## PROGRAM PREPARED FOR AUTO RACES TO BE HELD ON JUNE 3

Ten events, including six automobile races and a motorcycle race, will comprise the program for the big card to be held at the state fair grounds at Salem on Saturday, June 3, according to the complete program for the races announced yesterday by those in charge. The program was duly filed with the American Automobile association, in accordance with rules governing all sanctioned races.

Over \$600 in cash prizes and silver loving cups said to represent over \$500 in value have been put up as prizes. The opening event is scheduled to start at 3 o'clock in the afternoon and arrangements will be made to run the programme off in fast and snappy style, it is declared.

The program follows:

No. 1.—Automobile dealers parade around the track.

No. 2.—Women's exhibition of fancy driving, silver loving cup for first place and other prizes, winners being determined on points.

No. 3.—Mile against time to determine positions in all events.

No. 4.—(Class B)—Dealers' stock car race for cars of 230 cubic inches and under. Distance 10 miles. First prize, silver loving cup.

No. 5.—(Class B)—Dealers' stock car race for cars 300 cubic inches and over, 10 miles. First prize, silver loving cup.

No. 6.—(Class B)—Dealers' stock car race free for all; 15 miles. First prize, silver loving cup.

No. 7.—(Class C, Division 5)—Professional cars, 230 cubic inches and under, qualification trials 10 miles. First prize and second, silver loving cup.

No. 8.—(Class C, Division 6)—Professional cars, 300 cubic inches and under, qualification trials, 10 miles. First prize and second, silver loving cup.

No. 9.—(Class D, Division 7)—Professional race, free for all, 15 miles. First prize \$300 cash; second prize \$125 cash; third prize \$75 cash.

No. 10.—Motorcycle race free for all, 15 miles. First prize \$50 cash, second prize \$25 cash, third prize \$15.

In addition to the above cash prizes cash awards in amounts to be determined later will be given as lap prizes in the professional events. The rules of the A. A. A. prohibit cash prizes for dealer amateur events, so loving cups are being provided instead. The classifications and divisions given above are those of the A. A. A. and rules of that organization will govern throughout.

All races, according to the rules, will be from standing start, excepting the mile against time. Entries for all events will close promptly on May 29, and all entry blanks must be in by that time. This is an A. A. A. ruling and cannot be deviated from. One copy of each entry blank must be mailed to the A. A. A. headquarters in New York on or before that date and one copy mailed to Frank Watkins, Portland, Oregon representative on the A. A. A. race board.

Such keen interest has been manifested in the Salem races and the event has grown to such greater proportions than were originally expected that a reorganization was effected last week and a new organization was perfected to have entire charge of the big event. This new body is known as the Oregon Auto Racing association, and is composed of J. J. McCall and A. E. Sparr, Portland advertising men, and Stanley Stewart, a prominent race driver of this city. Gus Duray, race driver who made the original plans for the race and directed it up to the formation of the new association, will not be associated with the race in a managerial capacity, but will continue to have charge of entries.

Work of drawing up a list of officials and judges will be accomplished within the next few days, and those in charge expect

 OAKLAND, Cal., May 13.—Buzz Arlett pitched the Oaks to victory over Portland, 8 to 4 today, in winning his ninth game this season. He has lost one. Although he allowed 12 blows, with men on bases, he was stingy. The Oaks were aided by the Beaver's loose play in the field, the visitors' four errors all being costly. Umpire Carroll banished McCann in the fourth, after the Portland shortstop had struck out and heaved his bat at the grand stand. Mitze suffered an injured right thumb from a foul tip in the seventh and read finished behind the bat for Oakland.

Angels 6, Sacramento 2  
 SACRAMENTO, May 13.—Los Angeles nicked Bill Prough for 13 hits during today's Moreing Field combat, clustering them in the first, fourth, fifth and seventh periods. In the meanwhile Long Tom Hughes kept the clouts scattered, save in the second and fourth innings, with the result that the Angels defeated the locals in their fifth straight game, counting 6 to 2.

Seattle 14, Vernon 8  
 LOS ANGELES, May 13.—Seattle outslugged Vernon here today and won 14 to 8. The Tigers used five pitchers in an effort to stop the Indians. Ver non had the best of it in the early innings, knocking Schorr from the box in the third when Hannah hit a home run with Smith and Sawyer on. The game went to Seattle in the sixth when they scored nine runs. Every Indian crossed the plate during the game with the exception of Connolly, who was chased by McGrew for disputing a decision.

Willamette now stands as Undisputed Superior in Racquet Game

Willamette now stands as the undisputed tennis champion of these parts, having won clean, decisive victories over the University of Oregon, and Washington university, and yesterday the Bearcats made a clean-up on O. A. C. The Bearcat squad is to start within a few days for a tour including Idaho State university at Moscow, Washington State college at Pullman, and perhaps the Spokane and Multnomah Athletic clubs.

The games Saturday at Corvallis, demonstrated a clear superiority on the part of the Willamette team. The courts are dirty and dusty, and it's almost like a different game from that played on the lightning-fast concrete courts of Willamette. But the visitors were able to pull through the series with a good margin.

In the morning, Moodie won, and Doney and Huston each lost to the O. A. C. racquet wielders. But in the afternoon Moodie and Doney beat Captain Joy and Mabery, 86, 7-5 and 6-1. Moodie and Huston then won from Joy and Kincaid, 6-2, 6-2, giving Willamette the series.

Frank Willman, the tennis expert from Salem, who has followed the game here for years and who drove down to Corvallis to see this match between his boys and the O. A. C. players, reports that the Willamette players were especially effective in lobbing the ball to the back of the court, where it would be lost in the

### LINFIELD WINS FROM BEARCATS

Rabbit's Foot Missing When Willamette Meets Visiting Nine Yesterday

The rabbit's foot was missing when the Bearcats met Linfield college in a baseball contest on Sweetland field yesterday. Linfield won by a score of 7 to 3. P. Larson and Soren were the battery for the victors while Ashby and Ellis were batteries for the Bearcats.

The game was not marked by any special plays, but by all-around playing with the Bearcats getting the worst of the deal. Fielder for the visitors was up four times and made four hits with two of them turning into runs. He was the outstanding player for the day. The pitching for both sides was nothing to brag about although R. Larson threw some good balls. Ashby and Ellis showed up well in tight places.

 ST. LOUIS, May 13.—(National).—Bases on balls and errors gave St. Louis a 6 to 5 victory over Philadelphia in a loosely played game here today. The locals were outit two to one, but made the most of the visitors' miscues, which resulted in breaking to, if it sounds as well as it looks.
