A Few of the Beasons Why O. P. Hoff SHOULD NOT BE RENOMINATED

In his printed platform Mr. Hoff claims that he should be ve-ominated, because he has PREACHED integrity, efficiency and economy, and that his record is his guarantee.

From the report of the Grand Jury of Marian County in this atter of his agreements and transactions as State Treasurer with John L. Etheredge of Morris Bros., we glean the following:

Exhibit "E" of the Auditor's Report. says the Grand Jury, shows the following personal and private purchases of bonds by Mr. O. P. Hoff from Morris Bros. Inc., from January 6, 1919, to March 15. 1920.

Exhibit "E" shows that Mr. Hoff received from Morris Bros., inc., between July 8, 1919, and January 9, 1920, bonds of the par value of \$14,000.00.

In report of the Industrial Accident Commission, we find the following, "Depreciation reserve to take care of loss that may be incurred in respect of realization upon investments, \$100,000.00."

> **HOFF'S BANKING CONNECTIONS** News Item in Portland Paper

"One hundred fifty thousand dollars of state funds are on de posit with State Bank of Portland that closed its doors today."

The State Bank is carrying a larger amount of state funds on deposit than any other bank in the city; State Treasurer Hoff has a son employed in this institution."

As has been stated by one association, let us retire Mr. Hoff and have, a thorough investigation of the State Treasury department in all matters, as well as that connected with the investment of trust funds.

RALPH E. WILLIAMS HIRES ORIENTALS While Hundreds of Ex-Service Men Need Work President of Disabled Veterans' Auxiliary Scores Williams

Mrs. George L. Williams, president of the Disabled Veterans' Auxiliary, addressed a letter to Ralph E. Williams, Republican National Committeeman, last Thursday, demanding an explamation as to why he employs Oriental labor in his hop yards at a time when many ex-service men are jobless.

Williams is one of the largest hop dealers in Oregon. Mrs. Williams' letter follows

DISABLED VETERANS' AUXILIARY Portland, Ore., May 11, 1922.

Mr. Ralph E. Williams. 17 Board of Trade Building, Portland, Oregon

Dear Sir: Positive evidence having come to my knowledge that you employ Oriental labor in your hop yards, while hundreds of unemployed war veterans and other American citizens are valuely seeking work, I have felt it my duty as president of the Disabled Veterans' Auxiliary to inquire your reasons for this attitude.

Controlling, as you do, the stock in several banks and ranking as one of Portland's wealthy men, there would appear to be no financial reason why you should not employ at a reasonable wage your fellow American citizens who need work to support themselves and dependents, and exclude all Oriental labor.

One feature that has impressed itself forcibly upon my attention is the fact that the example set by you is one that may influence other em ployers. You are not merely a private citizen. You are the Republican National Committeeman and, as such, the head of the party organization in this state and you therefore owe it to the Republicans of Oregon to furnish by your own conduct a correct example for other employers to follow.

I have no racial prejudice against Orientals. I simply feel that the unemployment problem since the armistice has become so acute that our own American folk should be taken care of to ine entire exclusion of Oriental labor. You are a wealthy man and can easily afford to employ American help at proper wages.

Yours very truly. MRS. GEO. L. WILLIAMS. President, Disabled Veterans' Auxiliary.
