Heavy Profit Taking, However, Leads to Decline. in Closing Hours

CHICAGO, Feb. 9 -Although wheat today reached new high price records for the season heavy profit taking sales subsequently led to a decline. Buying based on adverse crop reports was energetic at first but failed to last. The market closed weak, 1-2 to 1 3-8 lower with May 1.29 5-8 to 1.29 3-4 and July 1.15 5-8 to 1.15 3-4. Corn fin shed 5-8 a 3-4 to 1 1-8 a 1 1-4 down and in the cost of operation here and oats off 1-4 a 3-8 to 7-8. In provisions the outcome var-

ied from unchanged figures to cents higher. Many wheat traders showed from the start a disposition to realize profits on holdings and to regard unfavorable crop :eports as more or less exxagerated. For a while, however, demand for July continued to be aggressive, in-

-would embrace about onehalf of the total seeded area Notwithstanding that late mes sages told of dust storms aga:n in Kansas the news was without any apparent affect in rescuing the market from the price cecline which had set in

Liberal receipts of corn togeth-

er with talk of lack of available

storage room here tended to de-

press the value of corn and oats. Besides rural offerings increased and shipping demand here was slack. Provisions were dull but prices

were firm in line with the hog market.

Announcement After

Talk With Lasker

WASHINGTON, Feb. 9 .- The proposed organization of a \$30 -000,000 Pacific ports shipping comb'ne to purchase and operate shipping board vessels "must necessarily be held in abeyance" until congress has determined just what it proposes to do for upbuilding of the American merto Edw. E. and Eugene Bengs, 59 hacker of San Francisco, head of by 91 feet on Saginaw street, Sa- a celegation representing shipping and business interests on the west coast announced tonight afa ug board.

Details of the proposed organization, he said, are to he worked out by a committee, but he added that the plans were "wholly dependent on proper commercial aid to enable the American merchant marine to compete with ships operating in foreign trade under foreign flags."

"Inequalities." due to capital cost and cost of operation of American ships and certura forms of assistance rendered the merchant marine of other countries make it 'impossible' under existing laws. the conference decided, to form "a company of the magnitude contemplated." "Too many handicaps,"

Fleishhacker sa'd, "are placed on American shipping toda; by American law to justify the investment of millions of dollars in shipping enterprises. If the shipping word were to turn the passenger ships under constitution tion over to us as a gift today. with obligations to operate, they would prove an unprofitable investment, owing to the difference abroad.

"Foreign dominion of the seas" he added, "is made possib'e by legislation which is lacking in the statutes of the United States. It now turns out that the al-
