DEMPSEY, LEONARD AND BRITTON WILL FIGHT CHALLENGERS

MICHIGAN CITY, Ind., April 17.—Dates on which Jack Dempsey, heavyweight champion, Benney Leonard, lightweight champion, and Jack Britton, welterweight champion, are to defend their titles in matches here were announced to night by Floyd Fitzsimmons, promoter for the local post of the American Legion.

Fitzsimmons exhibited contracts signed by the champions and said that Leonard would fight July 4, Britton would fight August 5, and Dempsey would appear Labor day. Leonard is to get \$40,000. His opponent's name will be announced late this week, Fitzsimmons said. The money and opponents of Dempsey and Britton will be fixed later.

Construction of an arena to seat 40,000 was begun today.

CARD IS COMPLETE FOR NEXT SMOKER

Bouvier of Salem and Graves of Independence Will Go Preliminary

Ray Bouvier, of Salem, and Young Graves, of Independence, have been matched as the fourth event on the regular Company F smoked, for Friday night, April 21. This makes the full card, the main event of which will be battling Syverson of Salem and Frankie Crites of Newberg.

Syverson has appeared two or three times in Salem, always showing a gameness that has pleased the crowd. He had fallen into a bad habit of open-mouthed snapping that made much noise but brought no verdicts. To correct this, he went up to Portland for a month and mixed in with all the top-notchers in their training; and what he has learned will bring joy to any one who likes

em straight out. In Crites he will find a touch, resourceful fighter, of exactly his own weight. Syverson especially is a long-distance fighter. He has the stamina of a granite boulder, and with his new punch he ought to make the grade against the best of the boys anywhere.

High School Ball Game Postponed Until Friday

The baseball game which was to have been played between the team of Salem and Columbia at Oxford park this afternoon has been postponed until Friday, when the local high school nine will match the Portland school. The postponement came as the result of a message from Columbia university stating that because the spring vacation had not yet closed it would be impossible to assemble the team.

WASHINGTON WINS IN WEIRD GAME

Wet Weather Blocks All Other Games in American League Yesterday

WASHINGTON, April 17.—(American)—Washington defeated Philadelphia today 11 to 9 in one of the weirdest games ever seen here. The visitors used 14 players and the locals 16, ten of the total 30 players being pitchers, five for each club. Of the entire pitching array, Phillips alone proved effective for more than one inning. The winning runs made in the seventh, were charged against Yarrison who yielded a single to Lamotte and walked both Peckinpugh and Garrity to fill the bases, with none out. Rommel then succeeded Yarrison and four runs developed from Goslin's sacrifice fly, a triple by Judge and a double by Harris.

Score: R. H. E. Philadelphia 9 14 0 Washington 11 14 3 Moore, Sullivan, Heimach, Yarrison, Rommel and Perkins; Mordridge, Brillhart, Woodward, Zachary, Phillips and Garrity. St. Louis at Cleveland postponed, rain. Detroit at Chicago postponed, rain. New York: At Boston (Called end second inning, rain).

ALBANY MAN IS HELD IN PRISON

Hecker Suspected of Doing Away With Frank Bowker While Bootlegging

PORTLAND, Or., April 17.—B. G. Hecker, 24, of Albany, Or., surrendered himself into custody of the police late today and was held on an open charge, following the disappearance of Frank Bowker, a musician who was last seen late Sunday night leaving with Hecker in an automobile to go to an outlying district, according to a story told the police by Albert Powker, brother of the missing man.

An automobile which Hecker borrowed from a friend was returned to the owner today, bloodstained and with a new seat cushion in it. Hecker refused on advice of his attorney to make the slightest statement.

Albert Bowker's story to the police that his brother had taken \$400 in money with him last night and that he had an agreement with Hecker to buy from him a quantity of liquor which Hecker said he had cached in a suburban hiding place.

When the two men failed to return last night, Albert Bowker told the police of his fears and while they were engaged in searching for Frank Bowker, Hecker returned the automobile and surrendered himself.

