brother named Brunswick record, and when you have heard Big Brother you want to hear Karle.
Eighth—He welcomes honest, constructive criticism.
Ninth—He believes that it is a part of his contracts to keep physically fit to give the audience his best.
Tenth—He has always set a price on his services which is below their real value. He never was in the inflated price class.
Eleventh—He has a sense of appreciation and shows it.
Twelfth—BUT the most important reason why Theo Karle has succeeded is because both he and his Big Brother Brunswick Record have real voices wonderfully produced.
