

LEAGUE ADMITS ITS DEFEAT

HOMAGE PAID BY NATION TO MARSHAL FOCH

Citizen of World, Through President Harding and Other Officials, Accorded Warm Greeting.

HERO PRAYS SILENTLY AT WASHINGTON TOMB

Guest Leaves on Special Train Today for Kansas City Convention

WASHINGTON, Oct. 29.—(By the Associated Press)—Marshal Ferdinand Foch, soldier of France and citizen of the world, today received the official thanks of the American people for having led his sons to victory in the war.

Unofficial Washington also joined in paying tribute to the soldier, who declared he was deeply impressed with the warmth of his greeting.

Cheering crowds greeted him, and there was no mistaking the warmth of the greeting extended the little gray haired man who humbled the German army. The marshal's right hand frequently came to his cap in salute and smiles played across his features.

Late in the afternoon he visited Washington's tomb, where he laid a wreath on the grave of "the father of our country." After laying the wreath on the tomb he stood in silent prayer several minutes.

Before the visiting the tomb the marshal was taken through the Washington homestead.

State Department Visited Starting at 10 a. m. the marshal first paid his respects to President Harding, and then was received by Vice President Coolidge, who hailed him as "the man who saved both France and America."

Later he called at the state department. The official party then motored to the home of former President Wilson where Brigadier General W. D. Connor, who is acting as honorary military aide, was informed that Mr. Wilson was not receiving visitors.

General Connor inquired about the former president's health and then left the marshal's card. Inquiry later developed Mr. Wilson had suffered a slight digestive upset.

Jusserand Serves Dinner After a brief stay at his hotel the marshal returned to the white house for luncheon with President and Mrs. Harding.

Marshal Foch tonight was the guest of Ambassador Jusserand at the French embassy, where a dinner was given in his honor. He will leave on a special train tomorrow for Kansas city, where he will address the national convention of the American Legion.

FRUIT NEW YORK, Oct. 29.—Evaporated apples nominal. Prunes firm. Apricots quiet.

Records Go Into Stone The Salem hospital board was organized in 1896 and among the records to be placed in the cornerstone are the names of those on this board, as follows: Mrs. J. J. Murphy, president; George Litchfield, vice-president; Frank L. Hodgkin, secretary; A. N. Bush, treasurer; William Gray, Frank Davey, Gideon Steiner, Thomas

BIRTHDAY OF LOCAL BANK IS OBSERVED

Capital National Organized October 30, 1885—Joe Albert Was Bookkeeper

The Capital National bank will celebrate its 36th anniversary today, Joseph H. Albert, cashier, announces.

The bank was organized October 30, 1885, with the following officers and directors: H. S. Wallace, president; J. H. Albert, cashier; W. W. Martin, Squire Farrar, W. J. Polley, W. T. Gray and J. M. Martin.

Mr. Wallace, who came to Oregon from Chicago, not only organized the bank, but purchased the city water works, and then planted the largest pear orchard in the northwest, now known as the Wallace orchard.

Mr. Wallace died October 30, 1891, after serving as president of the bank exactly six years. He was succeeded by Dr. W. A. Cusick, who served as president until 1898, when he resigned. J. H. Albert was then elected president, and he served until his death, December 30, 1920.

Joseph H. Albert, who took a position as bookkeeper with the bank when it was organized in 1885 was elected cashier on January 10, 1899, and has held the position since. He is the only one living who was with the bank when organized 36 years ago.

Harry E. Albert was associated with the bank for about 20 years, resigning to accept a position with the federal bank in St. Paul.

J. H. Albert, who came to Salem in 1865, served as cashier of the Ladd & Bush bank from 1868 until 1885, the year he was elected cashier of the Capital National bank.

Trial of Mrs. Southard Drags Through Fifth Week

TWIN FALLS, Idaho, Oct. 29.—The trial of Mrs. Lydia Meyer Southard, accused of murdering her fourth husband, Edward F. Meyer, dragged to the close of its fifth week here today.

The day was given over mainly to examination of medical experts called by the defense. Long hypothetical questions were the rule.

William F. Dooley, brother of Edward Dooley, whom the state contends Mrs. Southard poisoned, told of the disposal of his brother's body at his home in Keyesville, Mo., and efforts to draw from his statements concerning steps said to have been taken by an undertaker there were blocked on the ground that they would be hearsay testimony.

