

# SPORTS == Here, There and Everywhere

## MAY 20 IS DATE ANNOUNCED FOR COUNTY ATHLETIC MEET

May 20 is the date set for the annual athletic tournament of the Marion county high and graded schools, following the meeting in Salem yesterday of the athletic committee of the county principals' association.

Practically every field and track event ever used in scholastic contests will be staged: Mile run, half mile, 220-yards, 100 yards, 50 yards, low hurdles, mile relay run for five men teams, pole vault, shot put, discus, standing and running broad jumps standing and running high jumps.

The standard point system of marking will be used, 5-3-1, and Athletic Director Roy Bohler of Willamette university may be asked to officiate. The meet will be held on Sweetland field, Willamette university. No school may enter more than three contestants in any one event, save the relays. Cups are to be put up as prizes for baseball and the relay track events. The county has been divided into two districts, the north and the south, for the baseball elimination contests, and these district meets will be held before May 20, so that the baseball event of that day will be the final championship of the county.

Silverton, Woodburn and Hubbard will represent the north end of the county, with Turner, Jefferson and Stayton from the southern district. The officers of the principals' association are: E. F. Underwood, Stayton; J. P. Brown, Woodburn, and J. E. Coleman, Turner.

All the events are to be run double, under two separate classifications, the grade schools and the high schools. Both, however, will be staged at the same time

and place, though probably in different order so that spectators interested in any particular kind of athletics can see all of their own chosen kind serially.

Invitations are being sent out to all schools in the county, to send in their entries. A district tournament is to be held at Stayton, May 13 to which several of the Linn county schools will be invited, though the Linn county entries, even though winners at this meet, will not be eligible to the Marion county meet at Salem in general. It will be an elimination meeting, getting ready for the Salem tournament.

### JABS AND JOLTS

STOCKTON, Cal., March 25.—The Sperry Flour team of Stockton went on a battling rampage today and defeated Seattle, 9 to 4.

NEW YORK, March 25.—Nel Coogan, veteran Brooklyn lightweight, tonight defeated Jimmy Hanlon, Denver, receiving the judges' decision after a 21-round contest.

BOSTON, March 25.—Jock Malone, St. Paul was awarded the decision tonight over Augie Patner of New York, after he had finished with a burst of speed in the tenth round. The men are middleweights.

EVANSTON, Ill., March 25.—Evanston high, tonight won the seventh annual Northwestern inter-scholastic indoor track meet with 22 1/2 points. Forty-six institutions of the middle west were represented.

SACRAMENTO, Cal., March 25.

## SQUIRE EDGEGATE—A Will Doesn't Live Up to Its Definition Anymore!

BY LOUIS RICHARD

The Colored All-Stars playing the second of a three-game series scheduled against the Senators made it two straight today by defeating Sacramento in a hard-fought game of baseball, 4 to 3.

### Handball Singles Title is Won by A. S. Schinner

MILWAUKEE, Wis., March 25.—A. S. Schinner, Milwaukee, won the national singles handball championship of the N. A. U. today by defeating William Sackman of New York, two out of three games. Schinner lost the first game 21 to 19, but won the next two, 21 to 10, and 21 to 9.

The senior doubles title went to Max Gold and Maynard Daswell of Los Angeles, who defeated Sackman and Eddie Groden of New York, 21-12, 18-21, 21-16.

### COUNTY AWARDS THREE CONTRACTS

Aggregate Cost of Awards Made by Court Yesterday About \$8000

Three contracts were yesterday awarded by Marion county officials to successful bidders whose estimates were opened yesterday afternoon. Aggregate value of the bids for material and labor items for county road work will aggregate about \$8000.

D. R. Reasoner & Sons of Hillsboro were awarded the contract for crushing 6000 cubic yards of gravel at the Mt. Angel plant, which is the property of Marion county. E. G. Brown was the next lowest bidder with a figure of 85 cents. The two highest bids were submitted by J. M. Kennedy at \$1.13 and Tito & McCamey at \$1.13. Eleven contractors participated in bids on this item.

W. H. Bowman of Portland was the successful bidder for the hauling of 6000 yards of material from the Mt. Angel plant to road building projects in that district. Mr. Bowman's bid was the lowest figure when various hauls were averaged. His estimate was for 44 cents on a two and one-half mile haul. Rigdon & Rigdon submitted the next offer with a quotation of 50 cents on the same haul. Highest bidders in this estimate were J. F. Ireton at 80 cents and Bishop & Thomas at 77 1/2 cents. This contract attracted estimates from 21 bidders.