Here Are Correct Names of Oregon Institutions

Few people in Oregon, it is believed, know the correct names of the state institutions. Comment to this effect was made by R. B. Goodin, secretary of the state board of control recently, after he had been reading about some of the institutions in the newspapers.

"Here are the right names," said Mr. Goodin, indicating the list on a board of control letterhead. This is the way they are officially written:

Oregon state hospital; Oregon state penitentiary; State institution for Feeble-Minded; Oregon State Training School; Oregon State Tuberculosis hospital; Oregon State School for the Blind; Oregon State School for the Deaf; Oregon State Industrial School for Girls; Eastern Oregon State hospital; Oregon State Soldiers' home; Oregon Employment Institute for the Blind.

Sixteen Persons Added to Turner Methodist Church

TURNER, April 17.—Sixteen persons were received into the fellowship of the Turner Methodist church, nine in preparatory connection and seven as full members on Easter Sunday. The baptismal covenant and seal was administered to 15. The pastor's morning address was "The Living Christ."

One hundred and twenty-five people witnessed the pageant, "The Gate Beautiful," which portrayed a continuous story of the last days of Christ on earth, in the evening. Special lighting and musical effects added to the impressiveness of the presentation. The dramatic reading of the story was given by the pastor, who also directed the pageant.

The church is showing marked progress under the leadership of Rev. Ralph I. Thomas, its pastor.

BREAD QUESTION BEFORE COUNCIL

Fight Started Over Effort to Tax Sellers Who Bring It From Abroad

"I want to call this council's attention to this vicious effort to protect our bread merchants who are selling high priced bread although the war is long since past and wheat is now 90 cents and \$1 a bushel when it was \$3 and \$3.50," asserted Alderman Henry Vandervort at last night's session of the city council.

"I agree with you, Henry," observed Mayor George Halvorsen. Vandervort's statement was evoked by Alderman Joseph Baumgartner's demand for an ordinance which would impose a high license fee upon "venders" who sell bread that is made outside of Salem.

"Such an ordinance has already been asked for and will be presented at the next session of the council," said Alderman Hal Patton, who took exception to Vandervort's attack.

ARREST ENGINE, BOOZE HANDLER

SPOKANE, Wash., March 15.—Though out of jail on \$15,000 bonds, an electric locomotive and freight car operated by the Spokane & Eastern railway and Power company over the com-

pany's interurban lines must be produced in the federal court in Spokane in May, when it is expected the railway company will be tried for alleged transportation of liquor. Federal officers claim to have found five cases of liquor in the car at Colfax recently.

"It's silly," declared Waldo Paine, traffic manager of the company, in commenting on the temporary release from custody of the car. "The law was meant to cover only automobiles in which liquor is transported. A similar case in which a Pullman car was involved was tried recently and the car dismissed."

Bond for the release of the law-breaking rolling stock was posted personally by the officers of the company. The freight car is the property of the Great Northern railway, it is said, but it is on the Spokane and Eastern rails.

City Recorder Race reported that no replies had been received from advertisements for bids on hay. Alderman Vandervort attacked a proposal that the recorder be permitted to purchase hay in small lots.

"There are any number of farmers who would sell hay to the city at a price much lower than that demanded by dealers who must have their profits out of the transaction," declared Vandervort. The council gave Vandervort authority to search for farmers who would submit bids this time.

Upon motion of Mayor Halvorsen, the council last night extended a vote of thanks for faithful and consistent service rendered by J. A. Jefferson, who submitted his resignation recently.

Army and navy officers have formed a matrimony club.

Not for the purpose of evading a married career, but with the fixed and definite ideas of going after it. Membership in the club is a personal advertisement of a passion for matrimony. The officers are going to acquire wives if they have to lasso them on the dancing floor. The task before them is neither difficult nor terrible, at that.

Seven millions of Austrians are out of employment.

But this does not include their former employer.
