Brown Makes Elaborate Preparation for Great Horse Event at Fair

PORTLAND VERY ACTIVE

Motion Pictures Made Sunday Will Be Exhibited All Over Country

H. C. Browne, a director of the state fair board, and manager of the night horse show has issued premium lists covering more than 40 classes for the four nights of the show. The list shows numerous harness events and a large increased schedule of jumping events in the hunter classes.

The state fair opens Monday, September 26; the first horse show is Tuesday night, and the show continues until Friday.

The representation of horses and riders from Portland bid fair to be greater than at any previous Salem show. The Portland Hunt club will be fully represented. Many of the Hunt club riders are schooling their horses at the club's Garden Home grounds, not only for the Salem meet but for the big international livestock exposition's horse show which comes early in November. Many new jumping events have been added on the programs at both shows, and riders are practicing with a view of accommodating their horses to the intricacies thereof.

Films Are Made

Sunday a local moving picture concern took action pictures at the Hunt club grounds, which will not only be shown at several local theaters but also in many hundreds of others throughout the country. All of the club's hunters and jumpers will be on hand to make a creditable display, as it will not only help the horse show publicity, but will be a great advertisement for Portland and the northwest.

The success of the Portland contingent at the Vancouver horse show encourages local enthusiasts to believe that they will more than hold their own this fall in competition with the best horses that will be shown.

Portland Hunt club maintained its organization and fairly held its own through all the dark years of apparent decline of equestrianism, and now that the saddle horse is again coming into his

Jackson County Makes Report to Mr. Churchill

J. A. Churchill, state superintendent of schools, has received a report from the Jackson county superintendent showing that during the school year of 1920-1921 the average monthly salary of men teachers was \$211 and of women teachers \$125 in that county. County Superintendent Susanne W. Holmes reports an increase of 45 pupils over the previous year.

Enrollment in the elementary grades was 2013 boys and 1914 girls, a total of 3827. Enrollment in the high schools was 429 boys and 510 girls, a total of 939.

Women Who Defy Time

The women who keep their health are the women who hold their youthful looks, robust health, clear skin, firm muscles and clear complexion, which with the aid of Lyko, give a woman victory over the years.

LYKO

The Great General Tonic makes a woman the picture of health by keeping the bodily functions in normal working condition.

It regulates the bowels, aids in the removal of a residual constipation, aids digestion, stimulates the appetite and puts the body in general in good working order. When one is well he or she is bound to feel and look young no matter what their years.

Absolutely Pure

Lyko contains only pure beneficial drugs, combined in just the right proportions to give the most satisfactory results. When one's condition requires the use of a laxative tonic it is surprising how rapid the system responds to this tried remedy.

Ask Your Druggist

Lyko is sold only in the original package. Each bottle is sealed as to its tamper-proof value before leaving the laboratory. See the bottle today and see how easy your condition improves and how soon you will look more like the picture of health.

SILVERTON PERSONALS AND BRIEFS

SILVERTON, Or., Sept. 19.—(Special to The Statesman.)—Oliver Holman was fined \$12.50 in the local court of justice Saturday afternoon for careless driving. It is reported that he was driving down Liberty hill at a speed exceeding the limit and that he narrowly missed hitting Grover Yates, who was cleaning the street at the foot of the hill.

Alfred Jensen, Arthur Madsen and Alvin Madsen returned yesterday morning from a deer hunt in southern Oregon. They went out from Riddle. They had shot two deer.

Mr. and Mrs. Richard Hansen have returned to Silvertown and will again make their home here if they can find a suitable place to live in, which is rather difficult at present. For the past two years Mr. and Mrs. Hansen have been making their home elsewhere, mostly in California. Mr. Hansen has been making his home at Portland during the summer months, while Mrs. Hansen has been visiting friends and relatives in eastern states.

Mr. and Mrs. Olaf Ormbeck entertained at a dinner at their home on Norway avenue yesterday. Those present were Mr. and Mrs. Theodore Johnson, Mr. and Mrs. O. J. Moe, Mr. and Mrs. Hans Hansen, Miss Mabel Joanson, Miss Ruth Ormbeck, Oscar Johnson, Miss Valborg Ormbeck, Einar Ormbeck and Theodore Ormbeck.

Mr. and Mrs. Walter Larson and family motored to Walsey yesterday.