Ship Reported Foundered Is Sighted by Empress

SEATTLE, Oct. 29.—The Japanese steamship Fukui Maru, reported foundered at sea Thursday night, was sighted by the Canadian liner Empress of Russia Friday, according to wireless advices from Capt. C. Hopcraft of the latter vessel received here today.

With her decks well washed but evidently kept afloat by her lumber cargo, the abandoned vessel was drifting approximately 1250 miles west by north of Seattle. Her officers and crew were rescued from the sea by the steamship West Ivan and are now en route to Japan.

THE WEATHER

Sunday: Fair; gentle northwesterly winds.

Weather Prediction Fair

A copy of each of the Salem daily papers will also be enclosed in the cornerstone for record.

JAPANESE HOPE IN CONFERENCE

Oriental Delegation to Washington Gives Out Statement at Seattle

ANTAGONISM IS DECRIED

Nippon Eager to Go to Any Reasonable Extent Toward World Peace

SEATTLE, Oct. 29.—The Japanese delegation to the Washington conference on limitation of armaments and Far Eastern questions approach the conference "with hope and confidence" in its success, they declared in a formal statement to the press issued just after their arrival here today on the liner Kashima Maru.

The statement reads in part: "There is no denying that the heavy burden under which industry and human progress are suffering today is largely due to the enormous expenditures in the increasing armaments of the present time. The government and people of Japan strongly feel that the most urgent and real need of the world today is to find a basis for an agreement among the powers whereby limitation of armaments may be effected. They believe that the age of nations living in distrust and antagonism of each other is past and that the world is seriously looking for a new era when all nations will be allowed to live their own lives peacefully and in harmony with one another. Difficult as it may seem, they nevertheless believe that there is no reason why the powers should not be able to come to such an agreement as above indicated, if they only approach the subject with an open and judicious mind and in a spirit of mutual accommodation and helpfulness.

Japan Would Go Limit "So far as Japan is concerned she is prepared to go, in co-operation with other powers, to any reasonable extent to achieve this desired end in the interest of the peace and welfare of the world which have ever been the cherished object of solicitude on her part. It was with such belief and idea that the government of Japan gladly and wholeheartedly responded to the call of President Harding, a call which plainly spoke out the inmost desire of all progressive and peace-loving nations.

"We, the delegates of Japan, go to Washington with full hope and confidence in the success of the conference."

Although the proposed viaduct over the Southern Pacific tracks near the state fair grounds was given a temporary set-back at the meeting held at the Commercial club on the night of October 24, this was due to the fact that residents whose interests are in that immediate neighborhood constituted the big majority present.

The general talk was that the proposed viaduct on the Silverton road would destroy valuable property and ruin business that had taken years to develop.

The high point of the proposed viaduct would be over the Southern Pacific tracks on the Silverton road opposite the Union Oil company's buildings. Here it would be 24 feet high, with 22 feet in the clear, and extend 600 feet each way on the Silverton road. On the north this would bring the viaduct to the point where the sidewalk enters the state fair grounds, and on the south extend past Doe's grocery, to the point where Highland avenue intersects Pacific highway.

The Union Oil company on the Silverton road and the railroad, owns a little more than an acre of ground. It has constructed a building opposite the railroad, valued at about \$8,400. This is the highest valuation of any interest that would be affected by the viaduct.

On the north side of the Silverton road, north and adjoining the acre owned by the Union Oil company, Mrs. Stella Walker owns about two acres on which there is a house. This property has a valuation of about \$2400 and would not be so desirable a home with the viaduct about 15 feet high at that point.

Still on the north side of the Silverton road and adjoining the Walker property, George Savage owns 19-1/2 acres on which is a house. This property is worth about \$7800. The viaduct would trouble this property but little, but it is through this land of Mr. Savage that it is proposed to bring Pacific highway from the north of the Valley Packing company and north of the railroad track.

No other property would be injured by the viaduct on the Silverton road as the fair grounds are on the south side of the road. The grocery store of H. Doe & Sons is located at the junction of Pacific highway and the Silverton road and at this point, the viaduct would be a few feet higher than the present road. The traffic would fail to pass the store, as according to present plans for the viaduct, Pacific highway from the Doe store to the railroad track would be just a stub end street and not a thoroughfare.

