a day in the making of paper? More than all the rest of Salem uses in the winter season. All the traffic officials on all corners were needed yesterday. Salem should have at least on more night policeman. He should be at the police station, equipped with a motorcycle, ready upon instant telephone call at any time. In some way or other, the money should be provided for the motorcycle and the man.

State Fund Status Told By Van Winkle's Opinion

An inquiry by the state superintendent of banks on the question of whether funds deposited by the state treasurer in a bank that has become insolvent will constitute a preferred claim against the insolvent bank, and if so, if a surety which paid the claim to the state treasurer will be subrogated to the priority right of the state, has been answered by Attorney General Van Winkle for Frank C. Bramwell, state superintendent of banks. The attorney general holds that if the state was entitled to priority on its claim, that right became divested upon the taking possession of the assets of the bank by the superintendent of banks. Also, it is held that in such proceedings the superintendent of banks represents primarily the creditors, and his position is analogous to that of a trustee in a bankruptcy proceeding, and consequently the claim of the state or the claim of the surety by subrogation does not constitute a preferred claim against the insolvent bank.

SILVERTON PERSONALS AND BRIEFS

SILVERTON, Or., Sept. 28.—(Special to The Statesman)—The harvesting of prunes in the Silverton district is being completed this week. Several of the prune growers finished the picking of their crop last week but a few had small pickings left over for this week. The prune harvest is reported as being somewhat better than the first of the season indicated. Miss Maurine Moores was employed in the Wolford store for a few days this week. Mrs. Nellie Robinson is at the Steehammer drug store for a short time. Mrs. Robinson was formerly a pharmacist student at Oregon Agricultural college. The Methodist church of Silverton is planning on a large district Sunday school convention to be held at the Methodist Episcopal church on Sunday, October 16. Several prominent speakers have been secured for the occasion. A basket dinner will be featured during the noon hour. E. W. Ross, W. E. Hadley and Fred Hadley were recently at Portland making final profits on their homesteads before the United States land office. W. E. Parrish, Rudd Genson and T. O. Volkmore are new owners of motor cars. The Women's Social Science

himself out in a 2:00 3/4 first mile heat. Hal Mahone made a new record for himself when he paced in 2:01 flat to win the second heat. Jane the Great was an easy victor in the 2:06 trot, it being her seventh win out of the last eight starts. Peter Manning in an effort to lower the track record of 1:59 1/4 made by him last week, trotted the mile in 1:59 flat. open golf championship and playing-through defender of the Professional Golfers' association championship was the first real upset of the tournament. He was defeated by Gene Sarazen, Titusville, Pa., 8 and 7. Sarazen played perfect golf while Hutchison was off his usual form. Jim Barnes of Pelham, N. Y., national open champion, and Walter Hagen western open champion, won their matches. In the matches tomorrow Barnes will play Fred McLeod of Washington; Hagen will oppose John Golden of Toledo; Sarazen will meet Cyril Walker of Englewood, N. J., and George McLean of Bronxville, will play Emmet French, Youngstown.

END OF THE SALEM SLOGAN CAMPAIGN

The matter in this issue devoted to the Salem paper mill ends the Salem Slogan campaign which has been carried on by The Statesman for two years. This campaign has been conducted for the purpose of showing to our own people the outstanding advantages and resources and possibilities of our own section and our own city. And for the purpose of showing the same things to as large a number as possible of people in other sections, with a view to inducing immigration of the right kind. It has been a wonderful showing. This campaign has proved to the satisfaction of all who have followed its course that Salem and the Salem district have more city building and country developing natural resources than any city of this size or country tributary thereto in the entire world. No other city has such possibilities of Gibraltar growth. The fact that we have so many agricultural, horticultural and live stock resources that amount to a franchise for this section has proven a revelation to all of us. We did not know that our climate and our soils combine to produce so many things here successfully that cannot be produced at all or to advantage elsewhere; or that we can produce so many other things with greater success here than they can be produced in other sections. We did not know what a great country we have. The knowledge concerning these facts cannot be too generally disseminated among our own people. To the end that they may follow the lines of least resistance; that they may grow and raise and do the things that will make for the greatest profit for individuals and for the community as a whole. And we need industrious and ingenious new people to come and help develop our most important and profitable basic resources.

SILVERTON LOSES ITS POPULATION

Nearly Everyone Shuts Up Shop to Attend State Fair On Salem Day. SILVERTON, Or., Sept. 28.—(Special to The Statesman)—Silverton was a very quiet place today after 9 o'clock. Many of the stores and other places had business closed this morning and remained open until 9 o'clock after which everyone left for the state fair. Everywhere at the fair grounds the orange and black Silverton tags were in evidence. It is estimated that well over a thousand Silverton business men and farmers visited the fair during the day. Many who could not go during the day went tonight. Tomorrow will also see the fair grounds well represented by Silverton folk as a great many are planning on spending both days there. "School Days, School Days" Do you remember the old song about school days being golden rule days? It is wrong to send a coughing, sneezing child to school to spread disease germs among other little ones. Common colds are infectious. Protect your own and other little ones with Foley's Honey and Tar. This safe family remedy checks coughs and colds, loosens phlegm and mucous and coats raw, irritating membranes with a healing, soothing medicine. Sold everywhere.—Adv.

