ATTACKED.

The British have been accused of imperialistic designs in Palestine, at the Zionists' Convention in Carlsbad. When a telegram of greetings was read from Sir Herbert Samuel, British Commissioner in Palestine, the minority in the congress attacked him for not defending Palestine sufficiently against Arabs, saying he was there as the representative of British imperialism. The picture shows Sir Herbert Samuel.

Republic of Uruguay
5% External Gold Bonds of 1919
at $61 and interest per bond

At the price per bond of $61 and interest these bonds give you a day-to-day return of almost 8%—7.97% to be exact—and in addition a profit of $36.20 when the bond is paid at its maturity value of $97.20 in U. S. gold coin.

Although expressed in the British pound sterling, these securities are payable, principal and interest, in U.S. gold coin in New York City at the fixed rate of $4.86 American gold to the pound. Consequently, uncontrollable fluctuations in currency of other countries do not affect the maturing value of principal or interest.
