TONGUE PRAISES RALPH WILLIAMS

And He Denies a Malicious Report of the Opposition of Senator McNary

(Oregonian, Wednesday, April 26) "Wide circulation, both in the press and by 'passing the word along,' has been given a malicious report originated by the opponents of Ralph E. Williams, to the effect that Senator McNary questions the loyalty of Mr. Williams and is opposed to his re-election as Republican national committeeman," said Thomas H. Tongue, Jr., Republican state chairman. While in Portland on business yesterday State Chairman Tongue took occasion to give the rumor "one on the chin." "I know this report to be absolutely false and untrue," continued Mr. Tongue. "The story is unauthorized, unfathered and underhanded. It is election propaganda pure and simple, created for a purpose, and should not mislead the friends of Senator McNary nor anyone else."

Part in Contest Denied In a telegram to me, bearing date of April 22, 1922, Senator McNary said: "Am taking no part in contest for national committeeman nor in any other political contest. In deed, no one has ever requested an expression from me concerning any of the candidates, and I have authorized no one to speak for me."

"I positively know from recent correspondence with the senator that he not only does not question the loyalty of Mr. Williams, but feels exceedingly friendly to him. "Since his election as Republican national committeeman for Oregon, Mr. Williams has done everything in his power to build up the Republican party, to do away with factional differences, to secure harmony and to elect the entire Republican ticket at every election."

Mr. Williams is Praised. "Recognition by the Republican national committee of the high order of ability and untiring service of Mr. Williams to the party resulted in his election to the vice chairmanship of the Republican national committee, an honor never before conferred upon a western man. This reflects credit not only upon himself but upon the state of Oregon. "It is one of influence secured only by painstaking labor and years of service. It means much to the state, and it would be a serious mistake at this time for the Republican voters of Oregon to defeat Mr. Williams and elect a new man who would be at the foot of the committee instead of its vice chairman."

Vote for HUBBS for Senator Pledges of Economy in Themselves Are Meaningless For the last decade or more, Oregon has been worrying along with taxes doubling. Administrations have come and gone. Each left a bigger indebtedness than when it took office. Taxes have become gigantic. Business men, farmers, laboring men alike are staggering beneath the enormous weight thrust upon them by the mistakes of past officials, whose extravagance and deficiency are notorious. Mr. Hubbs was selected upon its record and qualifications to assure the county of a clean, competent, economical administration. Mr. Hubbs has ably served as councilman, chairman of the School Board of the City of Silverton, and a member of the Good Roads Committees for a number of years. Those who are most familiar with county affairs concede him to be the best candidate offered for the position of State Senator. The best assurance that a man's conduct in public office will be for the best interest of the county is an investigation of his previous record. The record of Mr. Hubbs needs no explanation or excuse. It stands for itself, a monument to his honesty, prudence and economy. Examine the Records and Ascertain Some of the opposing candidates will make promises relative their prospective positions regarding certain administrative acts, with the desire to secure votes of the persons who may not trouble themselves to make an investigation of the possibility of making good these promises. Don't accept political propaganda without examination. The advancement and prosperity of your county is at stake. Mr. Hubbs on his record is a man whom the people of Marion county can conscientiously support and give their fullest approval. His experience and close touch with existing conditions make him the logical candidate for Senator. HUBBS FOR SENATOR CLUB (Paid advertisement)
