sessions operations were characterized by much irregularity, due largely to professional pressure. Quoted values tended mainly upward at the outset, but the rise met with extensive offerings of steels, popular oils, motors and allied specialties, utilities and

several of the dividend paying rails, effacing much of the initial advance. Short selling was invited by last Saturday's address of the comptroller of the currency before banking interests in which alleged extravagant speculation on the stock exchange was depreciated on the ground that it might cause

tive enterprise. ALL ROUND KNOCK
