

SALEM BLOSSOMS WILL BE SHOWN

Two Local Growers and State Hospital Take Displays to Portland

That Salem will be well represented at the first annual chrysanthemum show which opens today in Portland was made known last night when it was found that two local growers would show in addition to an exhibit from the state hospital.

Outdoor grown flowers will be shown by both local growers. One variety to be shown by C. B. Clancy of Salem is the Harvard of which no other examples are entered at the Portland show.

That Salem entries at the show are as good as any shown is the statement of Salem people who have seen the display in the Green room of the Chamber of Commerce in Portland. More than 3000 blossoms will be shown from different sections of Oregon and California. Salem visitors to the Pacific International Livestock exposition may view the blossoms during the week.

Patronesses and wives of the members of the chamber will view the exhibit today. Tea will be served from 3 to 5 p. m. during which time a concert will be given by an instrumental quartet consisting of Frances Knight and Kathleen Jordan, violinists; Hazel Babidge, cellist, and Flora Mae Ross, pianist.

Thursday will be civic club day, and Friday there will be special features in celebration of Armistice day. Disabled veterans will be guests of honor and a dinner

TEN LADS TAKE TESTS FOR ARMY

Two Will Be Recommended for Appointment to West Point Academy

Major General Wright Visited Salem Yesterday

Major General William M. Wright, successor to General Hunter Liggett in command of the Pacific coast corps of the army, was in Salem yesterday for a brief stay en route to Portland, Vancouver barracks and Camp Lewis. General Wright spent yesterday morning at Corvallis inspecting the military activity at Oregon Agricultural college.

Tonight he will meet the officers of the Oregon national guard stationed in Portland at the Multnomah county armory and will then go to Seattle.

During the World war General Wright commanded the 89th combat division and the Third and Fifth army corps in France. Major Charles Gjedsted, commanding the Oregon coast artillery and assistant to the adjutant general of Oregon, served with General Wright in France as commander of the Fifth corps headquarters troop. Adjutant General George A. White, Major James Dunsbury and Major Gjedsted went from Salem to Corvallis on Monday night to meet the commander.

TEN LADS TAKE TESTS FOR ARMY

Two Will Be Recommended for Appointment to West Point Academy

Ten young men, all members of the Oregon National guard, presented themselves yesterday at the adjutant general's office for examination, with a view to securing appointment to West Point military academy. The examination was held at the armory.

The examination is competitive, the two making the highest record to be recommended to Governor Olcott for appointment to West Point and the final examination to be held at Vancouver barracks next March.

Those reporting yesterday for the examination, all members of the Oregon national guard, are as follows:

- Edward N. Patterson, corporal, second company, coast artillery corps, Marshfield.
- Walter D. Thomas, private, third company, C. A. C., Newport.
- Clifford W. Rich, first class private, fifth company, C. A. C., Albany.
- Harold G. Savage, first class private, second company, C. A. C., of Marshfield.
- Fay M. Bragg, corporal, separate company A infantry, O. N. G., Medford.
- Willis F. De Vaney, corporal, fifth company, C. A. C., Albany.
- Joseph V. McGee, first sergeant, fifth company, C. A. C., Albany.
- James H. Van Winkle, first private, fifth company, C. A. C., Albany.
- William R. Clary, corporal, first company, C. A. C., of Ashland.
- Clayton P. Smith, attending Williams-ette university.

The examining board consists of Col. Clarence E. Dentler of Portland, Col. J. S. Dusenbury of Salem, and George W. Hug, superintendent of the Salem public schools.

Besides the two who make the highest standing, there will be appointed two alternates. If the two who receive the appointment succeed in passing the examination next March at Vancouver barracks, their appointment becomes final and they report July 1, 1922, to the military command of West Point.

It may be said that no applicant may receive the appointment unless in the finest of physical condition. It costs \$15,000 to educate each man at the West Point military academy. Hence each man who takes the examination is given a physical examination by Captain Howard Garruth, of Portland, of the medical staff.

To the average young man who has aspirations of a West Point career, the start should be made by joining the Oregon national guard. This is according to the opinion of a military man familiar with conditions in Oregon.

WOMEN ARE NOT WANTED AT PARLEY

Annual Banquet of Cherrians to Be Old-Time Stag affair is Decision

At the annual initiation and banquet of the Cherrians to be held early in January there will be no women present. The event will be an old-time stag affair. This was decided last night at the monthly session of the Cherrians held at the Commercial club.

The hope was expressed that at this 10th annual initiation George Rodgers, King King of the early days of the Cherrians, might be present. As all old-time Cherrians remember, Mr. Rodgers was one of the live wires of the organization in its early days.

