SALEM RESIDENTS WILL VISIT ISLE

Prominent Salem Folk Purchase Home on Pacific Island Near Mexico

About February 1, a number of Salem people who are interested in the island of Palmetto del Verde, in the state of Sinaloa, Mexico, off the west coast of Mexico, will leave to pay that island a visit. This is the Mexican island on the west coast of Mexico, just south of the southern point of the peninsula of California, that has attracted a number of Salem residents, several whom have already invested.

The island has about 70,000 acres and is about 300 feet from the mainland and is connected with the mainland by a bridge. Frank L. Purvine, associated with the Charles R. Archer Implement company, is already on the island inspecting his property.

D. G. Drager, county treasurer, is interested and will leave Salem about February 1, driving by auto to Long Beach where, with Bent Jones, he will drive to Nogales, and from that city take the train across Mexico to the railroad station on the main land, connecting with the island.

Mr. August of the Southern Pacific freight office, will also shortly leave for Mexico, and is already moving some of his household goods to Mexico and will make his home on the island. He will leave with the party about February 1. Dr. Brown, it is reported, will build a hotel on the island.

W. H. Welch, who recently sold his electrical business in the city, will join the excursionists. With his wife, Mr. Welch is now spending the winter at Long Beach.

Mr. and Mrs. A. I. Eoff may possibly join the party to post themselves more thoroughly on the new colony of Americans who are planning to make their homes south of the Tropic of Cancer.

It is also understood that George Swegel will make his home on the island and will ship to Mexico a tractor to hold the Americans in their agricultural development of the island of Palmetto del Verde. The nearest large seaport is Mazatlan, which connects with steamer service with San Diego. All parties making the trip will be obliged to secure passports.

Foley's Honey and Tar was a wonderful emergency remedy." Cases like this give Foley's Honey and Tar its reputation as the best remedy for coughs and colds. Sold every where.—Adv.

Gideon Stolz, Civil war veteran, is entitled to a look backward a number of years as his birthday was in 1844, while George Anderson, who attended the party, admits having been born in 1842.

H. S. Belle gave his year of

birth as 1845 and that was about the time this country was getting ready to pick a fight with Mexico, resulting in a war that gave us California. Frank E. Hodgkin of Vancouver, Wn., was born in 1846 and F. B. Southwick the same year.

E. A. Thatcher dates back to 1847 and so does Judge Thomas A. McBride, of the Oregon supreme court.
