HOPPE PROVES GAME BUT SCHAEFER WINS AGAIN LAST NIGHT

CHICAGO, March 28 .- (By The Associated Press)-Willie Hoppe tonight gave one of the gamest exhibitions of billiards in his long career, but was unable to overcome the spectacular playing of the champion, Jake Schaefer, in their 1500 point 18.2 balk line match for the world's title and the second block of play ended with "Young Jake" still in the lead, 1,000 to 952. Schaefer won tonight's block 500 to 486, but at one time led his challenger 300 to 97.

Before the start of tonight's play, the balls and the table again were carefully tested to see if the weather or the movement of part of the audience on the stage had affected them.