The annual Christmas tree of the Cherrians, which has attracted so much favorable attention each year, will be decorated and lighted with electric lights. This tree has now grown to considerable size since the Cherrians first decorated it for the holiday season. It is the large fir tree in the southwest corner of the courthouse square.

Should the city council decide to call an election to vote on the purchase by the city of the automobile park which brought thousands to Salem during the tourist season, the Cherrians will be on hand to aid in serving as clerks and judges of election, to save the city this expense. Upon a call for volunteers for this service, they responded.

am in the way as president, I therefore, resign as president, so I will not be in the way of the progressives who may run the council to suit themselves. "I wish to thank the brothers who have given their assistance to me during my four years as president. "Yours for the best for labor, "L. J. SIMERAL." In accepting Mr. Simeral's resignation, all delegates from the local trades unions expressed appreciation of Mr. Simeral's services in behalf of organized labor during his four-year term of office. At the same time the members stated that Mr. Simeral must have been misquoted as to reported expressions from him concerning differences existing in the local council.

for this inner guard. Before then will pass on Thursday a throng of Americans paying homage. Not a minute of that day but has been claimed by some person, or some society to lay a wreath on the casket, among them the British ambassador to testify to Britain's sympathy. The flowers will go later to Arlington to wither at last on the stone above the quiet nook in which the unknown will come to rest forever.

GROWTH RAPID AT SILVERTON

Houses Built Rapidly, But Not Fast Enough to Meet Necessities

SILVERTON, Or., Nov. 8.—(Special to The Statesman)—The housing situation in Silverton is again becoming serious, for although a number of houses are under construction all of the time yet more people come to Silverton right along than can be supplied with accommodations. During the last two months a steady stream of easterners has been arriving at Silverton with the intention of wintering here. Silverton citizens have done all in their power to accommodate these, many Silverton people even sharing their homes with strangers until other places could be found. It was reported at Silverton yesterday that 25 more families were expected this month. Although most of these have been and still are Scandinavians yet many of other nationalities are represented.

LIVESLEY NEWS

LIVESLEY, Or., Nov. 9.—The Red Hills district Sunday school convention was held at the Livesley Methodist church last Sunday. Three schools were represented, Rosedale Friends, Liberty and Prospect Hill, also a number of people from outlying districts were present. The program was interesting and inspiring. Mrs. L. G. Lee of the Highland Friends church spoke on "The School and the Church." Mrs. C. A. Hadley of the Rosedale Friends church gave an interesting demonstration on how to tell missionary stories to children, illustrating her stories with objects. Professor McCormick of Kimball college, gave a wonderful address on "The Bible, the Greatest Book." During the afternoon the Livesley male

BROWN DEFENDANT IN DAMAGE SUIT

Total of \$10,100 Asked by Mrs. Parmele as Result of Accident

A damage suit for 10,100 was filed yesterday in the Marion county court against William M. Brown, as alleged damages for an accident alleged to have been caused by the car which Mr. Brown was driving.

Nellie J. Parmele, the plaintiff, in her complaint, alleges that while riding in an automobile as a guest on July 14, 1921, the car was struck by a car driven by Mr. Brown and that as a result she suffered great physical and mental damage. She alleges that she was torn and twisted and that she suffered serious mental shock. She alleges that she was obliged to spend \$25 for a doctor's bill and may be obliged to spend more. For her physical pain and mental stress Mrs. Parmele asks damages amounting to \$10,100.

Mrs. Parmele has been appointed guardian of her 13-year-old daughter who was also a guest in the car which she alleges was struck by the car driven by Mr. Brown.

For her daughter, she has also filed suit, asking damages amounting to \$75 for doctor's bills, and damages for physical pain and mental stress, a total of \$5075. In both complaints Mrs. Parmele alleges that the accident was caused by reckless and fast driving, and lack of care on the part of Mr. Brown in driving, and also his lack of control of the car.

WHISKEY GONE, MEN RELEASED

Marshfield Officers Hunt for Ten Cases Brought Ashore From Wreck

MARSHFIELD, Or., Nov. 8.—Search for 110 cases of Canadian whiskey which was brought ashore from a small boat which was wrecked on the coast 10 miles south of Bandon, has so far been fruitless.

Ed Riley and John Schnaid, the two men who operated the boat and who were held in jail, have been released by Sheriff Ellingsen.

They claim their boat was going from Victoria, B. C., to Mazatlan, Mexico, when they were wrecked. They said they did not own the boat; were to be given \$500 each for making the trip. They said that when they had landed the whiskey from the wreck they gave a fisherman the engine from the wreck to haul the whiskey to his house and guard it until a customs officer could be notified, but that the fisherman, after undertaking the job, held the liquor and it was later stolen.

Officers here decided that they had no charge against the men who operated the boat and released them from jail, but will continue the search to find the whiskey.

