CALUMET HAS RAISED A NEW STANDARD FOR BAKING POWDER. Because it's made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful food. Because it possesses the greatest leavening power. Because it is not affected by time or weather—it never loses its strength and never fails. Because it is more economical—you save when you buy it and you save when you use it. These are a few of the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand. Try it—always buy it. Your grocer can supply you.

CLUBS AND WOMEN'S ACTIVITIES. THE Modern Writers section of the Salem Arts league was entertained at the home of Mr. and Mrs. F. S. Aberton, Saturday evening. Miss Laura Pratt of Corvallis, one of the three original members of the Modern Writers section three years ago, was a guest of honor. "The Gulf Between," a short story by Miss Pratt, was one of the features of the program. Poems contributed by members included "Stars," by Miss Renska Swartz; "The Souls Escape," "My Heart's Castle," and "Harlequin," by Mrs. J. C. Nelson; "When Tierrot Left Me Yesterday," and "England," by Mrs. Gertrude Robinson Ross. The evening was later given over to a social hour in honor of Miss Pratt. Mrs. J. C. Nelson was to have entertained the section this evening but because of the vacation at the university this week which makes it more convenient for Miss Minna Harding and Miss Laura Richards, they will entertain the group at Lausanne hall this evening. ACCOUNT GIVEN BY CHARITIES About \$1500 Paid in Since Organization—Entertainment is Boosted

Approximately \$1500 cash has been paid in to the Associated Charities fund since the campaign was started in the early winter. Of this, about \$300 was turned over by the churches, \$200 by private individuals, and \$1000 by lodges and various civic societies. This money has been expended, about \$200 for paid helpers, \$1000 for groceries, \$100 to \$150 for shoes, and \$150 for nurses.

In addition, about 5000 garments have been received and distributed to approximately 1000 people in 200 families. Other donations, not listed in the bought and paid for groceries, are 100 gallons of canned fruit, 1000 pounds beans, 1000 loaves of bread, 100 sacks of potatoes, and 25 sacks of flour. Between 600 and 700 pairs of useable shoes of all kinds have been received; 100 overcoats, 50 suits, and 75 women's coats, besides other unclassified garments in large numbers.

The March bills are estimated at close to \$350, and it is believed that at least \$350 will be needed for April, after which spring work will open so that not much need will remain for general charity. But these two months' bills leave \$600 unprovided for. The big charity concert set for Wednesday night at the armory, every detail of which is being donated, is hoped to bring in enough funds to clean up the year with nobody in Salem suffering for food, clothes, shelter, fire or medicine.

This concert will not have any "overhead." It is all given. The printing, the musical talent, the armory rental, everybody who can help, is doing it without price. The sale of tickets up to the present has not been nearly as large as hoped for. A full house will amply take care of the Associated Charities finance for the rest of the year.

prations," is his slogan. His platform reads: "Work for the reduction of taxes, bond issues and appropriations of public funds; for more equitable distribution of the tax burdens; I advocate fewer laws and such laws as are based on justice instead of special privilege. I favor the public school system and the higher educational institutions, but believe they should be more efficient in service and more economically administered. I believe there is urgent need for better farm to market roads which will serve agriculture, the basic industry of the state."
