hall a delightful place for a dancing party.

Hallowe'en will be celebrated by the Country club members with a formal dance. It will be given October 28.

Mrs. P. B. Arnell and children arrived in Salem this week from Seattle to join Mr. Arnell who has been appointed editor and manager of the Oregon Teachers Monthly.

Mrs. Arnell is a graduate of the University of Minnesota at Minneapolis and is a member of Delta Delta Delta sorority. The family have lived the last year in Seattle and previous to that time resided for 11 years in Winnipeg.

Mrs. Arnell was accompanied to Salem by the four Arnell children, Donald, Carolyn, Richard and David.

Mrs. L. C. Cavanaugh of Portland who is well known in Salem is being entertained over the week end by Mrs. J. Wood, 955 Center street.

Mr. and Mrs. A. R. Gray and Dr. Mary Fowler Thompson of Eugene were guests in Salem Tuesday. They were on their way to Portland.

Mr. and Mrs. David Eyre were Portland visitors this week, driving up in their car.

Mrs. A. C. W. Hunlock of the Marion hotel has had as her guests this week Mrs. A. C. Clark of Bend and Mrs. F. Lester of Portland.

Mrs. William Fugate accompanied her guest, Mrs. P. A. Fu-

gate of Aberdeen, Ida., as far as Portland on her return trip to Idaho. Mrs. P. A. Fugate has been visiting in Salem for several weeks.

The first dance to be given in the newly decorated Shrine Mosque hall will be given by the O. A. C. club October 25. Final details of plans were arranged last night at the regular meeting at the Percy Cupper home.

Mrs. Ralph Kellogg was chosen to succeed Mark Hathaway as president. A social hour was enjoyed following the business meeting. Refreshments were served by the hostess assisted by Miss Ruth Shultz.

Women's Activities

THE erection of a monument to mark the place where the first women taught school outside of a mission school this side of the Rocky Mountains may soon be a reality. The location of the school was in what is now Polk county and the woman was Miss Chloe Boone, a great granddaughter of Daniel Boone, the Indian scout.

On Le Creole river in Polk county the Boone family spent the winter of 1846. It was near where the Nesmith estate near Derry is at the present time. It was during this winter that the daughter taught in the log school house near by.

Miss Boone was married in 1848 to George L. Curry, pioneer governor of Oregon, at Oregon City, where her family lived. One of the well known families near Oregon City was named for the Boone family and is familiar to the older residents of the state as Boone's Ferry.

George L. Curry Jr., who lives near Seilo in Linn county, spent week in an attempt to locate the exact spot where the log school house was. He was accompanied by his daughter, Miss Winnifred Dixie Curry and Mrs. Pearl Platt of Salem. They were unable to ac-

complish this and will return later. Another son of Mrs. Curry's was Norman Curry who died a year ago. Mrs. Andrew Curry was a sister of Fred Huchel, member of the state railroad commission.

George L. Curry Jr. worked for more than 50 years in Portland as a bank clerk but owing to poor health he retired to a homestead near Cleveland Rock in Linn county. He has been working for some time on a history of Oregon which he hopes to publish some time soon.

ANNE SHANNON MONROE will talk on "The Old Oregon County" at the regular luncheon of the Salem Women's club tomorrow at the Marion hotel.

Vocal music at the luncheon will be given by Miss Ada Miller, Mrs. R. M. Long and Mrs. Arthur Rain with Miss Dorothy Pearce as accompanist.

The luncheon was postponed from last Saturday because of the meeting of the international convention of Rotary clubs which met in the Marion hotel.

Miss Dorothy Taylor of Salem has been chosen secretary of the junior class at the Oregon Normal school in Monmouth. Sue Bonner of Silverton is to be song leader for the class. Other officers of the class are: President, Beulah McCord Bovingdon, Oakland; vice-president, Everett Evans, Monmouth; sergeant-at-arms, Fred Vaughan, Rickreall; yell leader, Charles Dretnie, Barlow; reporter, Frances Blake, Oregon City.

