Some Interesting Letters Written by Prize Winners in Former Puzzle Contests

He Won and Received a Five-Passenger **Overland Touring Car**

Lorne Hicks is a busy boy on a big farm, who won one of the finest prizes ever awarded

Lorne entered one of the recent puzzle contests, and qualified his entry promptly by securing only five subscriptions. His entry was awarded first prize by the judges, and Lorne and his father came to Toronto and drove home their magnificent car in pride. Many newspapers commented editorially on his winning this magnificent prize.

He wrote us the following letter in acknowledgment of his prize: Dear Sirs: The Overland five-passenger touring car has arrived and I must say we are all greatly delighted with it. It seems a wonderful prize to win with so little effort. Have had many letters from readers of your magazine from different parts of the country, some congratulating and others asking, was it really so, that I received the Overland car.

I must say that the management of your magazine have been prompt and courteous to me throughout the contest, and I wish your management every success in the future.

Yours truly,

LORNE E. HICKS.

Winner of Chevrolet Touring Car in Great Contest

I am pleased beyond measure to acknowledge receipt of your wire of the 5th inst., informing me that I was the successful winner of the first prize in the great Puzzle Contest. It would be impossible, gentlemen, for you to visualize my complete happiness in the receipt of such glad tidings, sufficient to say that was absolutely dumbfounded with joy. Please convey to your Judges my sincere appreciation and thanks for the great honor which they have bestowed upon my work.

In regard to the magazine, I consider it an excellent publication. In fact, for its cost. I think it excels anything of its kind published. It seems to improve with every issue. Be assured that I shall do all that is possible in the way of increasing its popularity in this city,

I only hope that my great success in this contest will be an inspiration as well as an inducement to others to try their luck. To such that may seem so inclined I would say, keep hammering; if you fail in one-try the next. Keep at it. Patience and perseverance overcomes many obstacles. As to getting subscriptions, get some sample copies and distribute them amongst your friends. The rest is easy. In other words, soliciting subscriptions becomes a pleasure instead of a task. Follow advices as I have done, and success as it has mine, will crown your effort. Before closing, I wish to thank you for your courtesy, and hoping to hear from you at the earliest possible date.
