Facts About the Catholic Church

What She Is! Her Aim and End!

Commencing Sunday evening, March 12th at 7:39, the pastor of St. Joseph's Catholic church will give the first of the series of four lectures for non-Catholics at the church, corner of Chemeketa and Cottage streets. The lecture will be short and directly to the point, and nothing to offend anyone will be said. The beautiful service of benediction follows. Everyone is velcome both Catholic and non-Catholic. Following lectures will be on Monday, Tuesday and Wednesday evenings.—Adv.

Turkish war in that section ond theme of paramount interest pre- at Harouni but finally escaped sented from the puipits of Salem with every one of their several hundred children in safety. Later state director, will deliver the Mr. and Mrs. Rambo had charge morning address at the First of the great Greek and Russian refugee camps at Bataum, Ga., where Queen Sophie of Greece sent them a personal message of recognition of their heriosm and the distinguished service rendered by them to her people. Mrs. Rambo speaks today at the Free Methodist church in the morning and the Liberty Street Evangelical in the evening.

Norcross Brilliant Speaker

The Court street Christian church has requested that D. E. Norcross occupy the pulpit there in the morning and present the Near East relief work. As field secretary in the state department Mr. Norcross has proven himself a real live wire, an energetic organizer and a brilliant speaker, thoroughly acquainted with Near East relief and its activities. Mr. Norcross will speak in the evening at the Center Street Methodist church.

The First Presbyterian and Unitarian churches will observe Near East relief field day on next Sunday. Mrs. Rambo will be the speaker.

Afternoon Meeting Today

Judge John H. Scott, county chairman of the near East relief. announces that there will be a meeting of the campaign committee, representing the various churches, clubs and other organizations of the city, at the First Presbyterian church this afternoon at 6 o'clock. Mr. Handsaker will be present atthis meeting and plans will be discussed for a community Near East relief week.

It will be necessary to change if the moving picture managers hope to make her a success in the south. Too many folks will think she is at the head of an "Uncle Tom's Cabin" outfit.

> like a vapor lamp and also like a lini-

Vapors set free by body heat

This druggist found a new way to combine the old time-tested remedles for colds-Camphor, Menthol, Turpen tine and other valued ingredients.

This salve is so made that when applied over throat and chest these ingre-dients are released as vapors by the body heat.

Grandma's method brought up to date The value of external applica-tions for colds, particularly those of children, has long been recognized.

In the days when grandma was the family doctor, goose grease mixed with campbor and turpentine was the fav-

Then came camphorated oil and vapor lamps. Vicks goes a long step

Colds should be

treated directly Colds are simply inflammations of the mucous membrane that lines the air passages and lungs and should be treated just as we treat surface inflammations, such as bruises or burns.

The medication should be applied directly to the inflamed parts. But the air passages can only be eached with vapors that can be in-

there was no convenient or economical method of supplying these vapors. A household reliance

saled. And until the discovery of Vicks

Used immediately after exposure it pelps to prevent children's colds. Applied at bedtime it is a safeguard against spasmodic croup.

\$1.50

THE MOTHER'S PROBLEM

Growing children need outdoor exercise.

With outdoor exposure comes colds.

Serious results often follow neglected colds.

But too constant dosing for colds is also harmful. To those mothers who haven't satisfactorily solved this problem, this message is directed.

It works quickly in sore throat, head colds and chest colds.

Vicks is just as good for grown ups, too—for tonsilitis, quinsy, deep chest colds, catarrh, bronchitis and

Its penetrative and rubefacient act ion makes it useful every day, also, for cuts, burns, scalds, bruises, bofls, itch-This treatment is a boon to mothers. ing skin troubles, chapped skin, chil blains and sprains.

OVER 17 MILLION JARS USED YEARLY

For any troubles, in fact, where there

/APORUB

the DIRECT treatment INHALED ABSORBED as a vapor

The state of the s

How Vicks should be used

For Spanmodic Croup, Children's Colds—Rub Vicks over the throat and chest until the difficult breathing is relieved, then spread on thickly and cover with a hot finned cioth. One application at bed-time usually prevents a night attack of croup.

For Head Colds, Asthma, Catarrh, Hay Fever -Vicks should be melted in

Hay Fever—Vicks should be melted in a spoon and the vapors inheled, or a little can be applied up the nostrils and snuffed up the head.

For Deep Chest Colds, Sore Throat, Tonsilitis, Bronchitis, Coughs—Vicks should be applied over the throat and chest—if necessary, first using hot, wet cloths to open the pores of the skin—then rubbed in well until the skin is red; spread on thicking and covered with one or two thicknesses of hot fiannel cloths. If the cough is annoying, swallow small pieces the size of a pea.

Vapors important

When Vicks is applied over the threat and chest, the bed-covering and coth-ing should always be left loose around the neck in the form of a funnel. As the body heat releases the ins vapors arise from the chest applic To get the fullest effect from these vapors should be freely in
