**Taken Under Consideration**—After taking testimony for two days, the divorce suit of Goldie May Sharpe against Claude C. Sharpe closed yesterday morning. On account of the youth of both parties, and the fact they have two children, Judge George G. Bingham stated that he would take the matter under advisement. He said the evidence in the case showed that the young husband endeavored to establish a home and that as young folks, they hardly realized the seriousness of breaking up the family.

**Funeral Services Held for Prominent Dallas Man**

DALLAS, Or., Oct. 25.—(Spe-  
cial to The Statesman).—Funeral  
services over the remains of the  
late T. D. Phillips, who died at  
his home in this city Thursday  
morning, were held Sunday after-  
noon from the United Evan-  
gelical church, of which he was a  
member. Interment was in the  
local I. O. O. F. cemetery.

Mr. Phillips had been ill but  
a short time. He was 71 years  
old and had lived in and near this  
city for a number of years. He  
is survived by his wife and eight  
children, as follows: Mrs. W. S.  
Joest and Mrs. Tracy Stants and  
B. I. Phillips of this city; I. D.  
Phillips of Portland; Mrs. Claud  
Huston of Moro; Miss Eugenia  
Phillips, a missionary in Guate-  
mala; Mrs. Leonard Shaw of  
Walla Walla, Wash., and Mrs. A.  
G. Rix of Portland.

No doubt the shocking tragedy  
at San Francisco has many morals,  
but the most obvious of them is  
the demoralizing effect of sudden  
wealth upon the people unfit for  
the responsibilities that wealth  
brings. Springfield Republican.

**Official Believes Proposed New Salary for Superintendent Excessive**

Sharp issues with Governor Olcott and Secretary of State Koser, the other two members of the state board of control, is taken by State Treasurer O. P. Hoff in a statement issued yesterday relative to the proposed employment of Mr. and Mrs. W. L. Kuser of Eldora, Ia., as heads of the new state training school when its construction is completed next year.

Mr. Hoff avers that an inter-  
view was given out by Mr. Kuser  
implying that he was selected by  
the unanimous vote of the board  
and that the selection was neces-  
sary to give the boys at the school  
a "square deal."

**In False Light, Says Hoff**  
Mr. Hoff avers that the state-  
ment has placed him in a false  
light in the eyes of many people,  
since he did not vote for Mr. and  
Mrs. Kuser, and that it is unjust  
reflection upon L. M. Gilbert,  
present superintendent of the  
boys' school.

"This is an important matter,"  
says Mr. Hoff, "and as I opposed  
the action of the majority of the  
board in this case, I believe the  
public should know the reasons  
therefor."

**Reasons Set Forth**  
He sets forth the reasons as  
follows:  
"First. The record of Mr. and  
Mrs. Gilbert, the present superin-  
tendent and matron of the boys'  
training school the last year, since  
they have received some additional  
equipment has been, to my mind,  
excellent. They have had five

years experience in this same El-  
dora, Ia., school, and as far as I  
know, were the first to advocate  
the cottage system in this state.  
Their popularity with the boys is  
unquestionable, and as far as the  
boys receiving a square deal is con-  
cerned, I don't believe that there  
is a boy in the whole school that  
does not wish that Mr. and Mrs.  
Gilbert be retained, and no reason  
for a change has appeared to me.

**Salary Held Excessive**  
"Second. The salary is exces-  
sive. The present superintendent  
and wife receive \$2100 a year and  
living accommodations that would  
be considered worth \$1700 more.  
Mr. Kuser's present salary is  
\$2500 and living accommodations  
his wife is not employed. This in  
a population more than three  
times as large as ours. Mr. Kuser  
and wife have been offered \$5000  
and living accommodations; that  
is equivalent to \$3000 to \$3500  
more, making it a position worth  
\$8000 a year or more. Such a  
large expenditure is to my mind  
wholly unwarranted.

"Third. I have no doubt that  
Mr. Kuser is well qualified to head  
this institution but I am op-  
posed to filling Oregon positions  
with outside people. The millions  
of dollars spent in Oregon in educa-  
tional and training work should  
make this unnecessary.

**Criticism Not Offered**  
"My opposition to the proposed  
location of this new institution  
and this statement is not offered  
in a spirit of criticism but to cor-  
rect an error and set forth my po-  
sition as a minority member of  
the board of control and is based  
on a careful study of the situation  
and my own best judgment."
