Reports from Liverpool Dis- ticles were filed as follows: turbs Movement in Wheat Chicago Board

CHICAGO, March 15 .- Reports that prices for wheat at Liverpool were sharply lower had a depressing effect today on grain values here. Wheat in Chicago closed unsettled at 3-4 to 1 7-8 net decline with May 1.32 1-8 to 1.32 3-8 and July 1.14 1-4 to 1.14 3-8. Corn lost 1 1-4 to 1 3-4, and oats 3-8 to 1-2@5-8 cents. In provisions, the outcome varied from a set back of 7 cents to an advance of 5 cents.

According to one authority, the Liverpool market for wheat to be delivered immediately was in a semi-demoralized condition with prices down to a sensational extent, as much as nine pence a bushel in some cases. General selling here at the opening resulted, but subsequently opinion among traders appeared to be much divided, and rallies overcame a good part of the earlier losses.

Late advices from Liverpool seemed to be much at variance with earlier dispatches about the English wheat market and this erpool was given in some messages | Curtain is attorney-in-fact for as being the same as yesterday Oregon. both for immediate and future decausing the market here to recover in part from its weakness.

Corn and oats declined in sym pathy with wheat and as a result of slowness of export call for corn Provisions most of the day were weak owing to downturns in the
