

RAILWAY TOPS MONDAY TRADE

Price Movement on New York Exchange, However is Irregular

BOND DEMAND STICKS

Favorable Influence is Injected by International Remittances

NEW YORK, Nov. 28.—Rails and railway equipment continued to lead the further irregular price movement in the stock exchange today. The recent broad demand for high grade and speculative bonds was well maintained. The general stock list met occasional setbacks, however, such minor specialties as chemicals, fertilizers, sugars and mail order issues giving way to incessant selling pressure. Sears Roebuck was conspicuously weak because of rumors dealing with the preferred stock. Foreign oils eased, in contrast to domestic issues. Trading for the long account was favored by easier money and a brief rally in foreign exchange from the morning's low quotations. International remittances reacted favorably to unofficial reports that European bankers soon might meet to devise means of stabilizing their depreciated currencies in this country.

Buying of rails seemed to be based in part on the October tonnage reports and the October statements of such systems as Atchafalaya, St. Paul and the leading Pacific and coalers, nearly all of which showed gratifying gains in net operating income. The cheaper rails lost much of their advance in the heavy realizing of the last hour. Sales \$75,000 shares. The 5 per cent opening rate for Call money relaxed to 4 1/2 per cent at noon with an abundance of private offerings at 4 per cent. Brokers reported large sums available for 30 and 60 day loans at last week's moderate concessions but the longer maturities held firm. Liberty and victory issues again contributed predominantly to the heavy turnover in bonds. Liberty second 4's at 95.88 and first 4-1/2's at 97, established new high records as did victory 3-2-4's at par. Gains of one to two points were made by various underlying railroad bonds. Total sales, par value, \$22,650,000.

Electrical Utilities Are Accorded Hearing

Two proposed sets of rules to govern line extension of electrical utilities, presented at a hearing

UNCLE BEN SAYS: "There's many a good healthy little Navy that's born to waste its sweetness because it can't show through."

Women Should Not Lose Sentiment

No woman should lose the power to thrill at a moonbeam. Romance should not be allowed to die in the drum of practical affairs and dragging ailments. Women need to be keen to keep the lungs active, the liver alert and the kidneys in order. These are the organs that do most to help retain the health and freshness of youth. When they become inactive chiropractic spinal adjustments will remove the cause. Chiropractic spinal adjustments remove the cause of diseases of the head, throat, lungs, heart, stomach, liver, kidneys and intestinal organs.

HEALTH FOLLOWS CHIROPRACTIC CORRECTS PRESSURE ON SPINAL NERVES IN DISEASES OF THE FOLLOWING ORGANS: HEAD, EYES, EARS, NOSE, THROAT, LUNGS, LIVER, STOMACH, PANCREAS, BOWELS, APPENDIX, BLADDER, SPINAL CORD, UTERUS, VAGINA. Dr. O. L. Scott, Chiropractor, 414-19 U. S. Bank Bldg. Phone 87

on the question before the public service commission yesterday. Representatives of the utilities who were present yesterday made considerable argument against the commission's proposed regulations. The object of the hearing is to arrive at a uniform policy of regulating extensions. The substance of the commission's proposal is two-span extensions free of cost. On the other hand the utilities proposed a flat monetary consideration of about \$31 a span to reach customers.

ADVICE FOR WOMEN WHO SUFFER

"I advise every woman who suffers with kidney trouble to try Foley Kidney Pills," writes Mrs. Leslie Brauner, 2522 Scofield Ave., Cleveland, O. "I could not do my housework, but since taking Foley Kidney Pills I feel like a new woman and am able to do my work." Rheumatism, swollen ankles and backache, stiff joints, sore muscles and sleep disturbing bladder ailments indicate disordered kidneys. Foley Kidney Pills act promptly. Sold everywhere.

HULLT NEWS

HULLT, Ore., Nov. 28.—Ben Rode, a former resident of Hullt, spent several days this week visiting the C. F. Brown and Albert Oeder families. Mr. and Mrs. John Reinhart and son J. A. Reinhart, spent Thanksgiving day at their daughter's home, Mrs. H. J. Winter. Dorothy Van Gorder has been ill this week. Miss Kittie Souther left last week to spend a month in Hillsboro.

FLAX FACTS ARE PRESENTED AFTER STUDY OF SITUATION

The Willamette valley has established beyond question the fact that it can grow the finest grades of flax, according to Colonel E. Hofer.

He refers to the fact that until this year, flax has always brought good prices and that it has been demonstrated by private firms, that flax growing is one of the most profitable that farmers can engage in. Montana is now practically out of the flax business and San Francisco manufacturers prefer the Willamette valley to that of Minnesota or Canada, he says.

Colonel Hofer submits the following: "The Willamette valley has established beyond question its ability to produce the finest grades of flax. The soils, climate, water and atmospheric conditions are favorable. Production ranges from two to three tons dry flax to the acre. Minimum estimates taken from the records of the Turner plant show an average of one and one-fourth to one and one-half tons dry straw short flax for tow and from three to five tons per acre long flax flax."

Porter Brothers made a record of 14 tons long flax of first grade off three and one-half acres. Three acres near West Stayton yielded 15 tons first grade pulled flax. Four tons short dry straw make three tons threshed, yield 16 bushel of flax seed, worth \$24, and the three tons short straw make a ton of furniture tow worth \$34. Cost of manufacture: threshing \$6, and making tow, 18; total 24, or net to producer from four tons short straw, \$90. A 50-ton per day plant at peace wages will add 25

NEW CORPORATIONS

Articles of incorporation have been filed here by the Gillespie Mortgage & Finance company of Portland, capitalized at \$100,000. The incorporators are George S. Gillespie, A. B. LEWIS GETS FALL

NEW YORK, Nov. 28.—Ed "Strangler" Lewis won the first fall from Stanislaus Zyzsko in their two in three fall match for the world's heavyweight wrestling championship at Madison Square Garden tonight. The fall was accomplished with a flying headlock after 17 minutes, 31 seconds of wrestling.

Forward Movement Brings Two Score Into Church

Mr. LeGrand, leader in the forward movement campaign at the First Christian church, gave a short lecture Sunday morning to the Bible classes of the Sunday school on the industrial question, speaking from practical experience as a special worker in that line. He spoke to large audiences during

the day in the plain and pointed way concerning practical issues of life. The musical numbers by Mr. and Mrs. Howe and Mrs. LeGrand are commented on most favorably. Forty people have

taken their stand for the church during the first week and the full program of the movement will be accomplished. Mr. LeGrand will speak on "The Second Coming of Christ" this evening and Mr.

Howe will give "Rock of Ages" with musical coins. The men of the Bungalow and the First Christian churches will meet for a fellowship supper at 6:15 in the dining room of the First church.
