OREGON AGRICULTURAL COLLEGE, Corvallis, Oct. 27.—A girls' hiking club like those in eastern colleges is a possibility at O.A.C. as a result of a petition signed by a group of co-eds for permission to organize. Miss Edna A. Cocks, head of the department of physical education for women, is in favor of the idea if it is formed with regard to the new point system now being used by the women's athletic association.

OREGON AGRICULTURAL COLLEGE, Corvallis, Oct. 27.—The Y.W.C.A. campaign is practically completed and the girls have raised \$2490. Subscriptions varied from 25 cents to \$25. There were 982 subscribers. Of those subscribing the first three days of the drive, 661 were students, 47 faculty members and 136 town women. Fifty dollars were subscribed by the college folk club. Of the \$2490 now in the files, \$500 is to be paid by the college for the employment bureau.

A new section of the sewing and millinery classes will begin today at 2:30 in the Y.W.C.A. rooms, according to Mrs. F. E. Barker. The classes which are working now are doing good work and progressing very well, she says. Anyone may join the new classes which will meet Wednesdays and Fridays.

Portland Man Hurt When Train Hits Automobile

Sam Director, of 275 Wood street, Portland, was seriously injured and his truck nearly demolished yesterday afternoon near Chemawa when his automobile was struck by southbound Oregon Electric train No. 9.

Director was at first thought to have been killed and persons who found his body made efforts to locate the coroner. The injured man was rushed to the hospital, however, and was soon revived by a physician. A serious cut and severe body bruise were treated by the surgeons who assert that Director will recover, unless internal injuries were received.

Details as to the cause of the accident were not reported to officials. Director probably will leave the hospital today.

The question of unemployment is being solved by giving a lot of secretaries work figuring up the number of men who are out of work.—Exchange.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea, with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store, all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.—Adv.

Rheumatism Grows Worse If Neglected

It is a Uric Acid Trouble.

It makes its presence known by local aches and pains, inflamed joints and stiff muscles but cannot be permanently relieved by local applications. Its cause is constitutional and it must have constitutional treatment.

Take Hood's Sarsaparilla, which corrects the acid condition of the blood on which the disease depends and makes you feel young again.

"Three doctors said I could not be cured of rheumatism but at 64 I am still alive, well and strong, thanks to the yearly use of Hood's Sarsaparilla. I am convinced there is nothing better for Hood's Sarsaparilla. I am convinced." C. E. Goodrich, Bolivar, Mo.—Adv.