RELATION OF PROPERTY AND PROPOSED VIADUCT IS SHOWN

Although the proposed viaduct over the Southern Pacific tracks near the state fair grounds was given a temporary set-back at the meeting held at the Commercial club on the night of October 24, this was due to the fact that residents whose interests are in that immediate neighborhood constituted the big majority present.

The general talk was that the proposed viaduct on the Silverton road would destroy valuable property and ruin business that had taken years to develop.

MANY LIVES LOST BY FLOOD WATERS IN CANADIAN AREA

VANCOUVER, B. C., Oct. 29.—Between 35 and 50 lives lost and property damage of several million dollars tonight was the estimated toll of floods that swept away parts of several towns north and east of here last night and today.

The most destructive flood was at Britannia Beach, a mining village with a population of 450, 18 miles north of Vancouver. At Britannia Beach last night a cloudburst broke through a fill at the mine and released a fierce torrent of water, which rushed down to the ocean, carrying along half the houses in the town. Later in the afternoon meager advices placed the number of dead and missing at 35. A ship bearing medical aid had gone from Vancouver.

A portion of Port Coquitlam, 14 miles east of Vancouver, was destroyed by flood waters of the Coquitlam river. Several buildings uprooted, went floating down the river. No mention was made of casualties in reports from this district, but 14 families were said to be marooned. Communication with the houses in the town was impossible except by boat.

The Canadian Pacific railway reported extensive damage to its property. Several bridges and miles of track were washed away on the main line paralyzing continental traffic. The Canadian Pacific estimated its damage at \$1,000,000.

Sudden lowering of temperature, together with steady rains for weeks were contributing causes of the flood.

At Britannia Beach several bodies had been recovered, and at an improvised morgue the work of identifying them was proceeding tonight.

When daylight came the rescue workers had to search for bodies beneath piles of debris along the beach 10 feet high. The home of Mr. and Mrs. James Anderson was washed down to the wharf and their bodies were found under a pile of logs. Three children who were in the house are missing.

MAN LOSES FOOT WHILE BEATING WAY

J. E. Deerfield, 20 Years Old, Victim of Accident While En Route Home

J. E. Deerfield, 20, was the victim of an accident on the Southern Pacific main line here last night when he fell from a passing train, his left foot being badly crushed beneath the car wheels.

The injured man was at once removed to the Willamette sanitarium, where an amputation of a portion of the injured member was performed. The patient is making a good recovery. It is said.

Deerfield told hospital officials that he had been employed at a Wood, Cal., sawmill, and that upon losing his position there had been "beating" his way on the return journey to his home at Cataldo, Idaho.

FRONTAGE ON STATE BOUGHT

Choice Business Property Transferred by Fennel Heirs to Theater Man

T. G. Bligh, for a cash consideration of \$30,000, has purchased what is known as the Patrick Fennel property on State street, extending from the Salem hotel property east to the alley. The deal was handled by Leo N. Childs local real estate dealer.

With the purchase of this additional frontage of 82 1/2 feet on State, Mr. Bligh acquires another one of the most desirable business properties in Salem. He is now owner of one quarter of the block, opposite and east of the Oregon Electric depot. His holdings, which include the Salem hotel, have a frontage of 166 feet on State street and 160 feet on High street.

Property Highly Desirable The business block just purchased by Mr. Bligh is at present occupied by the White confectionery store, Leo N. Childs, real estate, office of Fruitland nursery, Mangis Brothers, Swiss Dye works, Singer sewing machine office, Jeff's photographer, and the office of Murray Wade.

Mr. Bligh says that at present he has no building plans. He feels that he now has some of the most desirable business property for hotel and retail purposes in the city.

With the purchase of this property Mr. Bligh becomes one of the heavy property owners of the city. In addition to owning three apartment houses, he owns the Bligh and Liberty moving picture theaters and the Bligh hotel.

3 OFFICIALS RECALLED IN NORTH DAKOTA

Governor, Attorney General and Labor Commissioner Ousted from Office By Independent Voters.

