

### COOPER WINS IN BLOODY CONTEST

One Car Goes Over Embankment and Two Are in Critical Condition

FRESNO, Oct. 1.—Earl Cooper, driving his first race since re-entering the racing game, won the annual San Joaquin valley classic this afternoon in a national championship point race of 150 miles. Cooper's time was one hour,

29 minutes and 18 seconds. Jimmy Murphy, who finished less than one foot behind the winner, was second. A dispute ensued, but the judges have decided that Cooper won. Allen Soules, whose car plunged over an embankment, is in a critical condition, but will probably live. His mechanic, Harry Barnes, is not expected to live. Frank Elliott finished third, Eddie Hearn fourth, Eddie Miller fifth, Roscoe Saries sixth, Jerry Wonderlich seventh, and Tommy Milton eighth. Joe Thomas, whose car Cooper drove and whose place he took, was operated upon again this morning and again this afternoon in an attempt to save his arm. Grave fears that it may have to be amputated to save his life are held by the physicians. FRESNO, Cal., Oct. 1.—Alton

Scoules, race driver, who was injured when his car threw a tire and shot through the fence on the Fresno speedway here this afternoon in the San Joaquin Valley classic race, died at a hospital here shortly after 8 o'clock. His mechanic, Harry Barnes, is fatally injured, according to Dr. W. J. Adams, who is attending him. According to physicians who attended Soules after the accident the driver was suffering from a fractured spine, fractured pelvis, fractured left thigh, leg and arm and a crushed left foot. He retained consciousness until he died shortly after 8 o'clock this evening. The injuries received by Harry Barnes were stated to be a crushed chest and an injury to his left knee. Physicians pronounced his condition as critical tonight.

### BARONDALE WINS FAST PACE EVENT

Concluding Races of State Fair Week—Are Run at Lone Oak Track

Barondale, owned by T. R. Howitt and driven by Lindsey paced the last quarter of the first heat in the free-for-all today in 29 3/4 seconds, a 1:59 gait. He won the three heats and his best time was 2:08 1-4.

FRESNO, Oct. 1.—Harry Barner, mechanic for Alton Soules, died shortly before nine o'clock tonight of injuries received in a crash on the Fresno speedway today. Anton Soules and Harry Barner, his mechanic struck a hole in the board track as they were rounding the south turn on the 73rd lap and shot through the top fence dropping a distance of nearly 50 feet to the ground. Soules suffered broken arms and legs and Barner suffered a crushed chest and internal injuries, according to the doctors who operated on both of the racing men tonight. The car was demolished. Earl Cooper and Jimmy Murphy furnished the sensations of the afternoon in the race. Jumping into the lead from the start, Murphy held it until he was forced into the pits in the 72nd lap with tire trouble. Cooper who started far back in the field, was following the flying San Francisco boy and cut down the other cars, one after another finally going into second place in the 67th lap. When Murphy went to the pits, Cooper went into first place and held it until the 97th lap when he too, was forced into the pits by tire trouble. Murphy regained the lead and Cooper dropped to third place. He quickly moved up to second place and from that time on gradually cut down Murphy's lead. For several laps the two cars raced neck and neck and then a spurt put Cooper into the lead by a few feet in the 145th lap. During the last five miles both Cooper and Murphy drove with all the speed their cars possessed.

Portland man is robbed on road. Harry Brown held up near Woodburn, money and jewelry taken.

A total of \$619.40 in silver and currency, a one and one-fourth karat diamond scarf pin and a valuable watch formed the booty secured by two highwaymen who held up Harry Brown of 171 First street, Portland, on the highway near Woodburn last night.

The robbery was reported to the Salem police at 8 o'clock last night by Mr. Brown, who was returning to Portland from the state fair when intercepted by the "stick-up" men. Brown stated that the hold-up occurred at about 7:30 p. m.

The victim was unable to furnish a very good description of the bandits except to state that both men wore dark clothes and caps and that one man was tall while the other was of lesser stature and was "pug-nosed."

County and city officials were informed of the affair and warnings based upon the meagre descriptions were phoned to all the nearby cities.
