MISS LOIS WARNER announced her engagement to Floyd Reeves of Portland recently, at a charming luncheon at which Miss Mildred Garrett was hostess. The color scheme,

which was in yellow, was particularly effective. On the table was a beautiful basket centerpiece of daffodils and spring buds. Tall, yellow candles shed a soft light over the table. Dainty yellow bags served as nut-baskets until the interval between the second and third courses of the luncheon when each guest was told to "let the cat out of the bag," whereupon clever little black cats were discovered, bearing the secret, written on tiny gilt hearts. In the bag at Miss

Warner's place was concealed the ring.

Miss Warner is a senior in Willamette. She is a member of the Adelante Literary society. Mr. Reeves is director of boys' work at the Centenary Wilbur church in Portland. Miss Warner and Mr. Reeves have been chums since their high school days. They were freshmen together at the University of Idaho and later both graduated from the Chicago Evangelistic Institute. After the necessary preparatory work, Miss Warner and Mr. Reeves plan to go to South America as missionaries.

The attractive daffodil place cards marked places for the following: Miss Esther McCracken, Miss Marguerite Cook, Miss Esther Paroungian, Miss Lorlei Blatchford, Miss Faye McKinnis, Miss Irene Walker, Miss Emma Shanafelt, Miss Marie Corner, Miss Mae Beissel, Miss Lila Geyer, the guest of honor, Miss Warner, and the hostess, Miss Gar-

rett. Miss Pauline Rickli and Miss Faye Spaulding served.

Miss Elizabeth Levy and Harry Levy drove down to Portland yesterday to attend the Kriesler concert. Miss Mary Scholette, Faye Irwin, Theodore Madsen and Clyde Madsen were also members of the party.

Miss Irma Botsford, who has been visiting with her mother, Mrs. E. E. Botsford following the close of the winter carnival season of the Ellison-White circuit, left yesterday for Denver. The summer season of the Ellison-White southern circuit will begin April 21 in New Mexico and Miss Botsford will resume her position as director of the southern circuit.

The extra dance of the season for the Monday Night Dancing club will be given the second Monday in May, according to the plans of members. Officers for the coming year were chosen at this week's meeting. George G. Brown succeeds W. M. Hamilton as president. Other officers are Millar McGilchrist, secretary and Linn C. Smith treasurer.

Mr. and Mrs. Robert E. Shinn are receiving the congratulations of their many friends on the birth of a son, William Robert, April

7 in Portland. The baby has been named for his father and grandfather, Dr. William Jasper Kerr of Corvallis. Mr. and Mrs. Shinn reside at "Skyline Orchards," near Salem.

Mr. and Mrs. Louis Bechtel and son, William, arrived home Tuesday evening from Long Beach, Cal., where they spent the winter. They made the trip both ways by automobile.

A church social will be given this evening in the Keizer schoolhouse. Willamette university students will furnish the entertainment. Lunch will be served following the program.

Miss Esther Jensen of Hubbard and Arthur Dether of Portland were married Saturday afternoon at the Evangelical church parsonage. Rev. F. W. Lauer officiated. Only relatives and a few friends were present at the wedding service.

The F. E. F. H. club will be entertained Friday evening by Mrs. O. L. Scott.

Judge and Mrs. George G. Bligham returned Tuesday evening from Portland.

Mr. and Mrs. W. F. Drager are in San Francisco for a few weeks' business and pleasure trip.

The republic of China has declared war. Children, get out your maps and locate China.