LIQUIDATION FORCED ON STATE DEPOSITORY

R. A. Nestos Elected Governor Over Frazier by Substantial Lead

FARGO, N. D., Oct. 29.—(By The Associated Press)—Recall in yesterday's election of Governor Lynn J. Frazier and two other state officials, endorsed by the Non-Partisan League was conceded tonight by the Fargo Courier-News, official paper of the league in North Dakota.

This concession came after unofficial returns from approximately 1800 of the state's 2,086 precincts had shown a majority of 12,000 for R. A. Nestos, Independent gubernatorial candidate Sveinbjorn Johnson and Joseph A. Kitchen held corresponding leads respectively over Attorney General William Lemke and J. N. Hagen, commissioner of agriculture and labor, the other two officials, whose recall is conceded.

Returns on the proposed constitution amendments and the initiated laws were not tabulated promptly as those on the candidates, but the prediction in both independent and Non-Partisan camps was that although the would run behind the candidates they would be in about the same ratio.

All the amendments and laws were endorsed by the Independent and opposed by the league. They have to do with changes in the election laws and liquidation of the State Bank of North Dakota.

"The Non-Partisan league has been defeated," the Courier News will say in an editorial tomorrow. "The Independent victory is so sweeping that it can be counted upon as permanent, however."

State campaign headquarters of the league here and the state officials had not conceded defeat up to 9 o'clock.

A. C. Townley, president of the National Non-Partisan league conferred tonight with William Lemke, attorney general and other state league leaders.

The Fargo Courier-News, in its news columns Sunday will concede the recall of Frazier, Lemke and Hagen and the election of the Independent opponents by majorities.

PRIEST'S SLAYER STILL UNCAUGHT

Murder of Father Belknap Not Attributed to Religious Differences

LEAD, S. D., Oct. 29.—Active search for Andrew Rolando, wanted in connection with the death here Wednesday of Father A. B. Belknap, pastor of St. Patrick's cathedral, was resumed today following the funeral of the priest.

Officers in automobiles left Lead late today in the second expedition of the day in an effort to locate the murderer, in case he still remained in the Black Hills country. Officials expressed the belief, however, that he still was on his way to Butte, Mont., beating his way on freight trains. They said it had been virtually established that he had been in Edgemont. Several reports were that he had been seen in western South Dakota and Wyoming, however, lacked verification.

ADVANCE GUARD OF AMERICAN LEGION HITS KANSAS CITY

KANSAS CITY, Mo., Oct. 29.—Rain, recalling to mind similar days in France, greeted the American Legionnaires who arrived today to attend the national convention of the legion, which opens Monday.

But the ties of friendship were stronger than mere physical comfort and on dozens of downtown street corner stood groups of khaki-clad heroes, oblivious to the downpour living again the days of Chateau-Thierry and the Argonne.

Here and there in the groups were seen men leaning on crutches or canes. To them the tales of thrilling days brought back special memories and frequently pale faces would light up with an animation as another would call to mind some feat of heroism performed by "Yanks." Frequently members of a group would crowd their way aside to give a hug and a handshake to a new arrival.

Westerners Colorful Particularly colorful was a western group of former service men who wore high boots, smockers and flannel shirts of vivid hues. Each state delegation sought by means of similar dress or ornament to make themselves distinctive. Tomorrow the flag of the noted foreign military units who will attend the convention is to arrive. They are General Diaz of Italy and General Jacques of Belgium. Elaborate welcoming ceremonies have been arranged.

Treasury Blamed The treasury department of the United States is accused of delay in allocating the \$18,600,000 appropriation for the construction of new hospitals for disabled veterans. In a statement issued last night by Thomas Taylor, vice chairman of the national legislative committee, which says the question will be taken up at the convention and "the responsibility placed where it belongs."

AGENCIES ESTABLISHED

WASHINGTON, Oct. 29.—Establishment of agricultural loan agencies in Idaho and New Mexico was announced today by the war finance corporation. Crawford Moore was named chairman of the Idaho agency with headquarters at Boise.

FIRE REPORT MADE

EUGENE, Or., Oct. 29.—A loss of 113,600 feet of standing timber caused by 84 fires covering an area of 1500 acres in the western Lane fire patrol association district for the past season was today reported by Warden C. V. Oglesby.

