**Feels Like a New Woman**  
"I was a sufferer from kidney trouble for several years," writes Mrs. Arthur Demulle, R. F. D. 1, Grasmere, N. H., "and suffered so much I felt completely lame all over. Since I have been taking Foley Kidney Pills I am not so lame. My back ached all the time and my eyes were all a blur. Now I can see fine and feel like a different woman. Since I have taken two bottles of Foley Kidney Pills I don't have that tired feeling. I can do my own work now." They bring quick results. Sold everywhere.—Adv.

**"MINERS" IN CITY MAKE UNIQUE SHOW**

Flapjack Jack Is Busy Boosting for the Albers Bros. Milling Company

Six "miners" staked out their claims and pitched tent in Salem grocery store windows this week where you may see them busy preparing breakfast of flapjacks over glowing camp fires.

The "Miner" represents Albers Bros. Milling company's trademark and, while entirely mechanical is doing a most human stunt with remarkable precision.

Charles O. Stevens, representative of the Portland branch which is one of the eight mills on the coast, says the "miners" will appear at the following stores, where also, you will receive a

**TO DARKEN HAIR APPLY SAGE TEA**

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed in a heavy tea, with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store, all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.—Adv.

pleted their course. The instructor in charge is Mrs. F. E. Barker, well known in the city, and the organization is supervised by Director E. E. Elliott and Miss Martha Davis, supervisor in home economics for the state board for vocational education.

For the purpose of demonstrating the success of this work, the women enrolled in the classes are arranging for a style show which will be given next Friday, April 14, at the Salem Commercial club rooms. The display will be in charge of several committees on arrangements, program and entertainment. There will be music and an address on "Nutrition and Dietetics" by Miss Bernice Wait of the department of household arts of O. A. C. Refreshments will be served to visitors.

The chief attraction will doubtless be the display of garments and millinery made by the various classes.

The exhibit will be open to all persons interested from 3 to 5 on Friday afternoon and from 8 to 10 during the evening.
