The Plan Disclosed.

Because of his obsessing, fanatical desire that I should know nothing of this woman he had foreborne to use against her the legal machinery that needed but a touch of his finger to set in motion. He was even preparing to sacrifice his slender resources to her avarice when in answer to my appeal. Lillian, calling upon Allen Drake to aid her, had effectually thwarted the woman, driven her

evil, sneering presence out of our lives forever. The keenest gratification I had felt at our triumph over her was the knowledge that my father, thanks to Lillian and Allen Draka, FOR REST-TWO HOUSES FOR REST, | would never know my connection with his rescue. His reference to it showed me that he supposed me to be in complete ignorance of the nature of that threatened drain upon him, and I thritied with gladness that through my

friends I had been able to avert with buildings, 3 acres legans, 5 acres this suffering from him, strawberries: a bargain at \$4900. "So there is no reason "So there is no reason." he resumed and I came to mental "attention" at his words, "why I should not indulge myself and you modern bungalow and garage, large in any reasonable pleasure.
