SPORTS ---- Here, There and Everywhere **PENDLETON TEAM IS ADVANCE GUARD OF TOURNAMENT QUINTS**

The advance guard of the high school basketball army that is to visit Salem this week for the state tournament, came in Wednesday afternoon-the Pendleton team, champion of its district.

The Pendletonians are under the command of Captain Dick Hanley, their coach. They have an interesting record for the season just closing, for they have won 16 schedule games and three practice games, and lost only two, both of these to the Washington State college freshmen. Among their victims are The Dalles, 4 games; LaGrande (out of their district) 4, and one each from a long string of other smaller towns near at home.