PLURALITY BIGGEST IN GOTHAM'S HISTORY

time in that city's history. In Albany, home of William Barnes, returns at midnight indicated a victory for the first time in 22 years. Schenectady and Troy remained in the Democratic column, while Rome, which elected a Republican mayor two years ago, was re-captured by the Democrats.

Beer and Wine Platforms Win Buffalo and Rochester elected Republicans. In Buffalo the present mayor, George S. Buck, Republican, was defeated by F. X. Schwab, also a Republican, who ran on a platform declaring for an amendment to the Vermont act, to permit the sale of beer and light wines. Republicans won in Elmira by a landslide vote.

There was a Republican upset in Johnstown where Mayor William Chamberlain was defeated by Percy Ripton, Democrat. Lackawanna, the only city in the state having a Socialist mayor, was carried by the Democratic candidate.

The Republican majority in the New York assembly will be continued in 1922, as the result of today's voting. With only one district out of the 62 assembly districts in New York city reporting, and with five districts in other parts of the state missing, the figures showed 79 Republicans, or three more than the constitutional majority of the lower house have been elected.

Kohler Cleveland Mayor CLEVELAND, Ohio, Nov. 8.—Fred Kohler, former chief of police, independent Republican, today was elected mayor of Cleveland over Mayor W. S. Fitzgerald, Republican, according to nearly complete unofficial returns tonight.

Kohler's final plurality is estimated at 10,000. His election followed a house to house campaign without the backing of an organization and without him having made a speech. Mayor L. E. Hill, Republican, was re-elected in Lakewood, over Mrs. B. B. Pyke, member of the Democratic national committee. Mayor-elect Kohler is 56 years old. He entered the police department in 1889 and in 1892 became its chief. He was dismissed by the civil service commission in February, 1913, on charges of conduct unbecoming an officer, filed by former Mayor Newton D. Baker.

RAIPH McAFEE ADDRESSES STUDENTS AT WILLAMETTE

Ralph McAfee of Portland addressed the student body and faculty of Willamette university during chapel period yesterday. His talk emphasized the importance of this week and the coming conference to be held in Washington and the influence it would have on future generations.

He said: "The college men and women are living in an age in which they must take the leadership of the world. They must face the problems of our executives in a thinking manner. The college men and women must take their place in the leadership of their community."

Ashby, 219 South Nineteenth street, repairs and alterations to a one and one-half story dwelling at a cost of \$300.

A. L. Conger, one story dwelling at 2345 Cherry avenue, cost \$500. Joseph Baumgartner, alterations and repairs to two-story brick structure at 149 North Front street, to cost \$2500. William Lebold, 295 South Sixteenth street, alterations and repairs to one story frame dwelling, cost \$400.

MARKED REVOLVER BULLETS LEADING TO COMPLICATIONS

DEDHAM, Mass., Nov. 8.—Marked revolver cartridges alleged to have been introduced in the jury room by the jury foreman during the trial of Nicola Sacco and Batarlomeo Vanzetti, convicted of a double murder at South Plainfield in April, 1920, were cited in supplementary motions filed today for their retrial, Judge Webster said.

Saturday reserved decision on previous motions for a new trial for the men, whose conviction has been the subject of radical demonstrations chiefly in Europe and South America.

The motions filed today were supported by affidavits of counsel who interviewed jurors after the trial, of the widow of the foreman and of certain jurymen. Since the trial two of the jurors have died, including Walter Ripley, the foreman. No intent to take the cartridges into the jury room is alleged, the information asserting that Ripley, who owned a revolver and cartridges similar to those which the prosecution said were found on Vanzetti when he was arrested had carried them unwittingly into the room in his vest pocket.

BREACH IN PARTY BECOMES WIDER

Differences Over Surtax Continue to Keep Republican Ranks Apart

WASHINGTON, Nov. 8.—The breach in the ranks of house Republicans over acceptance of the senate maximum income surtax of 50 per cent continued to widen today.

House leaders sought to defer the fight at least until after re-writing of the bill by the conferees gets under way, but whether negotiations to that end which were opened with the "insurgents" would be successful remained to be decided. If the negotiations started today terminated without an agreement, majority leaders plan to bring in a rule to force the bill to conference without instructions.

Chairman Pearce of the senate finance committee, said he expected the bill to be ready for the president next week. Other senators and some house leaders were less optimistic. Estimates as to the time of final congressional action ranged from 10 days to three weeks.

Treasury experts completed estimates as to the revenue which would be yielded by the senate bill. The total for this fiscal year was placed at \$3,242,730,000, as compared with \$3,450,000,000 under existing law; that for the next fiscal year at \$2,717,280,000, and that for the calendar year 1923 at \$2,726,800,000.