Miss Clover Miller of San Francisco has been spending a few days visiting friends at Silvertown. Miss Miller was formerly principal of the grade school here. She has returned to California while at Silvertown she was a guest at H. M. Simms and the A. J. Richardson homes. Miss Ada Darby, also a former Silvertown grade teacher, was a guest at the home of Mrs. Simms and Miss Rosella Richardson during the week-end. Miss Darby is now teaching at Roseburg.

The Women's Social Science club was entertained at the home of Mrs. H. M. Simms Saturday afternoon. The program opened with an address of welcome to the new members by the president, Mrs. Simms. The chief topic of discussion was that of trying to arouse interest in a Silvertown community house. This is badly needed here, as Silvertown has not even a public library.

The discussion of a community house will be continued at the next club meeting. The club holds its meetings on the second and fourth Saturday afternoons of the month. Mrs. R. E. Kleinsorge, who poured at the club tea Saturday afternoon, was assisted by Mrs. T. P. Risteisen, Mrs. P. A. Loar and Mrs. Percy Brown.

Independence Schools To Open Next Monday

INDEPENDENCE, Or., Sept. 19.—(Special to The Statesman.)—The Independence public schools will open for this year's work Monday, September 26. The high school, with the exception of Prof. O. D. Byers, will constitute a new staff of instructors. The board was careful in selecting teachers and it is expected that good results will be accomplished.

There is an increase of one teacher over last year, the new teachers being Thomas K. Vannice of Corvallis, Miss Lyle M. Yexley of Oregon City, Miss Ruth Straw of Silvertown and Bernard Morse of Salem.

The graded school, operated as a training institution under the supervision of Oregon state normal school with Miss Katherine Arbuthnot as supervisor, will have but one change in critic teachers. Miss Burroughs will have the first and second grades; Miss DeVore, third and fourth; Miss Houx, fifth and sixth, and Miss Arbuthnot, seventh and eighth. Miss Burroughs succeeds Miss McChesney. Everything is in readiness for the opening of the American and an increase in pupils over last year is anticipated as every residence in the city is occupied.

RATE IS ASKED FOR LEGIONERS

Public Service Commission Thinks Oregon Should be Accorded Fare

A telegram was yesterday dispatched by the public service commission to G. J. Maguire, agent of the Western Passenger association, at Chicago, requesting that a more generous application be given to the special passenger rate of one cent a mile for American legion members attending the national convention of the legion at Kansas City, October 31 to November 2.

The association has ruled that the rate shall apply only within a radius of 600 miles from Kansas City. The telegram is sent on behalf of all legion posts in Oregon and asks that the rate apply to all lines in this state.

"We understand," adds the telegram, "that similar privileges have heretofore been granted to the grand army for many years past."

Plaintiffs in Tax Case Upheld by Judge Belt

DALLAS, Ore., Sept. 19.—(Special to The Statesman.)—Circuit Judge H. H. Belt Saturday made the following decision in the case of U. S. Grant et al. vs. the county of Polk in the matter of the refunding of some \$13 of taxes paid

by the plaintiff on the 1920 assessment and which was afterwards found out that the county court had drawn the 6 per cent tax limitation some \$10,000. The case was heard by Judge Belt on Saturday, September 10 and at that time he took the matter under advisement.

"In view of the admission of counsel for the defendant that the payment of taxes by plaintiffs to defendant was involuntary and that the same was in excess of the 6 per cent limitation as provided in section 11, article 11 of the constitution of Oregon, there remains only for the court to say that the plaintiffs are entitled to judgment against the county of Polk for the amount of such excessive taxes paid as alleged in their complaint."

Habeas Corpus Writ to Be Asked for Obenchain

LOS ANGELES, Sept. 19.—Attorneys for Mrs. Madalynne Obenchain, held for the alleged murder of J. Belton Kennedy, local broker announced tonight that application for a writ of habeas corpus in an effort to obtain her release on bail will be filed tomorrow before the district court of appeals.

McMinnville to Celebrate In Honor of Legion Boys

The city of McMinnville is going strong for the American legion, according to Barney O. Garret, manager of the McMinnville Commercial club.

Mr. Garret was in the city over Sunday. He says that the city is doing everything possible to make the three days, beginning September 22, as days worth while for the American legion, when everybody in Yamhill county and surrounding sections is supposed to come to McMinnville and celebrate.

Mr. Garret also says that McMinnville has just organized an association of real estate men and that the Rotary club is preparing for great things this winter.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts if your Back hurts or Bladder troubles you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain get sluggish and fail to filter the waste and the poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy. Take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent alkali-water drink which every one should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.
