CLEARING OF THE BUSINESS SKIES
"Taken all in all, the outlook for business improvement during the winter, and particularly in the early spring, seems much better than at any time heretofore."

The fact that they will realize a profit of about \$6000 on account of the rise in the price of English pounds sterling figured in American dollars will be welcome news to the members of the prune pool of the Oregon Growers Cooperative Association.

After his lecture in Salem on Tuesday evening, Will Irwin told an interested group of friends that something significant is happening concerning his lately published and widely read book, "The Next War."

Irwin's publishers have been requested to give the right of translation into the Japanese language of the book and of parts of it. As English is taught in all the high schools of Japan...
