

RAIN STOPS FOURTH GAME OF BIG SERIES

World Series Ball Game Rolled Up in Wet Blanket and Put Temporarily to Sleep At Polo Grounds.

BABE RUTH SUFFERS BADLY INJURED ARM

May Be Incapacitated for Remainder of Series — Game Today

NEW YORK, Oct. 8.—Saturday's world series ball game was rolled up in a wet blanket at the Polo grounds and put temporarily to sleep early this afternoon.

The fourth game of the series between the Yankees and Giants, officially and accurately announced as postponed on account of rain will be played Sunday, atmospheric conditions permitting. Tonight the rain had ceased falling and it looked as if Sunday might be clear, but probably cold.

The postponement was voted a sorry trick of the weather by the more than 20,000 eager fans who had reached the grounds before the rain began to fall at 1 o'clock and the many other thousands who about-faced their journey to the ball park during the down-pour in the hour before game time.

Routine Disturbed
It was decidedly unwelcome, also, to the business managers of the series because of the necessity of honoring rain checks and other complications over admission ticket arrangements which the disruption of the original schedule brought about.

In the Yankee managerial company, however, there was no noticeable mourning over the break in daily procession of contests. For the afternoon had brought forth the sad news that the team's most potent aggressive factor, the somewhat well known "Babe" Ruth, would not be able to take part in the day's game because of an infected arm. The infection, caused by "Babe's" persistency in sliding bases on top of a sore near the elbow, the heritage of a scrap of the flesh sustained in a slide to second late in the American league season, may keep him out of the remainder of the series.

Manager Miller Huggins of the Yankees had apparently not lost hope tonight that the big fellow, with a day's complete rest, would be able to get "in there" Sunday with at least a good share of his accustomed aggressiveness.

Mays Rests Up
From the Yankee viewpoint also, the postponement was welcome as giving Carl Mays an additional day for recuperation after

GOVERNOR'S PARTY HELD BY SPEED COP

Two Auto Loads of Dignitaries Unable to Keep Appointment at Bridge Opening

PORTLAND, Or., Oct. 8.—So strongly did Traffic Officer H. M. Abbott of Columbia county uphold the edict of the law on the lower Columbia highway today that Governor O'Call, Secretary of State Sam A. Kozer, K. A. Booth, chairman of the state highway commission, and party consisting of two automobile loads of dignitaries bound for the opening of the Young's bay bridge on the Seaside highway, were unable to keep their appointments as a result of speeding charges placed against them by the officer.

As a result, the crowds from Portland and the coast cities waited at the bridge till President Harding touched an electric button opening the bridge and then adjourned without the exercises which the governor and party were scheduled to conduct.

Y CAMPAIGN IS LAUNCHED

Increased Membership to Young Lads Increases Needs of Y.M.C.A.

The annual campaign for funds for the Y. M. C. A. will be launched next Tuesday noon when 60 or more business and professional men in the city who believe in the good work of the Y. M. C. A., will meet at luncheon.

W. I. Staley will serve as campaign manager and Paul B. Wallace as chairman of the finance committee, and it is their intention to put on a quick campaign and have it over as soon as possible. The amount to be raised is \$7,766.

At the Tuesday noon luncheon each of the 50 workers will be assigned to their duty with the admonition to work fast. On account of boys in the city schools from the fourth up to the high school grades being given service memberships, it will be necessary to raise a little larger fund this year than one year ago.

ROSEBURG, Ore., Oct. 8.—Exhausting the second panel of veniremen summoned to obtain a jury for the trial of Dr. R. M. Brumfield for the alleged murder of Dennis Riesel, whose body was found beneath Dr. Brumfield's wrecked automobile July 13, court adjourned this afternoon after four days of effort. A third panel was ordered to report Monday morning.

Just before court adjourned at 2:15 this afternoon the defense exercised its seventh peremptory challenge and the state its third, leaving the defense with five and the state with three peremptories still to be used.

