Opening California Prices Beaten by Growers Cooperative Association

Nearly the entire tonnage of walnuts to be handled by the Oregon Growers Cooperative association has afready been sold at prices ranging 1 to 2 cents a pound more than the opening

The grafted walnuts brought 30 cents, the No. 1's 261/2 cents and No. 2's 18 cents. Opening prices on California walnuts for corresponding grades were 28 cents, 25 1/2 cents and 17 cents respectively. Oregon walnuts are valued higher than California nuts because of their superior quality and buyers are willing to pay the additional price

of the nuts will fall in the graft-ed grade, 50 per cent in the No. grade and 20 per cent in the No. 2 grade and C grade.

### MORE NATIONS ARE INVITED TO PARLEY

(Continued from page 1. ence to be held in the city of Washington on November 11. 1921, on limitation of armaments in connection with which Pacific and Far Eastern questions will also be discussed, has graciously accepted. The government of China has also accepted the president's invitation to participate in the discussion of Pacific and Far Eastern questions.

Solution Possible "It is the earnest wish of this government that with the facilitles afforded by a conference, it may be possible to find a solution of Pacific and Far Eastern problems, by a practical effort to reach such common understandings with respect to matters which have been and are of international concern as may serve to promote enduring friendship.

'In view of the interest of Belgium in the Far East, the president desires to invite your excellency's government to participate in the discussion of Pacific and Far Eastern questions at the conference and I have the honor to enclose herewith the tentative suggestions as to the agenda of the conference, relating to Pacific and Far Eastern questions, proposed by the government of the United States."

# OREGON'S PRUNE

Variety Known as "Coates 1418, Introduced in Southern State

The famous Oregon prune, known as "Coates 1418" is soon to find a home in California, although it is really an Oregon prune and sold by the Oregon nursery company.

The Portersville, (Cal.) corder relates that a \$50,000 company has been organized in that city to encourage, the Oregon Nursery company to introduce its famous prune Into southern California, not far from Bakersfield, south of Fresno.

Harry K. Spalding, formerly of Salem, is attorney for the Oregon Nursery company in securing from Porterville, the guarantee of \$50,000 if the Oregon Nursery company will introduce the prune and prune date into that district, which is in Tulare county. The Porterville Daily Recorder

of September 27 says: "Harry K. Spalding, attorney for the Oregon Nursery company expressed himself as being highly pleased with the proposition. Mr. Spalding said:

"I had to work hard to induce Mr. McDonald, president of our company, to come to Porferville and personally investigate. He fastic over Porterville and the Visalia prune district."

The "Coates 1418" prune one that has been developed in Oregon and has been sold by the Oregon Nursery company. It is this prune that will be introduced into that part of California that has heretofore been growing the petite prune mostly.

## List of Building Permits Are Shown for Last Week

Building permits representing an aggregate investment of \$8025 have been filed with City Recorder Earl Race during the past week. The permits include repairs and alterations to old buildings, as well as for four dwellings of one and two stories to be built at respective estimates of from \$500 to \$3000.

Permits were made out as fol-One story frame dwelling at 835 North Commercial street. To be built at a cost of \$800. issued to Ivan Farmer One-story frame dwelling, 240 North Fourteenth street, to cost