The third contract was awarded to Tweedie & Chase of Woodburn, who filed the lowest bid for hauling 7000 yards of gravel from the Stayton plant. This firm's bid was as follows: One mile haul, 24 cents per cubic yard; three mile haul, 60 cents; six mile haul, \$1.12. Chris Ringwald and F. L. Loose were next lowest bidders, asking 25 cents, 65 cents and \$1.20 for the same hauls. The highest of the 15 bids considered was filed by L. F. Ireton at 35 cents, 85 cents and \$1.60.

Work upon county roads will start about April 15, County Road master W. J. Culver announced last night.

Violet: "A cat has nine lives." Pansy: "That's nothing. A frog croaks every minute."

### Baseball Season Opens in Rural Communities

Baseball has started like a prairie fire in September, out in some of the rural and smaller town school districts. Turner and Amosville played a match game Friday, and two weeks ago the fifth and sixth grades of Stayton met the seventh grade of their own school in a finish game. The Stayton school has recently finished up a fine diamond, that was practically ruined last fall by the football field that was laid out over the old diamond.

### Schaeffer and Hoppe Ready for World Match

CHICAGO, March 25.—Jake Schaeffer and Willie Hoppe tonight virtually had completed their preparations for the world's championship 18.2 ballline billiard match starting Monday night which promises to be the greatest contest in billiard history. Hoppe tonight arrived from St. Louis where he has undergone an intensive course of training for his effort to win back the title he lost to Schaeffer last December.

The two billiard wonders have gone through a training which rivals the preliminary work for a world's championship prize fight. Road work, rubdowns, special exercises and regular rest periods were included in the program.

The match will be 1500 points, 500 points a night. It will be continuous—that is, there will not be a break the second and third nights but they will start with the balls in the same position at the end of play the preceding night.

### Stanford Beats Southern California University

LOS ANGELES, March 25.—Stanford defeated the University of Southern California in a track and field meet here today by a score of 55 to 46. There were two Pacific coast records broken. One by Hart Raft of Stanford in a discus throw with a distance of 147 feet 23-4 inches. The second was in the javelin throw when Hanner, also of Stanford, made a throw of 178 feet 11 1-2 inches.

### Babe Ruth's Homer is Victory Hit for Yanks

NEW ORLEANS, March 25.—"Babe" Ruth smashed out a home run in the sixth inning with two men on and proved the deciding factor in the victory of the New York Yankees over the Brooklyn Dodgers in an exhibition game here today.

Score—R. H. E. New York American . . . 7 13 1 Brooklyn Nationals . . . 4 13 3 Batteries—Jones, Mays and Schanz; Smith, Gordiner and Deberry, Taylor.

### Four World Records Are Shattered by Swimmer

PHILADELPHIA, March 25.—John Weismuller, of the Illinois Athletic club, in an attraction added to the intercollegiate swimming championship at the University of Pennsylvania tonight broke four world's records for the men's indoor individual junior championship, reducing time of the 200, 250, 300 yard and 300 metre events. His time was 2:05, 2:41 flat; 3:16 3-5 and 3:35 1-5.

### Plans Maturing for May Day Celebration

Additional May Day plans have been announced by Manager Fred Patton concerning the May Day at Willamette university. Committees are working on new stunts which will be released within a few days. The different characters are putting the finishing touches to several of these plans. May Day will be during Junior week-end, May 4 and 5.

Byron Arnold, chairman of the music committee is busy rearranging an orchestra. Something like a pie-eyes will be included. Arnold has some new and good ideas to put into effect.

The May day committee has formulated the May day dance plans. The maids of honor with the May queen as advisor will have complete charge of all May dances.

The freshmen are coming in for a spell for there will be special strict rules for them on that day. Their lot will not be an easy one if all plans are carried through.

Manager Fred Patton says that great plans are under way and the coming May Day will be one of the brightest and best days in the history of Willamette's May days.

### Production of Lumber is Ahead of Demands

For the first 11 weeks of 1922, mills reporting to West Coast Lumbermen's association, produced 36,106,964 feet more lumber than they sold, and 77,707,635 feet more than shipped.

The 11 weeks' production was 846,977,491 feet; new business, 745,970,527 feet; and shipments 758,369,856 feet.

One hundred and thirty-two mills reporting for the week ending March 18, manufactured 81,986,571 feet of lumber; sold, 89,247,132 feet; and shipped 75,892,921 feet.