Dr. Brumfield whose health caused some concern Friday, told newspapermen he felt better today. Mrs. Brumfield continued to sit beside her husband at today's hearing, displaying a sympathetic attention to him as she had on former days.

Witnesses are here ready for the trial, some of those summoned by the state from Calgary, near where Dr. Brumfield was arrested in August having arrived.

LEMON YELLOW TEAM SCORE HELD DOWN BY FAST PACIFIC SQUAD

EUGENE, Or., Oct. 8.—Surprising the University of Oregon team with a stubborn defense, the Pacific University squad held the Lemon Yellow team to a score of 21 to 7 today and it was not until the last of the half of the game that the local team was able to cross the Pacific line. The visitors scored the first touchdown in the third quarter when Blackman, right end, recovered an Oregon fumble and carried the ball 85 yards for a touchdown. Oregon made its first score immediately following a series of line plunges, "Tiny" Shields carrying the ball over.

Oregon scored twice in the final period, Chapman and Shields being credited with the touchdowns. The strong defensive game of the Pacific University was maintained throughout the contest, they attempted to carry from scrimmage only four times during the game, punting was resorted to through each quarter.

King and Johnson of the Oregon backfield were removed from the game in the first period as the result of injuries.

L. of W., 7; Whitman, 0.
SEATTLE, Oct. 8.—University of Washington defeated Whitman college 7 to 0 in the first intercollegiate game of the season at the stadium here today. The only score came in the third period, when Mayne Hall, Washington quarterback, received a blocked punt on Whitman's 15-yard line and ran across for a touchdown. This happened after Washington's backfield had battered its way across the field.

staged a series of brilliant forward passes in the last five minutes of play which netted them a touchdown.
Bradshaw of Nevada made a 30-yard forward pass to Reed from his own 30-yard line and Reed carried the ball the rest of the distance down the field for an easy touchdown.
Nichols, Bell and Nisbet were the California stars, while Bradshaw made a couple of 30-yard runs around the ends for Nevada.

The trophy stands three feet high. Two silver players' figures are on it, one holding the ball for the other to kick goal, while below a series of miniature footballs circle the ebony circle. The space is left on each football to engrave the name of the year and the winner of that championship.

Harvard 19, Indiana 0.
CAMBRIDGE, Mass., Oct. 8.—Harvard defeated Indiana today 19 to 0. An eastern eleven in the making met a western conference team almost intact from last year and stopped it without great effort.
For the first two periods Indiana was content to kick every time it got the ball, with two minor rushing exceptions; this notwithstanding that Kyle's kicks were falling short. In the last two periods the Hoosiers, twice recovering Harvard fumbles, tried to go forward by rushes and by forward passes, and succeeded to the extent of several first downs but never to the point that score appeared possible.
Rain came down in sheets during

SUPERIOR CHEMAWA TEAM ARE HELD TO 14-0 SCORE BY SALEM HIGH INDIANS O. K.

By superior skill in handling the ball Salem high school gridiron warriors yesterday held the Chemawa Indian school eleven to a 14 to 0 score when they met on the Chemawa field. The high school squad went up against the college team which played O. A. C. and was defeated by a score of 63 to 0.
Errors and fumbles were responsible for their first touchdown for the Indians. Purvine received the kickoff and returned the ball for 15 yards. Jones bucked the line and annexed another 15. Purvine was given the ball for another line buck but failed when

Salem was penalized five yards for off-sides. In a second attempt he gained four in a line plunge. In the next play Purvine fumbled the ball which was recovered by a Chemawa man. In two plunges through the guards Chemawa gained seven yards and in a trick play won 12 yards, taking the ball to Salem's 10-yard line. A line buck and a run around end covered the distance, Bettels taking the ball across the line. Successful in their goal kick the Indians brought their score up to 7 to 0. Their last score was made in

THIRD HOLD-UP IS STAGED BY BOLD BANDIT

For First Time Accomplice Appears on Scene in North Salem Last Night and Helps-High-hat.

