PROSPERITY SALE

Eight solid weeks we have been preparing for just this event. Every big market in the United States has been drawn upon for this sale. From the very birth of this undertaking we planned to make this the premier event of the life of this store. In history nothing like it has ever been approached in vastness of stock, or in the greatness of bargain giving. This sensational event will require the entire resources of our immense establishment. From end to end, from top to bottom, the most staple and up-to-date stock of merchandise that has ever been assembled under one roof goes in a great movement that is inspired only by this ERA OF PROSPERITY.