CORNERSTONE OF NEW HOSPITAL WILL BE LAID THIS AFTERNOON

Plans are all completed for the official ceremony of the laying of the cornerstone of the Salem hospital this afternoon at 2 o'clock. The committee in charge of the ceremonies consists of August Hucklestein, chairman, Frank G. Deckebach and Mrs. Grover C. Bellinger.

The program for the occasion is as follows: Music by the Salem Cherrian band. Prayer by Rev. J. I. Evans of the First Christian church. Address by Mayor George E. Halvorsen. Address by Dr. W. H. Byrd, representing the medical profession. Address by Dr. B. L. Steeves on "Our Hospital." Address by Bert Fleaman of Portland. Benediction by Rev. J. R. Buck of the Catholic church.

Records Go Into Stone The Salem hospital board was organized in 1896 and among the records to be placed in the cornerstone are the names of those on this board, as follows: Mrs. J. J. Murphy, president; George Litchfield, vice-president; Frank L. Hodgkin, secretary; A. N. Bush, treasurer; William Gray, Frank Davey, Gideon Steiner, Thomas

and the present superintendent Gladys W. Steele, R. N. The following is a list of nurses who have been graduated: Bertha Savage, Viola Mann, Cora Smith, Myra Murphy, Grace Taylor, Pauline Pitt, Mary Myers, Lydia Thompson, Mary M. Patton, Julia Williams, Edna Pat, Emma Mashburn, Anna Boehringer, Mary Holstrom, Gertrude Galbreath, Elizabeth De Sart, Nellie Walling, Nellie Arnold, Marie Flewelling, Edith Graves, Loula Holmstrum, Lillian Jones, Mary Landon, Iris Loney, Gertrude Harrison, Cornelia Keizer, Grace Kellner, Marie Blodgett, Nell Coppock.

White robed spectres appeared at the Salem Deaconess hospital last night for the second time in a week. However, these ghostly visitors were not sheet-wearing masculine stalkers who seared women nurses and patients by kicking on doors and waving torches. Neither was an anonymous threat against county officials found in token of the uncanny visitation.

Indeed not. For the childish laughter resounded throughout the lower floor of the hospital and was perhaps heard by the patients in the rooms above. Games and pranks peculiar to the time of Halloween were indulged in and one of the merriest in the merry group was Sister Marie Wedel, head of the hospital.

THELMA PERRY FUN LEADER AT HALLOWE'EN FESTIVITIES

Other nurses who could do excused from duty were also there as guests for the entire evening's program was in charge of the little girls who regard the hospital as their home. There were a few hidden guests from the outside world, but the children very evidently had the whip hand in directing proceedings.

One unwary visitor, a rather retiring young man, was suddenly confronted by a tall, robed figure who baptized the victim with a glass of sweet apple cider and then delivered him to other robed figures. Suddenly the robe was whisked away and Thelma Perry, one of the leaders of the movement, was discovered as the "ghost."

Portland Will Entertain Japanese Business Men

PORTLAND, Oct. 29.—A party of Japanese businessmen who have arrived at Seattle on a tour of the country will be entertained here Monday. They will be welcomed by a committee representing the 1925 exposition and later will be taken on an inspection trip of Portland industries and terminals. In the afternoon they will be taken over the Columbia river highway.

Brumfield Stronger, is To Be Sentenced Monday

ROSEBURG, Or., Oct. 29.—Dr. R. N. Brumfield, who is to be sentenced Monday for the murder of Dennis Russell, was much improved and stronger today. He was up yesterday for the first time since his attempt to end his life last week by slashing his throat.

AGENCIES ESTABLISHED

WASHINGTON, Oct. 29.—Establishment of agricultural loan agencies in Idaho and New Mexico was announced today by the war finance corporation. Crawford Moore was named chairman of the Idaho agency with headquarters at Boise.

FIRE REPORT MADE

EUGENE, Or., Oct. 29.—A loss of 113,600 feet of standing timber caused by 84 fires covering an area of 1500 acres in the western Lane fire patrol association district for the past season was today reported by Warden C. V. Oglesby.

RELATION OF PROPERTY AND PROPOSED VIADUCT IS SHOWN

Although the proposed viaduct over the Southern Pacific tracks near the state fair grounds was given a temporary set-back at the meeting held at the Commercial club on the night of October 24, this was due to the fact that residents whose interests are in that immediate neighborhood constituted the big majority present.