USUAL TACTICS ARE EMPLOYED IN HOLD-UP

Two Young Men and Two Young Women Are Victims of the Pair

The "High Hat" bandit staged his third holdup within six days here last night when he held up four young men and women near the Grant school at Shipping and North Cottage streets, and with the aid of an accomplice secured \$4 from one of his victims. For the first time in his operations here the bandit, who is distinguished by a cream-colored sombrero, wore a black mask. His slouch-hatted companion wore a handkerchief also.

Donald Stickney, 445 North Twenty-fourth street; Phillip Sittman of the Argo hotel; Ethel Germond, of 1210 North Fourth street, and Ann Anderson of 1497 North Fifth street were the hold-up victims. The "Big Hat" man, as he is described, brandished the gun while his partner collected the money.
Police search revealed no trace of the thieves.

HOOD RIVER WORLD WAR VETERAN DEAD

Suffered from Both Shell Shock and Gas; Died At Own Hands

HOOK RIVER, Or., Oct. 8.—Medric M. Greer, 22-year-old overseas veteran, died today from self-inflicted injuries sustained last night when he apparently bumped his head repeatedly against the walls of the city prison, where he had been confined for several days. The police said he was detained in prison because he assaulted, without provocation, a passenger alighting from a train the first of the week.

After he had been calmed the authorities thought him able to proceed to Dundee, where his grandfather, George H. Greer, resides, but the young man pleaded to be left in prison, stating that he might injure himself or some others if allowed to go free.
He became violent soon afterward, Greer, it is stated, received shell shock in the Argonne. He was also gassed.

Moe Planned Robbery of Mother With Ex-convict

MINNEAPOLIS, Minn., Oct. 8.—Edgar Moe, freshman medical student and son of Dr. J. M. Moe of Sioux Falls, S. D., confessed today to his mother and Frank Brunskill, captain of police detectives, that he plotted with an ex-convict to rob his mother of \$5000 in jewels Brunskill said tonight.

Moe was arrested today after his mother and Chief of Detectives Pickett of Sioux Falls had come to Minneapolis.
Mrs. Moe was robbed September 4 in Sioux Falls of \$5000 worth of jewels and \$5000 worth of furs. Police said the young man confessed he planned the robbery to get ready money but had been trying only one diamond which he pawned for \$20. This diamond led to his arrest.

After Moe had told his story he was released and left tonight for Sioux Falls with his mother, who said he would not be prosecuted.

Packing Plants Are Threatened With Strike

OMAHA, Neb., Oct. 8.—J. W. Burns, secretary of District Council No. 5 of the Amalgamated Meat Cutters and Butcher Workmen's Union of North America, estimated tonight that 94 per cent of all packing plant employees in Omaha had voted today on the referendum on the question of authorizing the union's general executive board to call a strike in the packing industry if the board deems such action necessary.

The vote was taken in other packing house centers throughout the country and with the local ballots will be forwarded to the union's general headquarters in Chicago where the result will be announced. Secretary Burns reiterated tonight previous statements that the result would not be given out locally.

BABE RUTH MUST TAKE WEEK'S REST

Home Run Slugger Carries Injured Arm in Sling and May Retire for Season

NEW YORK, Oct. 8.—Babe Ruth, champion home run slugger, was told by Dr. George D. Stewart late today that his infected left arm operated upon Friday must be given at least a week's rest. This means that the Kanks star, if the doctor's advice is heeded, will not appear in the remainder of the world series.

Ruth's arm was injured just above the elbow two weeks ago when he stole second base in a game with the Cleveland Indians. After the game Friday with the Giants, an incision was made. He carried it in a sling when he appeared in the grandstand at the Polo grounds for today's game. Ruth admitted that if he took the advice of his doctor he would not play again this season.
"But my absence won't hurt the Yankees," he said. "It will only make them fight all the harder."

