Big Forest Development In Alaska is Possible

WASHINGTON, Dec. 12 .- The nited States for the f'rst time as in Alaska an opportunity "to guide the development of an immense forest region from the standpoint of permanent national nterests," W. B. Breeley, chief of the forest service, declares in

his annual report tonight. "This means expansion of Alaskan forest industries as rapidly as there is a market for their products but within the limits and under the control necessary to for keep the land productive and Harriet Braithwafte's control of market the supply of raw mateand paper perpetual." he said.

He expresses the opinion that ble of supplying a third of the present paper consumption of the United States." The primary needs of Alaska,