Officers of the senior class are: President, Leone Barger, Eugene; vice president, Ruth Mills, Independence; secretary, Eunice Tchen, Portland; treasurer, Wendell Van Loan, Monmouth; sergeant-at-arms, Andrew Johnson, Central Point; reporter, Mildred Howett, Astoria; yell leader, Mildred Carr, Monroc.

The Women's Home Missionary union of the Congregational church has just closed its state conference at Eugene. Mrs. A. J. Sullivan of Portland was chosen president for the coming year. Mrs. W. H. Phillips, also of Portland as chosen president of the Women's Board of Missions for the Pacific. The conference was held jointly with state conference of the Congregational church.

LIBRARY GROWTH IS AGAIN SHOWN

Circulation of Books Up to October 1 Bigger Than All Last Year

Circulation of books from the Salem public library grows larger and larger, according to the September report of Miss Flora M. Case, librarian.

Up to October 1 there had been circulated during the year 57,928 books. This is a larger circulation than during the entire year of 1920.

Last year, for the first 9 months of the year, the circulation amounted to 41,433. This year it was 57,928, showing a gain in 9 months of 16,495 volumes. This means that on the average, there were 1.833 more books loaned each month than one year ago.

September is a good month for reading, as the Library circulated 4,550 books in addition to the 170 sent out from the North Salem branch.

During September adult readers called for 2,368 volumes of fiction, 733 of other books and 75 periodicals. The young folks read 451 volumes of standard reading and 923 volumes of fiction. It will be noted that children like story books as well as grown ups.

A total of 6,907 readers in Salem and community have their cards on record in the library office and may be counted as patrons of the library. The card is discarded and worked over from time to time, in order that it may be only of active patrons.

Incidentally, it may be said that the business of running a public library includes something beside answering questions and helping others select books. The October 1 report shows that during September 50 books were mended, and of the books that are washed, cleaned and made presentable, which is included in library work, there is no record.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago, the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, glossy and attractive.—Adv.

WEEK ACTIVE FOR LUMBER

Pacific Northwest Manufacturers Have Best Sales In Two Years

PRODUCTION IS SHORT

Unemployment Attributed Mainly to Prohibitive Freight Rates

Dealers buying to fill short retail stocks, and wholesalers speculating on poorly balanced mill stocks, last week gave Pacific Northwest manufacturers their second active selling week in nearly two years.

One hundred and two mills reporting to West Coast Lumbermen's association sold \$2,550,798 feet of lumber. Forty-one per cent was sold to move by water.

New business was 26 per cent above production and 20 per cent above shipments. Production was 16 per cent below normal.

Concerning that current buying has apparently not yet reached its peak, well informed lumbermen nevertheless say the sudden demand is likely to fade as quickly as it developed.

Fundamental to stability in the lumber industry is normal purchasing in industrial and railroad requirements. These two factors are conspicuously missing in the present situation—the railroads confining their purchasing to urgent repairs and replacements; and wood-using industries practi-

cally not buying, although the prospects are good.

Unemployment in the Pacific northwest lumber industry continues around 38 per cent. Prohibitive freight rates are primarily the reason for this unemployment inasmuch as producing regions located more closely to eastern and mid west markets are under-selling west coast woods to just about the extent of the freight differential against west coast woods.

During recent months the Pacific northwest industry as a whole has been losing \$2.50 a thousand on its lumber production. Naturally under this condition mills of this region cannot longer take the freight rate differential against them, out of the f.o.b. mill price.

Of the business taken on during the week ending October 8, the coastwise and intercoastal orders reached the record-breaking total of 24,539,298 feet. The export business was 9,471,500 feet—a total of 34,010,798 feet.

Production was reported at 65,778,961 feet. Shipments 66,062,119 feet.

Business for rail delivery 1,618 cars, and rail business shipped during the week totaled 1,514 cars. The unshipped balance for the rail trade at 102 mills was 3639 cars.

Coastwise and intercoastal car-

go shipments totaled 12,007,525 feet, and in export 8,634,594 feet.

Recently a lady dentist was trying to impress upon a group of mothers the necessity of making

the children clean their teeth. "Oh! I don't have to tell you, Rose and Daisy!" declared one good lady. "It's a fight between 'em which shall have the tooth-brush fust."—London Opinion.
