HERE IS WHAT THE TWO FIRST PRIZES WILL DO FOR YOU

\$400.00 will buy a building lot or start to buy a home for you. \$400.00 will pay for your boy's or girl's or your own tuition in college, music or vocational training. \$400.00 will give you a start in a business of your own. \$400.00 will buy a piano, phonograph, or pay for a splendid vacation. \$400.00 invested in Government or State bonds will bring you big earnings. \$400.00 will fill your wardrobe with new, stylish clothes. \$400.00 buys more now than it did a year ago.

AN EASY WAY TO WIN A FORD CAR

The total value of the first two prizes (\$400.00) almost equals the value of a new Ford car. The difference can easily be earned in 50 per cent commissions on additional subscriptions over and above the small number (6) subscriptions required to qualify your entries.

In this way you have an opportunity to secure a new Ford car with very little effort.
