IDAHO DEFEATED IN FIRST GAME PLAYED IN EAST CAMPAIGN

INDIANAPOLIS, Ind., March 9.—Wabash and Kalamazoo were winners in the first round play of the national basketball tournament held here tonight.

Wabash, contenders for the championship of Indiana, easily defeated Illinois Wesleyan, champions of Illinois by a score of 39 to 16.

Kalamazoo, Michigan state champions, opened up a bewildering attack against Idaho champions of the Pacific coast conference, in the other contest, which the latter team was unable to solve, Kalamazoo winning by a score of 33 to 32.

Mercer university, runner-up in the southern tournament will meet Wabash tomorrow night in the semi-finals and Grove City college, said to be one of the strongest teams of Pennsylvania will play Kalamazoo.

The winners of tomorrow night's contests will play off the finals Saturday night.

DALLAS TO PLAY SALEM SATURDAY

Two Teams Decide Who is to Meet Winner of Silverton-Molalla Game

Salem high meets the Dallas basketball team Saturday afternoon in Salem, for the second game of the season. Salem won the first game a short time ago, at Dallas, by only one point margin; but the Dallas players protested the decision of Referee Zeller, claiming that they did not receive fair treatment. The game here will determine who is to meet the winner of the Silverton-Molalla game at Woodburn, tonight. The play-off will be held Monday, on some neutral floor, and the winner will be undisputed district champion, to attend the state tournament in Salem, March 16-17-18.

This means that whoever represents the district, will yet have to win two straight victories. The odds favor Salem, though it is conceded that the Dallas boys are formidable antagonists. To win two straight in any kind of competition is always an uncertain issue, especially against good teams.

petition. But the champs will have to do it this time.

The Salem boys have been going so strong during the last part of the season, that the odds clearly favor them for the state title. Coach Sparks has put in his best work, on an exceptional class of players, and who ever beats them as they now stand is of state championship calibre.

No definite information has as yet come in as to the teams that will attend the state tournament. Most of the teams have one or two games to close the season, the last of this week or the first of next, and many an upset is possible from the "don't already published." The full list will hardly be known before the middle of next week.

Silverton, Molalla, Dallas and Salem will all be allowed to enter teams to compete for the basketball championship of this district, according to the announcement yesterday of the committee of school officials which met in Salem to pick the winner of the title. Silverton will play Molalla in Woodburn Friday night. Salem will play Dallas Saturday afternoon here and the winners of the games will clash Monday evening on the armory floor to battle for the undisputed title.

Salem has a strong competition in this district which is composed of Marion, Polk and Clackamas counties. Molalla is the team which is at present giving the local squad the most worry as they have an enviable record during the season and the locals have not met them.

Beaver Basketball Team Will Appear in Portland

The Beaver basketball players of the Y.M.C.A. will go to Portland tomorrow to play the Arleta Juniors of the Franklin high school. The Portland players have not lost a game this season for those with an average weight of 130 pounds. The weight of the Salem players are about the same.

Strikes Recalled

"During the war while these boys were overseas, 5,500 strikes were carried on. They were striking for shorter hours and for more pay and they were doing it so successfully that up to November 11, 1918, not a single American steel pipe had been fired during the war.

"You men sitting before me cheered them madly and marched with them to the depot. And you did not go a damn step further. Suppose Germany had won the war. What do you think your taxes would have been? They would have been twenty times more than the bonus. During the war the ways and means committee authorized the issuance of over \$51,000,000,000 worth of bonds. Up to that time since the founding of this government, we had only spent \$31,000,000,000.

The Salem Senators, 135-pound champions of the valley, are to go to Portland Saturday, for a championship game with the Arletas intermediates, champions of their class in Portland. The local boys are expecting a hard, fast game, for the Portlanders have a big field to pick from, and they are known to be sure and fast. The Salem team, however, goes with every confidence of making it all the fight they can put up, and their showing Wednesday night warrants the belief that they will stay close to the top even if they do not win a decisive victory.

Among the possible candidates most frequently mentioned, there is a general conviction that Dr. F. L. Utter will soon be an avowed candidate for the mayoralty. Dr. Utter, who is a member of the city council, has not committed himself, although friends, assert that he will make 'em all stand aside when he enters the race.

Vandevort Smiles

Alderman Vandevort is one of the council's most fiery exponents of progressive city government, and while he is not actually committed to the race, local wise-ones contend that Vandevort would certainly make 'em guess, if he should be in the contest.
