Falling off of Exportables and Other Influences Held as Cause

CHICAGO, Nov. 23. - Heavy drew down the corners of her falling off in the estimated exmouth with a rueful expression, portable surplus of Australia together with the record-breaking low condition of the winter crop in Kansas did much today to lift am afraid I shall have to call in the value of wheat. Prices closed ner of my brain which ought to higher, with December 1.14 1/4 to house an understanding of mech- 1.14 5-8 and May 1.17 3-4 to anism is perpetually for rent un- 1.17 7-8. Corn finished unchanged furnished. I can't open a simple to 1-8c up, oats, unchanged to

The wheat market was a broad tion. He's the lad with the gimlet eyes which can bore through trade from the outside. Commission houses were especially active on the buying side, and were apparently much impressed by the Kansas state report showing a crop condition of 58.6, as against 88 last year, and a 10-year average of 87. Later bullish sentiment was further stimulated by glance, then looked away again word that the leading British autactfully. I was furious to find thority had reduced his estimate myself flushing not only at her of the Austrailan surplus to 86,involuntary comprehending glance but at a vivid memory I had of States visible supply was also a bullish factor, but the effect of this influence was diminished by announcement that the figures on the Gulveston stock as given out omitted to take account of grain on track. Dry w eather in Southern Argentine and the smallness of the Japanese crop continued to

receive attention. Corn and oats were relatively weak. Talk was current that the close of lake navigation would bring about stoppage of export business in corn. Scantiness of offerings tended to strengthen pro-