CHAIRMAN WHITE TO CALL MEETING

Democrat Leaders Will Confer and Support Limitation of Armaments

WASHINGTON, Oct. 8.—A call is to be issued by Chairman George White tomorrow for a meeting of the Democratic National committee to be held within the next two or three weeks, probably at Chicago. Democratic leaders with whom Mr. White conferred at the capitol today said it would bring together prominent men and women party spokesmen from all sections of the country.

Chairman White is expected to make a detailed report on the recent presidential campaign and resolutions will probably be adopted in support of the conference on limitation of armaments.

"The meeting is to be called," Mr. White said tonight, "for general discussion of party welfare. It will bring together for the first time many Democratic national committee women who have never attended a committee meeting."

The meeting will be the first held since the close of the national presidential campaign last November. Several months ago friends of William G. McAdoo urged a meeting, but a call was refused by Chairman White. The question of Mr. White's resignation was widely discussed at that time.

That Mr. White would continue as chairman for the present at least, was declared by party leaders here tonight. Mr. White himself was non-committal, except to declare he did not expect any developments at the meeting affecting his personal status. His friends in Ohio have been urging him to become a candidate for governor for the next election and those here declare this development is probable.

Among business affairs of the party to be discussed at the meeting is the deficit, which Mr. White said has been reduced since November, but still remains a matter for settlement.
Governor Cox, it was said, is not expected to attend the meeting, and the question of future campaigns, leaders said, would not be raised, formally at least.

PROSECUTION WEAVING CHAIN OF EVIDENCE

Strong Case is Being Developed Against Hightower, Accused of Murder of Father Heslin.

CHEMISTS' FINDINGS AID TO PROSECUTION

Defendant Alleged to Have Written Letter Demanding Ransom

REDWOOD CITY, Cal., Oct. 8.—A bit of fibre which had adhered to the knote of William A. Hightower, a homeless baker, was said today by E. C. Heinrich, criminologist and chemist, to have proved under microscopic examination to be of the same character as string taken from boards found at the hidden grave of Father Patrick E. Heslin at Salada Beach. Hightower is being tried on a charge of murder of the priest.

Heinrich said too, that the handle of the knife contained sand of the same kind that may be found at the grave site.
Heinrich also testified that Hightower was the person who wrote the letter of August 3 demanding a ransom of \$6500 for Father Heslin who had disappeared mysteriously during the day. This testimony agreed with that of Carl Elenschmel, an expert who testified yesterday. Both men said they arrived at their conclusions by comparisons of writing on the ransom letter with that of Hightower.

Sand found on a tent taken from Hightower's room was said by Heinrich to be of similar character to that of sand on a hat discovered at the priest's grave.

RECORD BROKEN FOR POLK SHOW

Exhibits Attract Full Capacity Crowds, Sunshine Aids Fair

DALLAS, Ore., Oct. 8.—(Special to The Statesman) — Polk county's 10th annual county fair opened its gates in Dallas Thursday morning and during the day admitted the largest crowd in the fair's history for an opening day. The big pavilions and live stock barns were crowded with humanity during the entire day and until nearly midnight. As soon as the crowd about the exhibits in the pavilion was so large that people had to be turned away until the place could be cleared.

Saturday was a record-breaker for attendance, the fine weather making it possible for the farmers to come from all parts of the county and take in the big affair. The judges were busy all day making the awards on the exhibits and the afternoon oratorical contests were held by students from various grades. About 20 contestants took part in the program and are eagerly awaiting the result.

The crowd is unusually orderly this year and although there are several special police on the grounds no riotous or disorderly conduct has been made. The Grand Ronde Indians who always turn out in force to the fair were here again this year although the war dance formerly staged by members of the tribe at former fairs was eliminated from the program.

men taking special work in the university. Post graduate work is being taken by the men and four women. In the law course there is enrolled 38 men and four women.
As with the higher grades in the junior and senior high schools of Salem, the university is facing the same problem of accommodations for those who wish to avail themselves of the higher education. The capacity of the university is 500 students, and should the increase be as great next year as it has been this year, the university could not find room for its students.
With the university, it is concluded that the problem is that of limiting the number of students or of providing larger accommodations.