who made use of the machines unless disabled. The cheering started with the approach of the Old Guard at the head of the column. These veterans marched with equipment and rifles, keeping orderly files. The Purdue university band followed the Old guard and swung into place. Then came the veterans in six divisions: Illinois, Pennsylvania, Wisconsin and Ohio comprised the first division; Massachusetts, New Jersey, Maine, California, Nebraska, Connecticut, Nevada, New Hampshire and Rhode Island the second; the Potomac, Virginia, Vermont, North Carolina, Maryland, Nebraska, Michigan, Iowa, Colorado, Wyoming, Kansas and Delaware the third; Minnesota, Missouri, Oregon, Kentucky, West Virginia, South Dakota, Washington, Alaska, Arkansas, New Mexico, Utah, Tennessee, Louisiana, Mississippi, Florida, Montana, Texas, Idaho, Arizona, Georgia, South Carolina, North Dakota, Oklahoma and Indiana the fourth. The fifth division was composed of Spanish, American and World war veterans and in the sixth division were disabled veterans in automobiles. Preceding the parade the G. A. R. delegates passed a resolution condemning the Ku Klux Klan. The Sons of Veterans passed a similar resolution. "Whatever may be its purpose," said the G. A. R. resolution, "we believe its methods are un-American and that its existence is a standing menace to constituted government and to the open and impartial administration of the law." Des Moines, Ia., and Milwaukee are seeking the meeting for next year.

SEASON RECORDS SET AT COLUMBUS

Greyworthy Captures Buck-eye Stake for \$3,000 in 2:12 Trot Event. COLUMBUS, O., Sept. 28.—Several season and stake records were made at today's Grand Circuit program. In the 2:12 trot, the Buckeye stake for \$3000, Greyworthy took the event from Jennette Rankin, being forced to trot the second heat in 2:02 1/4 which is the season's fastest trotting mile in a race. The gelding also lowered the record set for this event in 1917 by Early Dreams, two seconds. The other two heats were easy for him. The western horseman tutu trophy trot for 3-year-olds was won by Nelson Dillon. The 2:15 trot was the occasion for some misfortunes as well as good racing. Dora Pines, winner of the first two heats "broke down" and had to be drawn for the third mile. According to national rules she lost the right to win the race but judges permitted bets to be paid off on the auction on a winning basis. Wiltstar won the deciding heat and officially gets credit for topping the summary. Hal Mahone defeated San Ardo and Juno, the Murphy filly, in the 2:03 pace after San Ardo jumped

STOCK DEALINGS ARE DESULTORY

Detached Attitude of Public Reflected on New York Market Yesterday. NEW YORK, Sept. 28.—Stock dealings today continued to reflect the detached attitude of the public and divergent views of professional interests. Leaders rose and fell, mostly within contracted limits and the operations of bull pools in specialties were ignored. More than half of the business centered in favorites of the oil, steel, equipment and affiliated groups. Aside from fairly heavy offerings of Reading and Pennsylvania at one point declines, markets were relatively dull. The tentative plan of the interstate commerce commission for a consolidation of the transportation systems occasioned little comment. Sales, 165,000 shares. The bond market lost some of its recent activity and strength. Trading in Liberty and Victory issues were fairly extensive, but further speculative profit-taking

STATE FAIR VISITORS You can be money ahead by saving on your automobile. During Fair week we are continuing our big closing out sale of Used Cars Our stock has dwindled to 15 since Sunday but all of these are corking good buys. If you are interested in car bargains see us first. Here are three of the fifteen: 1919 Overland 90, five practically new tires, thoroughly overhauled and in best of condition, guaranteed like a new car...\$650 1921 Ford Roadster, just think...\$375 1918 Mitchell Six, looks like new...\$625

Walker), National League (Chicago, Cincinnati, Chicago, Donohue, Geary and Douglas; Martin, Kaufman and O'Farrell, Boston, Brooklyn, Boston, Gordonier, Reuther and Taylor; Cooney, Townsend and O'Neill)

G. A. R. VETS WILDLY CHEERED

Tremendous Ovation Given Old Soldiers By People Of Indianapolis. INDIANAPOLIS, Sept. 28.—Cheers were still ringing in the ears of hundreds of surviving heroes of the Civil war tonight. Shortly before sundown the rear ranks of the Grand Army of the Republic passed the reviewing stand of Commander-in-Chief W. A. Ketcham, closing the annual parade of the 55th encampment. Through streets packed with flag waving, shouting citizens the Grand Army paraded. Tonight the veterans sought the rest places provided throughout the downtown district but today the marchers jauntily, tramping in step with the music of war drums and fifes. Hundreds of automobiles were ready for those who might be unable to march but there were few

PROUD OF THEM

THERE is nothing that the United States National Bank takes more interest in than the Pig Club which it fostered among the boys and girls of this section. It is one of the constructive things that this bank does for the community. There are many fine exhibits at the State Fair—representative of what Oregon is accomplishing in various lines. But be sure to visit the Hog Exhibit of the Pig Club and encourage the efforts of these young stock raisers.