Production for mills reporting was 8 per cent below normal. New business for the week was 9 per cent above production. Shipments were 15 per cent below new business.

Thirty-three per cent of all new business taken during the week was for future water delivery. This amounted to 29,427,132 feet, of which 21,488,006 feet will move coastwise or intercoastal; and 7,939,126 feet will move export. New business for delivery by rail amounted to 1,994 cars.

Forty-two per cent of the week's lumber shipments moved by water. This amounted to 32,092,921 feet, of which domestic clearances accounted for 19,515,176 feet, and over-seas clearances,

### IT TOOK SIX YEARS TO MAKE THIS BRIDAL GOWN.

Miss Yap Tain Lay of the Island of Madura, Dutch West Indies, was a bride at 13 years. She became engaged when she was 6. When the engagement was announced her parents began work on this wedding gown. It is of hand woven silk, adorned with hand beaten gold and precious stones.

state of things which at present exists in Russia, the custom has grown up of voluntarily abandoning the child to the care of the state.

Despite all obstacles, it was found that scientific studies in behalf of public health were pursued with the utmost zeal.

"In Moscow alone," the report states, "there were 12 municipal bacteriological laboratories, while in the Moscow district there were 30."

The league commission found the central public health administration in the hands of fully competent medical officers.

It found also that the difficulty of railway transport in Russia had tended to limit its cholera and typhus epidemic. If the railway traffic had been normal, the commission said, the cholera would have spread westward.

The commission declared that there was no doubt that the famine and spread of epidemics were related one to the other. "Cholera," it states, "seems to have been almost entirely limited to the famine district, while typhus is mainly restricted to the same district."

The commission suggested that the Russian government conclude a sanitary convention and an anti-epidemic agreement with adjoining countries. The people's health commissary expressed his readiness to do so and was particularly anxious to make such an agreement first of all with Poland.

The most remarkable temperance movement on record is that of the British national transport workers' federation, which has voted to establish a boycott against the liquor trade's "scandalous profiteering."

## TO PLAY FOR COLLEGE BASKETBALL TITLE

This photograph shows the University of Pennsylvania basketball team which will play Princeton for the collegiate title in Philadelphia on March 28. Top row (left to right): Jim McNichol, substitute forward; Goldblatt, substitute forward; coach, Eddie McNichol; James, substitute guard; Leopold, substitute center; Dessen, forward. Bottom row: Al Voegelin, guard; Walter Huntzinger, forward; Capt. Bill Grave, center; Emil Rosenast, forward, and Pos Miller, guard.

### Louise Lovely Has Liking for Dodge Automobiles

Louise Lovely, the prominent movie actress who played at the Grand in person Friday and Saturday, likes the Dodge motor car.

At least she likes it well enough to select it of all other makes of cars displayed in Salem in which to make her trip to the state institutions. Accordingly, upon her own personal request, a representative of the Bonesteels Motor company, local Dodge distributors, piloted Miss Lovely, her manager and Manager Laflair of the Grand to the various state institutions. Miss Lovely thinks Salem a most beautiful city. She spoke especially of the wide streets and the beauty of the many big trees.

### Penitentiary Inmates Plead Guilty to Theft

Jack Price and Robert Grant, both inmates of the state penitentiary, were brought up before Judge Percy Kelly Saturday afternoon, to answer to a charge of larceny. They are subjects of the secret indictment recently brought in by the Marion county grand jury. Both pleaded guilty to the charge, and will be sentenced Wednesday, March 29.

The men, who were trustees at the state penitentiary two years ago, made their escape taking with them a Hudson car belonging to Parole Officer Varney. They were located after a year of stolen freedom and returned to the prison, to serve out their original sentence. As their terms were almost completed, they were indicted for the car theft and now they face sentence on this charge. Price was originally set up for obtaining money under false pretenses, and Grant for larceny.

### SOVIET PRAISED WELFARE TASKS

Nations League Committee Reports Progress for Children of Nation

LONDON, March 6.—Two bright spots have been found in the Soviet regime in Russia by a commission sent to that country by the health committee of the League of Nations.

These spots are the provisions made for taking care of children and the attention paid to scientific research.

The commission found that, despite all difficulties, the Russian children apparently were being taken care of in a comprehensive way and that the present regime has done its utmost to obtain proper conditions for the development of the child. It adds, however, that "in view of the difficult

## Clothes Developed For You
